Evansville water customers to receive newly formatted bill *Bills to arrive in mailboxes starting July 7*

EVANSVILLE, Ind. - This month, Evansville Water and Sewer Utility customers will notice their water bill has a new look. The bills are still printed postcards, but there is less color appearing on the bill. The new bill is predominately white with black and blue lettering and features the Utility's water droplet logo near the upper right corner. The Utility encourages customers to be aware of the format change.

"In the next few days, please take extra care to identify the new bill in your mailbox. If you have questions about your bill, please contact the Utility at 812-436-7846," stated Allen Mounts, director of the Evansville Water and Sewer Utility.
