

Green Infrastructure Participation Area

Legend

GI Participation Area

Sanitary

- Unknown
- Collector - Combined
- Force Main - Combined
- Forced Overflow - Combined
- Gravity Overflow - Combined
- Interceptor - Combined
- Inverted Siphon - Combined
- Outfall - Combined
- Collector - Sewage
- Force Main - Sewage
- Interceptor - Sewage
- Inverted Siphon - Sewage
- Outfall - Sewage
- Force Main - Sludge
- Collector - Storm
- Gravity Overflow - Storm
- Interceptor - Storm
- Outfall - Storm

NOTE:
Participation boundaries are approximate. If a project is near the boundary, smoke testing and/or dye testing may be required to verify connectivity to the associated combined sewer areas.
