Gents,

Your petitioners would represent-that-we have for a long time been suffering from the impassable condition of a county road in our neighborhood rendered impassable by the washing away of the Bridge and by which we have suffered much loss and inconvenience.
We also believe that-a bridge rebuilt-where the old Bridge stood, from the shape of the creek at-that-point, would not-stand, we therefore pray you to order the road so changed by going to the east-some 20 feet-more or less on the land of Wm Scranton who consents to the same and there build a bridge of a clear span that-will not-hold drift-.
We have complied with the requirements of the law by posting notices of change of way-
