### PUBLIC NOTICE

As part of the REFRESH Evansville program, the first of many public information meetings will be held to provide an overview and discussion of the upcoming water main replacement projects. The first of these meetings will be directly affecting customers along Weinbach (Lloyd to Pollack), Lant Circle/Bayard Park (between Lodge and Weinbach), Lodge (Walnut to Riverside), and Presidents Neighborhood (41 to Weinbach and Washington to Covert). The first meeting will be held at Washington Middle School, 1801 Washington Avenue, Evansville, IN 47714 on Tuesday, May 30 at 6:00 p.m. The goal of the REFRESH Evansville program is to replace existing infrastructure throughout the City that is prone to breaks and, in some instances, is more than 100-years-old.
