

Help Keep Evansville Beautiful!

💧 **“Small actions can create big ripples. Each one of us has the power to make a difference in building a sustainable future.”**

~Xiuhtezcatl Martinez

💧 Only Rain Goes Down The Drain!

- Storm drains lead straight to creeks, streams, rivers, and lakes.
- Empty graywater into appropriate sanitary sewer drains.

💧 Give a Hoot, Don't Pollute!

- Help ensure trash makes it to appropriate waste receptacles.

💧 Reduce, Reuse, Recycle!

- Use designated bins for recyclables when possible and encourage others to do the same.

💧 Cooking Oil Disposal

- Discard used cooking oil at designated disposal location: W Franklin St and 11th Ave (see map)

If you see something, say something!

Report Storm Drain Misuse to the City Engineers Department at 812-436-4988
