William J. Vickery, John R. Vickery and Elizabeth Vickery, persons who are the owners of lands across which the proposed highway described in the petition of Edgar Lynn and others herein would extend, enter special appearance herein by James T. Cutler, their

attorney, for the sole purpose of objecting to the jurisdiction<sup>s</sup> of this court to proceed herein and for the purpose of moving the court to dismiss this petition for want of jurisdiction of the subject matter.

The said parties respectfully show to the court that since the filing of the petition herein all of the lands affected by the proposed highway including the lands of these parties have been taken into the city limits of the city of Evansville, Indiana.

That on the 20th day of December, 1915, an ordinance declaring and defining the entire corporate boundaries of the city of Evansville, Indiana, the same being Ordinance No. 937, was duly passed and enacted by the Common Council of the city of Evansville, Indiana; that said Ordinance repealed an Ordinance declaring and defining the entire corporate boundaries of the city of Evansville passed by the Common Council on the 14th day of March, 1910, and all other Ordinances and parts of Ordinances in conflict therewith.

That the said Ordinance was duly presented by the City Clerk of the city of Evansville, Indiana, to the Mayor of the City of Evansville, Indiana, on the 21st day of December, 1915 at 11:25 o'clock A.M. for his consideration and action thereon.

That the lands and territory taken within the limits of the city of Evansville, Indiana, by said Ordinance includes the proposed route of the highway described in the petition herein and said proposed highway and extension thereof if the same were ordered, would lie wholly within the limits of the city of Evansville, Indiana, and that all of the lands of these parties and all other lands effected thereby now lie within the city limits of said City of Evansville.

That no appeal has been taken by any person from the said Ordinance extending the limits of the city of Evansville, but that said Ordinance and resolution is now in full force and effect and the said territory is now included wholly within the limits of the city of Evansville.

That by reason of the facts herein set forth the Board of Public Works of the city of Evansville has sole and exclusive jurisdiction of all streets, alleys and highways within the limits of said city of Evansville as defined in the ordinance hereinabove mentioned, and said Board of Public Works has the sole and exclusive jurisdiction and authority to lay out, extend, vacate and change public highways within the limits of the city as defined by said Ordinance and that this board has no jurisdiction to proceed further herein.

#### REPORT OF RE-VIEWERS

In the matter of

the petition of Louis Bauer, et.al. for a new highway in the Township of Scott, County of Vanderburgh, and in the Township of Johnson, County of Gibson, State of Indiana.

TO THE BOARD OF COMMISSIONERS OF VANDERBURGH COUNTY:-

We, the undersigned Leonard Hirsch and Henry Wilderman, reviewers heretofore appointed by the Board of Commissioners of the County of Vanderburgh, State of Indiana, at the July session, 1916, of said Board, to review the said proposed highway described in the order and notice hereto attached, which said highway was located by the viewers theretofore appointed by said Board of Commissioners and whose report is hereto attached, to determine whether or not such proposed highway will be of public utility and whether or not certain persons through whose lands the same would pass, would be damaged, and if so, to fix the damages submit the following report:-

We met at the office of Charles P. Beard, Auditor of Vanderburgh County, on the 20th day of July, 1916, and after having taken an oath faithfully to discharge the duties assigned us proceeded to view said highway as located by the viewers heretofore appointed herein, which said highway is described as follows:

Commencing in the highway at the southeast corner of the northeast quarter of section twenty-four, town four south, range eleven west, in the County of Vanderburgh, State of Indiana; thence north on a line dividing ranges ten and eleven west, to the northeast corner of the southeast quarter of Section thirteen, town four south, range eleven west, in the County of Gibson, State of Indiana, and thence in a general northerly direction to where the same would intersect the center line of the south end of an improved highway known as the St. James Road, said point of intersection being approximately ten chains and seventeen links south of the northeast corner of the southeast quarter of the northeast quarter of said Section thirteen and approximately one rod east of the range line.

And, having carefully examined said proposed new highway as above described and after considering said matter, we were unable to agree upon the question of the public utility of said highway and upon the question of damages, and we thereupon agreed to select Christian W. Kratz as a third reviewer. That thereupon the said Christian W. Kratz was selected and duly qualified as such reviewer and thereupon on the 26th day of July, 1916, we, the undersigned Leonard Hirsch, Henry Wilderman and Christian W. Kratz, proceeded to examine and did carefully examine said proposed new highway as above described and find that the same would be of public utility.

We have further examined the lands of each separate remonstrant as described in his remonstrance filed herein at the point where the proposed highway crossed the same, and we find that they are entitled to damages respectively as follows, which amount of damages we so assess in favor of each:-

In favor of Jerome Obert we assess damage in amount of . . . . . \$75.00

In favor of Paul Hillenbrand we assess dama. in amt of . . . . . 90.00

In favor of Frank P. Karges we assess dama. in amt of . . . . . 90.00

In favor of Anna Mary Karges we assess dama. in amt of . . . . . 180.00

In favor of Henry G. Kissell and Jos. A. Kissell,

we assess damages in amount of . . . . . 100.00

In favor of George Kister we assess damage in amount of . . . . . No. dollars.

Respectfully submitted,

Leonard Hirsch

Henry Wilderman

Christian W. Kratz

Reviewers.

And, the Board having examined said report and being sufficiently advised, finds that the finding and conclusion of the said reviewers, determining and fixing that said highway is of public utility, and ought to be approved and is therefore ordered that said report so far as the same fixes and determines the public utility of said highway, is hereby in all things approved.

And, it is further ordered that the petitioners herein recover of and from the remonstrants herein against the public utility of said highway, their costs occasioned by reason of such remonstrance against the utility of said proposed highway.

The Board further finds that it has been made to appear to said Board, that the damages as assessed in the reviewer's report herein are unreasonable and that said report so far as it fixes said damages should be set aside and that another review be had to determine the damages to the various remonstrants.

It is therefore ordered, adjudged and decreed that the said report so far as it fixes and determines the damage to the separate remonstrants is hereby set aside and John A. Neale of the County of Vanderburgh, and Leroy Fauquhar of the County of Gibson, are hereby appointed reviewers to determine and assess the amount of damage to the land, if any, of each separate remonstrant by reason of the location of the proposed highway. That said reviewers

be notified to appear at the office of the Auditor of Vanderburgh County, on the 23rd day of August, 1916, and qualify as such reviewers and thereafter make their examination of the route of said highway as laid out through the lands of said remonstrants and make their report to this Board not later than the first Monday in September, 1916.

Petition for  
Retaining Wall on  
Pfeiffer Road.

Comes now E. Q. Lookyear and P. B. Fellwock and file their petition which is in the words and figures following:

State of Indiana,     )  
                               )  
 Vanderburgh County, )

TO THE HONORABLE BOARD OF COMMISSIONERS OF VANDERBURGH COUNTY:

Petition.

We the undersigned, P. B. Fellwook and E. Q. Lookyear, by way of petition show to your Honorable Board that we are the owners of certain real estate located on the Pfeifer Road at the junction of the Stringtown Road in Vanderburgh County State of Indiana.

That on the north side of said Road there is a high embankment along and on the right of way of said road, and also on the land of your petitioners.

That said Pfeifer Road is macadamized with rock on the south side of said Road, and that over and along the said Road at the north edge of the macadam and about the middle of the highway, the parties in charge of the keeping said Road in repair each year for the last four or five years dug a ditch along about the middle of the Road for the purpose of draining said road, That in so doing the embankment has been left without any lateral support, and

because of the lack of said support and on account of the digging of said ditch in said road, the said embankment slides into and fills up this ditch, and the process of cleaning out and digging said ditch over again has occurred twice each year for several years, without remedying the difficulty.

That this process does not give the Road any drainage, and at the same time works an injury to the land of these petitioners in this: That it causes the surface of the land north of the line of said road to sink and to slide towards said road to the damages of your petitioners.

Now we therefore petition your Honorable Body to improve the said Pfeifer Road by constructing a concrete gutter over and along the north side of said Pfeifer Road where the said slide exists, of sufficient size and dimension to carry the water that naturally flows onto said Road, and at the same time furnish such lateral support as will prevent any further sliding of the said embankment and any further injury to the lands of your petitioners.

We submit herewith Exhibit "A", a map of the land showing the location of the slide, and Exhibit "B", showing sketch of the cross-section of the Road, and Exhibit "C", a sketch of the gutter that we believe would be of sufficient size and dimensions to accomplish the desired result.

We submit to your Honorable Body that it is your duty under the law that you make this improvement.

~~We submit herewith Exhibit "A", a map of the land showing the location of the slide, and Exhibit "B", showing sketch of the cross-section of the Road, and Exhibit "C", a sketch of the gutter that we believe would be of sufficient size and dimensions to accomplish the desired result.~~  
 We submit herewith Exhibit "A", a map of the land showing the location of the slide, and Exhibit "B", showing sketch of the cross-section of the Road, and Exhibit "C", a sketch of the gutter that we believe would be of sufficient size and dimensions to accomplish the desired result, and ask that the improvement be made.

Respectfully submitted,

E. Q. Lookyear

TO THE HONORABLE BOARD OF COUNTY COMMISSIONERS:

Gentlemen:-

We the undersigned citizens of the City of Evansville, and voters in Vanderburgh County, and residents of the part of said City in which is situated the saloon of Wm. Morris at 200 Lincoln Avenue, do hereby remonstrate against the granting of the renewal of the retail liquor license now held by the said Wm. Morris, at 200 Lincoln Avenue, for the reason that he conducts a disreputable place, that passers by are compelled to get off the side walk, by crowds of drunken men and women congregating in front of said saloon and are insulted by vile language, and that the safety of themselves and families are endangered, and that the said Wm. Morris is morally unfit to conduct a saloon.

We therefore petition your Honorable Board to refuse to grant said renewal of Liquor License to the said Wm. Morris.

The Board having advertised that it would, on the 20th day of December, 1917, receive bids for coal to be supplied during the year of 1918 for the heating plant of the Court House and for the County Infirmary, and no bids or proposals having been received, pursuant to such notices and advertisement, the Board proceeded in such emergency to arrange for a supply of coal and after diligent inquiry and effort found that due to the fact that both the matter of supply and price of coal was under the control of the Federal authorities as a War necessity, that coal could not be obtained from any source at a price other than that fixed by such government control and in these circumstances the Board, by a unanimous vote, entered into the following contract with the Diamond Coal Company of Vanderburgh County, Indiana, to-wit:

CONTRACT

This agreement entered into by and between the Board of Commissioners of the County of Vanderburgh, State of Indiana, party of the first part and the Diamond Coal Company, a corporation of Vanderburgh County, in the State of Indiana, party of the second part witnesseth: The party of the second part hereby agrees to furnish, subject to the terms and conditions herein-after set out, lump coal, delivered in the alley in the rear of the Vanderburgh County Jail, in the City of Evansville, Indiana, in such amounts and at such times as is required by said party of the first part, such coal to be furnished at and for the price of fourteen and two-fifths ( $14 \frac{2}{5}$ ) cents per bushel. If, however, said Board of Commissioners elects to have said party of the second part deliver such coal in the storage bin in the heating plant in the rear of said jail then the price per bushel is to be fifteen and two-fifths ( $15 \frac{2}{5}$ ) cents. Said party of the second part further agrees to furnish to said party of the first part for the County Infirmary lump coal at the mine, as the same may be required, at and for the price of twelve and two-fifths ( $12 \frac{2}{5}$ ) cents per bushel.

Such prices to be subject to the control of the Federal government to fix and determine prices, that is to say, said prices shall be increased or decreased proportionately as the coal price is increased or decreased by federal government control, and this agreement is to continue so long as the coal prices are fixed and controlled by the Federal government and for a period of thirty days immediately following the date the government ceases to fix and control such price. Provided, however, that nothing herein contained shall be construed to hold this contract effectual beyond the first of January, 1919.

The party of the first part hereby agrees to pay to the party of the second part, upon the furnishing of such coal the price herein determined upon, the sum to be paid in warrants drawn by the Auditor of said County upon the allowance and order of the party of the first part, upon the proper funds in the hands of the Treasurer of said County.

IN WITNESS WHEREOF the said parties have hereunto set their hands  
and seals this the 31st day of December, 1917.
