The meeting purpose will consist of a discussion and potential recommendations of appropriate action steps to achieve the MBE/WBE goals. This meeting must take place at least three (3) business days prior to the final bid submission. All information reported by contractors will be verified for accuracy.

If a Purchasing Department Coordination meeting is not completed by the prime contractor, the contractor's bid will be considered non-responsive and will not be accepted for final submission.

In addition, the Participation Evaluation Worksheet (Form A) included in the bid package is required to be submitted with each bid.

3. Consider unbundling Bid Packages into economically feasible units to facilitate MBE and WBE participation. Unit prices shall be given for supplies and equipment;
4. Provide adequate information about plans, specifications and/or other contracting requirements to facilitate MBE and WBE participation;
5. Confer in good faith with interested MBE/WBEs, including the making of reasonable determinations as to their qualifications;
6. Provide information to MBE/WBEs regarding bonding and insurance;
7. Submit a Copy of the Indiana Department of Administration (IDOA) Certification for each M/WBE listed in the Statement of Proposed M/WBE Utilization (Form B). Such certification must be in effect throughout the duration of the project;
8. Submit a Letter of Intent to Perform as a Subcontractor or Supplier (Form C) summarizing all subcontractor and supplier utilization, for each M/WBE subcontractor or supplier;
9. When the M/WBE program goal is not feasible because of the lack of availability of qualified minority or women business enterprises in a particular trade or field, Bidders shall submit in a sealed bid envelope a completed Application for Program Waiver (Form E), complete with full, verifiable documentation of bidder's efforts to locate and employ M/WBE for the project.

**City/County ("Owner") Requirements:**

Before and during the pre-construction and bidding phases of the Project and subject to the public construction and public procurement laws applicable to the Project, the Owner's Contract Compliance Officer shall actively promote meaningful participation of MBEs and WBEs in the Project, by requiring Bidders to:

1. Inform interested bidders of the Plan, including the MBE and WBE goals and procedures applicable to the Project;
2. Organize and conduct pre-bid meetings to inform MBEs and WBEs of contracting opportunities and encourage all potential bidders to attend such meetings;
3. Advertise with respect to contracting opportunities in general circulation, trade and minority-focused media;
4. Utilize the services of available minority organizations, contractor's groups, state and local offices, etc., that have knowledge of available MBE/WBEs or the means to locate such MBE/WBEs;
5. Evaluate for each bid package the extent of MBE/WBE participation by the apparent low bidder, whether the proposed entities have been appropriately certified as MBE/WBEs, whether the apparent low bidder achieved applicable goals for the Project and, if not, the extent of good faith efforts made by such bidder to encourage

the utilization of MBE/WBEs and whether there are valid reasons for the bidder's inability to achieve the stated goals; and

6. Advise the City of Evansville awarding department/Board whether, in the Contract Compliance Officer's opinion, the apparent low bidder has achieved the stated MBE/WBE goals or demonstrated good faith efforts to achieve the goals and include this consideration in the overall recommendation as to whom the contract should be awarded.

## **CONSTRUCTION PHASE**

### **Bidder Requirements:**

If applicable, during the construction phase of a project, the Bidder shall, among other things:

1. Provide Contractor's Monthly M/WBE Report (Form D) to the Owner and the City's Contract Compliance Officer, on at least a monthly basis, as to the MBE/WBE participation for each contractor on the project as a whole; and
2. Consider the impact of change orders on MBE/WBE utilization. M/WBE's work total dollar amount should be the same percentage as the Change Order, for the same work.
3. Submit copies of executed M/WBE subcontracts, purchase orders, requisitions, etc. to the Contract Compliance Officer.

### **City/County ("Owner") Requirements:**

If applicable, during the construction phase of a project, the Contract Compliance Officer shall, among other things:

1. Obtain any additional documentation deemed necessary to demonstrate the good faith efforts of each contractor to achieve and maximize MBE/WBE participation goal levels;
2. Verify all submitted documents that each MBE/WBE as listed by each contractor is appropriately certified as either an MBE or WBE entity;
4. Determine the scope of work assigned to each MBE/WBE;
5. Calculate the percentage of participation for each MBE/WBE. Only where an exact amount to be contracted to M/WBE cannot be determined, the Bidder must indicate the minimum dollar amount that will be paid to the M/WBE firm (on the Letter of Intent Form C);
6. Determine the percentage of completion of MBE/WBE scope of work to date;
7. Evaluate the impact of change orders on MBE/WBE utilization. M/WBE's work total dollar amount should be the same percentage in the Change Order, for the same work;

8. Periodically, and at the specific request of the Owner, conduct reviews to verify:
  - The progress of payments made to MBE/WBEs and
  - Method of accounting for MBE/WBE participation

#### **NON-COMPLIANCE**

1. Failure to demonstrate good faith efforts to achieve the goal may constitute grounds for rejection of the bid.
2. The Owner may withhold payment on the Contract until satisfactory corrective measures are completed.
3. Bidders are advised that any contractor who knowingly or intentionally misrepresents the amount to be subcontracted to the M/WBE is in breach of contract and may suffer penalties pursuant to Indiana Code.
