To the Hon. the Board of County Commissioners of Vanderburgh County Indiana.

We the undersigned Tax payers of Vanderburgh County have

reason to fear that the Abutments built for the Franklin Street bridge, are not so constructed (notwithstanding the very heavy expense incurred in their erection) as to prove permanent and reliable, and therefore are of opinion that before any disbursements are made in placing the wooden superstructure upon them, that a careful examination & a perusal of their strength and durability should be made by a competent Bridge builder — one who from practical experience and mechanical knowledge can give a reliable judgement on the subject. They therefore respectfully ask your honorable body to employ Jos. J. Daniels (known to be one of the best practical bridge builders in the State) to make a thorough examination of said abutments, and to give his views fully in regard to the policy of completing the bridge as at present contemplated, and until such examination shall be made, and a favorable opinion be obtained from Mr Daniels, the undersigned protest against any further expenditure being made on said bridge.

The Committee appointed at the Sept. term to examine the Books and Accounts of the Auditor and Treasurer, of said County beg leave to submit the following Report as the result of their examination

From Oct 15th 1857 to June 1st 1859

We find upon a Critical examination but few errors in the Auditors Books which errors we submit Separately on exhibit Marked A Amounting to $34.55/100

Upon the Settlement Sheet of April 1858 for Taxes Collected on Duplicate of 1857 we find the Treasurer Charged with $9.547.66 delinquent tax of 1856 and penalty and Cost. By reference to Duplicate of 1857 the Treasurer is Charged however with Only $6,671.55 as said tax and penalty. The Credit then in Our opinion which the Treasurer should receive would be the difference between the Amount Charged in said Settlement Sheet and the Amount on said Duplicate which differs is $2,876.11. But in the Auditors Journal he / the Treasurer has received Credit Only for $1,521.46. he therefore is entitled to a further Credit on Auditors Books of $1,354.65

The balance Charged at the June Settlement in 1859. befor making Corrections on the Auditors Books is $18,834.24

Not being aware that said road was to be Made until too late. your petitioner would Not represent that said road is laid out and made in Such a way, that all the water runs upon his land, thereby Causing his place to be very Sickely and he did in fact thereby become Sick. thereby loosing much Valuable time. He further States, that he, on account of said water running upon his land, has lost his Crop,— Said road Can however be Made Serviceable with but little expense and the water Could be led off So as Not to injure your petitioner, He now Asks that said road May be repaired in such away, as not to injure him: and he also Asks your Honorable body to allow him Fifty dollars for damages Sustained by Said water"

Henry Stock"

Now Here Thos. E. Garvin and twenty three other Citizens of Vanderburgh County present to this Board a petition for a certain Road in said petition named, which petition is in words and figures following to wit:

To the Board of Commissioners of Vanderburgh County:

The undersigned freeholders of said County and residents in the neighborhood of the highway herein after proposed to be changed respectfully represent, that that portion of the road running from Evansville to Newburgh lying West of the Wabash and Erie Canal is now located upon private property and that said road as now used does not correspond in its course with any of the Streets or highways of Evansville. That the bridge on which said road crosses said Canal is fast going to decay and must in a short time be replaced by a new one. That by changing said highway so as to extend it down said Canal on its south East side to a point where 9th Street extended would strike said Canal and thence along 9th Street to Cherry Street said road would be far more convenient for the publice, would be a permanent Road and would correspond to the Plan of the Streets of said City of Evansville, that said proposed highway as changed would pass through lands owned by Jno. F. Chandler, Thos. E. Garvin and Hugh Ronalds, all of whom as your petitioners believe consent to said proposed change.

And the Board having duly considered said petition and the notices accompanying the same and hearing the testimony of Geo. C. Pope and being satisfied from said testimony that the notices for the presentation of said petition had been properly and legally given. It is therefore ordered, that John Hall of Knight Township John Rheinlander of Perry and Edward S.
