Board of Commissioners Jandenburgh Co Special April Term A.D. 1862

At a Special Session of the Board of County Commissioners of the County of Jandenburgh and State of Indiana began and held at the Court House in Evansville in said County on Monday March 31st 1862 at 10 a m of said day upon a call of the County Auditor of said County for the purpose of letting the County Asylum and for the purpose of letting the Contract for filling up the Road across Haymans Creek in Perry Township and to transact such other business as may come before the Board when present M N Foster William Pruitt and John Pumb Esqrs members composing said County Board

Now here the Board proceeds to the Co Poor Asylum and appraise the personal property of said Asylum belonging to this County and after finishing said appraisement it is ordered that the Board adjourn till tomorrow morning at 9 oclock

April 1st 1862
Tuesday Morning at 9 Oclock the Board met pursuant to adjournment when the members thereof were present as of yesterday

Now here comes Henry N Hankins Trustee of Union Township and presents to this Board his Report which is in the words and figures following to wit

The undersigned Trustee of Union Township of Jandenburgh County Indiana on this 18th day of March 1862 makes the following Report to the Board of Commissioners of said County supplementary to his last report to said Board filed on the 11th inst upon the receipts and expenditures of said Township during the preceding year as required of him by Law

The said Trustee would hereby respectfully represent to said Board that since the filing of his last said Report he has discovered new material and important evidence that an Statement made by him in his said Report of the 11th inst in Reference to the amount of a certain fund received by him as such Trustee is incorrect that is to say he in said Report charged himself with having received of the County Treasurer in June 1861 the sum of

Board of Commissioners of Vanderburgh County Special April Term 1862

$219 20/100 as Common School Funds whereas the true entry therein should have been $29 26 making by said accidental mistake an excess in the Total amount of his receipts of $ 179. 94/100 over and above the true amount which came into his hands as such Trustee for the lenghth of time named in said Report all of which the said Trustee is ready to make appear. And whereas the said Trustee has thus by mistake overcharged himself with the said sum of $ 179. 94/100 he therefore prays the said Board that upon the final investigation thereof that his said Report of the 11th inst may be so altered and amended as right and justice may demand, & that he be allowed a credit corresponding in amount with the said sum of $179. 94/100 which he erroneously charged himself with and that the said sum be deducted from the Seminary Rent fund heretofore shown to be in his hands on the 11th inst which amendment will leave the true balance then in his hands of said Seminary rent fund to be $464 31/100 instead of $644 25 as in said report contained

2nd That a corresponding deduction be made in the Total amount of receipts decreasing the said sum of $ 21 03. 3/4 as in said Report stated as such to the true amount of $1923 43/100 and 3rd that the Total balance of all funds remaining in the hands of the Trustee erroneously stated in said Report of the 11th inst to be $ 903. 12/100 be so amended as to show the true balance therein to be $ 724 25

The said Trustee further says that in his last said Report on the 11th inst to said Board altered and amended agreeably to the above and foregoing Statement will contain a full account of all the moneys with which he is chargeable together with the credit to which he is entitled and that upon the discovery of the error hereinbefore described he has proceeded without delay to obtain the correction thereof

There is in German Township a Highway, part of it being along the northern line of the North West quarter of the South West quarter of Section No 29 and along ~~the northern line of~~ the northern line of the South East Quarter of Section No 30. etc; and there is also another Highway, commencing at a point in the northern boundary line of Section 28 / dividing Sections 28 from 21 / near the north west corner of East half of the North West Quarter of Section 28. near the St Joseph Church, Evansville & Eglinton road, and running to School House No 3 at the North East corner of said North West Quarter of said South West quarter of Section 29, running thence

along said northern line of said N.W.qr of said S.W.qr of section 29 at a points about (38) thirty Eight rods from said corner (near said School House No. 3), running thence about through the North West parts of said N.W.qr of said S.W. qr. of section 29 to a points in the western Boundary line of section 30, / said points being about Forty one (41) rods distants from the N.W. corner of the S.W.qr. of sec. 29; thence running along said western boundary line of section 29. etc. along Canada Higginbottom's & Faygueher's to the Evansville - New Harmony Road.

The road commencing at the mentioned point in the North line of the North West Quarter of the South West Quarter of section (29) twenty nine (property of Isidor Litzelmann;) which points is at a distance of about 38 Rods from said School House No. 3. / N.E. corner of said teach of land), bears a South western direction; crosses a Creek, about 28 Rods from said first mentioned points, where a Bridge of about 18 feet Span is built, and said road running still more West South West intersects the said section line (sections 29 & 30) at the mentioned points. 41 Rods South of North West corner of South West quarter of section 29. — This last described parts of said Highway is wished to be changed, and to state the matter now to satisfaction, it is to be remarked, that the petitioners always have been speaking of Lands situated in Congressional Township (5) Five, South of Range (11) Eleven West.

The undersigned petitioners wish the said road, commencing at the mentioned points. 41 Rods South of the N.W. corner of the S.W.qr of section No. 29. to run North along said section line (sections 29 & 30) thus continuing the road already running from South to North to said points along said section line, and to end at the point of Intersection of said line with the northern boundary line of the N.W.qr of the S.W.qr of section 29, where it finds its terminus in said Township road; running along said northern boundary line. There is a Bridge over a Creek in said road along the said northern boundary line, the Bridge being about 8 Rods distant and East from the said N.W corner of said S.W.qr of section 29, and there is also a Bridge (already mentioned over the same creek in that parts of the road, that is wished to be changed. — Now, in changing the Road, as the undersigned wish it, there would be only one Bridge to be kept in order, to wit: the Bridge in that northern Boundary line), and as regards the new road, there would be no Bridge at all on it, as the said creek would be to the East of the said new Road, and thus not to be crossed.

Board of Commissioners Vanderburgh County. September Term A.D. 1862.

It is to be remarked, that about every year the said Bridge of the road to be changed requires a great deal of Township Expenses and that lately it was totally destroyed and would require no small amount of Township Money to its re-erection. — Also, that the new road would be about ¾ mile shorter as the old (to be changed) one. All of which makes us believe, that our petition will properly and favorably be considered.

We annex the following Sketches as regards part of Sections 29. 30. 31 & 32 of congressional Township No. (5) Five South Range Eleven (11) West. (See following Sketch as pr. original on file)

(Signed) Leitzelmann Secretor and 14 others.

To the honorable Board of Commissioners of the County of Vanderburgh County Indiana.

We the undersigned Viewers appointed by your honorable body at the September Term A.D. 1862. to view a certain Road in Union Township petitioned for by Wm Martin and others, did on the day appointed, namely on the 3d Saturday in October, meet at the office of Daniel H. Cloud Esqr. and there qualified and proceeded to view the petition petitioned for; to wit: leading from the Indiana side of the Henderson Ferry down the meanderings of the Ohio River, on the Bank of said River, to intersect the Mount Vernon Road in Perry Township and in that part of said road where the same has been laid out upon the Land of Y. E. Mc Elendon and Eliza Simmons in Sec. Section 15 in Town 8 South of Range No 11 West. Said highway to be turned off from the River Bank at the South West corner of the said Tract of Land in Sec. Sec. No 15 belonging to Volney Daman heirs and made to run Nine from North of West forty three (43) Rods through enclosed lands belonging to Y. E. Mc Elendon to the Western boundary thereof, thence over land belonging to Eliza Simmons a distance of Fifteen (15) Rods South of West back to the Bank of the River. And having thoroughly viewed and examined the premises, the undersigned would respectfully recommend that the prayer of the Petitioners be granted and they would further state that the said Road would be of Public Utility and convenience all of which is respectfully submitted

Joseph Parrett

S. R. Neal.

and the Board after duly considering said Report accept and approve the same.
And now, here comes Y. E. Mc Elendon and others and present to this Board their Remonstrance to the proposed change in the Highway stated in the foregoing Report, which Remonstrance is in the Words and figures following to wit:

To the Hon. the Board of Commissioners of Vanderburgh County Indiana:

Gentlemen,

Understanding that William Martin and seventeen other Citizens of Union Township of said County, have petitioned your honorable Board for a change of the Public Highway in said Township, leading along the Bank of the Ohio River, down from the Henderson Ferry where said Highway runs through and over part of Lands belonging to Y. E. Mc Elendon and wife and Mrs. Eliza Simmons in fractional Section No fifteen in Township Eight South of Range No Eleven West, that said Petition prays that said Highway be turned off from the river Bank at the South West corner of the Tract of Land in said fractional Section fifteen belonging to the heirs of Volney Daman, deceased, and made to run thence in a direction North of West the distance of Forty three Rods upon and through enclosed Lands belonging to Y. E. Mc Elendon & Wife to the Western Boundary thereof, thence over land belonging to Eliza Simmons a distance of Fifteen Rods, South of West, back to the Bank of the Ohio River, so as to leave the Warehouse and residence of the said Mc Elendon immediately upon the South side of the Highway instead of the north side, where it has been located for the Twenty years last past; and understanding further that the Reviewers appointed by your honorable Board at its last September term, to examine and report to your honorable Board in relation to the said change in the Highway aforesaid, will report in favor of the same; and will recommend the location of said Road upon and through the enclosed and cultivated lands of our farms, as described by said Petitioners and as hereinbefore set forth; Therefore:

We the undersigned Freeholders and Owners of the lands through and over which said proposed change of said public Highway, is designed to be located, feeling ourselves very much agrieved thereby, do hereby respectfully remonstrate against the said proposed change of said Highway.

By such change of the said Highway we would be greatly damaged in this, much of our most valuable lands for cultivation would be wholly lost to us, we would be compelled to build and keep up two strings of Fence, where now none is required; much annoyance and inconvenience would constantly result from said Road thus located in

Copied in Book [illegible]

our Corn fields, dividing and isolating one part of the farms from another, and much of our ground on the South side of said proposed new Road, by reason of the same being in such an awkward and narrow shape, would be of little valuable use for cultivation at all. We would here remind the Hon. Board that to erect and keep up two Strings of fence in these inundated lands or lands subject to inundation from one to six times a year, is attended with a great deal more trouble, labor and cost, than the same amount of fencing in hill lands. drift washes down the fencing, water washes up the Posts and often carries whole strings of fence Miles away, which, as the flood recedes, must be replaced in water and mud, to prevent Stock from destroying Orchard, Shrubery and other valuables; and this same labor, cost & exposure often occurs several times a year; which labor, cost and exposure would wholly fall upon us as the owners of said lands, if the change in said road is made as petitioned for. In consideration of all these grievances we are of the opinion that the amount of damages such change of said highway would not be less than $ 300.00 to the lands aforesaid of the said Mc Clendon & wife; & not less than $ 100.00 to the said lands of Elija Simmons. Wherefore, we respectfully file this, our remonstrance against such change in said highway, and ask your honorable Board that we may not be required to suffer such heavy damages for the Benefit of others only, and for other proper Relief

November 20th 1862.

J. E. Mc Clendon
Elija Simmons
Louisa F. Mc Clendon.

And the Board after having duly considered said Remonstrance Ordered that Alexander Maddux, Andrew J. Eccles, Jeremiah Burnet, as Reviewers to meet at the office of Daniel H. Cloud Esqr. in said Union Township on the first Saturday in February A.D. 1863 at 10 O'Clock A.M. of said day and then and there to qualify and proceed to view said premises and assess such damages as to them may seem just and equitable and Report their proceedings in writing to this Board at its next regular Term.

And now here comes George Wund and twelve other citizens of Armstrong Township and present to this Board their Remonstrance against the Vacation of the above described Road which Remonstrance is in the Words and figures following to wit:

To the Board of County Commissioners of Vanderburgh County:

Whereas a petition has been presented to your honorable Board signed by Philip Trippon & others, praying for a change or Vacation of a certain private Road in Armstrong Township, which Road was duly allowed by the Commissioners of this County in the year 1853 as may be seen by the Commissioners Record,

Therefore we the undersigned remonstrate against any change or vacation of said Road, because George Wund, who uses said Road and whose Vendor had said Road laid out for his use, would have no means of Egress or Ingress to his farm, there being no other Road he can use, and also that said Road is the very best that he can have for his use. The following Protest to the action of the Board was offered by W.W. Foster a member thereof, who desired the same to be spread on the minutes: Whereas the rule adopted by the Board of County Commissioners for appropriating the County Bounty confining its operations to enlistments after the offer of the last Bounty and prior to the draft, operates hardly and unfairly to many worthy and patriotic Citizens who volunteered under the last call of the President

First- Because the volunteers under the first call in the 65th received a Bounty of fifty dollars from the County.

Second Because the volunteers under the last call between the 19th of August and the 5th of October received a bounty of twenty five dollars. Some of them having volunteered prior to the nineteenth of August. Whereas those Volunteering between the first and second offer of Bounty are excluded, as also those that have volunteered since the draft are also excluded, notwithstanding their Patriotism cannot be doubted nor
