

Inter-State Compact Transfers

Eligibility for Interstate Compact Transfer (state to state) is governed by the Interstate Commission for Adult Offender Supervision. The website, which answers questions such as who is eligible for transfer and the requirements thereof, can be found at www.interstatecompact.org/.

In Indiana, there is a required \$125 transfer fee, which must be paid in the sentencing county at time of transfer. No transfer paperwork will be submitted without the payment of this fee.

No transfer can be submitted prior to sentencing and not everyone requesting to transfer is necessarily eligible for transfer through Interstate Compact.

No questions regarding Interstate Compact Transfers will be answered in the State Compact Office. All questions should be directed to the local Probation Department in the County in which the offender is being sentenced. This is where all transfers originate.

Anyone with questions regarding an Interstate Compact Transfer of Probation in Vanderburgh County should contact Karla Claybrook at (812) 435-1490
