AUDITOR

PRESIDENT, VANDERBURGH COUNTY COUNCIL

MR. MOONEY THEN ASKED THE COUNCIL TO DISCUSS THE ABNORMAL TAX RATE AS ADVERTISED ON POOR RELIEF IN THE VARIOUS TOWNSHIPS.

AFTER A FULL DISCUSSION ON THIS SUBJECT ON MOTION OF MR. MYRICK, SECONDED BY MR. BECK AND UNANIMOUSLY CARRIED, THE FOLLOWING RESOLUTION WAS PASSED, AND THE AUDITOR WAS REQUESTED TO PRESENT SAME TO THE TAX ADJUSTMENT BOARD-

RESOLUTION

WHEREAS, THERE EXISTS A CONDITION THIS YEAR, WHEREIN THE TAX RATE FOR THE YEAR 1959 WILL REACH AN UNPRECEDENTED LEVEL IN VARIOUS TOWNSHIPS OF VANDERBURGH COUNTY, AND;

WHEREAS, THIS HIGH LEVEL OF TAXES WILL BE, IN GREAT PROPORTION, DUE TO THE UNUSUAL INCREASE IN POOR RELIEF RATES, WHICH ARE A RESULT OF PRESENT WEAK ECONOMIC CONDITIONS, AND;

WHEREAS, THESE PRESENT ECONOMIC CONDITIONS WILL BE IMPROVED CONSIDERABLY DURING THE NEXT YEAR, IF WE ARE TO ACCEPT RECOGNIZED BUSINESS BAROMETERS AS A GUIDE, AND;

WHEREAS, THIS PROPOSED INCREASED TAX LEVY WILL CREATE A PENALIZING BURDEN ON ALL TAXPAYERS IN VANDERBURGH COUNTY FOR THE YEAR 1959, AND;

WHEREAS, THIS COUNCIL HAS NO POWER TO TAKE LEGAL ACTION WITH REGARD TO THIS MATTER;

BE IT RESOLVED, THAT THIS COUNCIL REQUEST THE VANDERBURGH COUNTY TAX ADJUSTMENT BOARD TO DISALLOW ANY INCREASE IN THE POOR RELIEF TAX RATES OF KNIGHT, PERRY AND PIGEON TOWNSHIPS, OVER THE TAX RATE SET FOR 1958, WITH THE EXCEPTION OF AUDITOR'S ASSESSMENT AGAINST THESE TOWNSHIPS; THEREBY FORCING THE VANDERBURGH COUNTY AUDITOR TO ASK FOR AN ISSUANCE OF BONDS TO OFFSET THE DIFFERENCE BETWEEN THE AMOUNTS ALLOWED AND THE AMOUNTS NEEDED TO PROVIDE FOR POOR RELIEF EXPENDITURES, IN THESE SPECIFIED TOWNSHIPS. THIS WOULD, IN EFFECT, PRO-RATE THE COSTS OF THIS POOR RELIEF EMERGENCY FOR THE NEXT TEN YEARS AND NOT BIND THIS ABNORMAL TAX LOAD ON THE TAXPAYERS OF THESE TOWNSHIPS DURING ANY ONE YEAR.

BE IT FURTHER RESOLVED: THAT COPIES OF THIS RESOLUTION BE SENT TO THE COUNTY AUDITOR, THE TRUSTEES OF KNIGHT, PERRY AND PIGEON TOWNSHIPS, AND THE MEMBERS OF THE VANDERBURGH COUNTY TAX ADJUSTMENT BOARD.

THE FOLLOWING STATEMENT WAS READ TO THE COUNTY COUNCIL, BEFORE THEY TOOK A VOTE ON THE REQUEST FOR EQUIPMENT FOR THE COUNTY AUDITOR, BY THE AUDITOR-

"I WISH TO MAKE A STATEMENT REGARDING THE MATTER OF AIR-CONDITIONING THE AUDITOR'S OFFICE. WHILE I AM NOT OPPOSED TO AIR-CONDITIONING THIS OR ANY OTHER COURT HOUSE OFFICE, I FEEL THAT THIS IS NOT THE TIME NOR THE MANNER IN WHICH TO HANDLE THIS PROBLEM.

AFTER CAREFUL STUDY I OFFER THE FOLLOWING REASONS FOR BEING OPPOSED TO THIS APPROPRIATION AT THIS TIME:

THE COUNTY COMMISSIONERS HAVE ADVISED THIS COUNCIL THAT IT WILL REQUIRE ADDITIONAL OUTSIDE WIRING BEING BROUGHT INTO THE COURT HOUSE BEFORE ALL OF THE OFFICES CAN BE AIR-CONDITIONED. IT APPEARS TO ME TO BE UNFAIR TO AIR-CONDITION ONE OFFICE WITHOUT GIVING FULL CONSIDERATION TO THE OTHER OFFICES IN THE COURT HOUSE. THE COMMISSIONERS ALSO EXPLAIN THAT THE PRESENT ELECTRICAL CIRCUITS WILL PERMIT AIR CONDITIONING ONLY ONE OFFICE AND THIS WOULD THEREFORE ELIMINATE ALL THE OTHER OFFICES FROM THE POSSIBILITY OF ENJOYING AIR CONDITIONING. AS A RESULT OF THIS I FEEL, AND I HOPE THAT THE REST OF THE COUNCIL FEELS AS I DO, THAT THE ENTIRE MATTER OF AIR CONDITIONING IN THE COURT HOUSE SHOULD BE LEFT UP TO THE COMMISSIONERS. THEY SHOULD MAKE A THOROUGH STUDY OF THIS MATTER, GIVING CONSIDERATION TO THE PROBLEM OF WIRING, THEY SHOULD HAVE AN ENGINEERED STUDY MADE OF THE AIR CONDITIONING NEEDS OF ALL OFFICES, AND SHOULD STUDY THE POSSIBLE ADVANTAGE OF USING ONE TYPE OR MAKE OF UNIT SO AS TO REDUCE FUTURE SERVICE PROBLEMS.

FINALLY, I FEEL THAT THE MUCH GREATER PROBLEM OF PROVIDING MONIES FOR POOR RELIEF MAKES IT IMPERATIVE FOR THE COUNCIL AT THIS TIME TO USE EXTREME CARE AND JUDGEMENT IN HOW OUR COUNTY FUNDS ARE SPENT. UNLESS A GENUINE EMERGENCY ARISES, I FEEL THAT IT IS OUR DUTY TO DENY ANY BORDER-LINE USE OF THE COUNTY UNEXPENDED BALANCE, SO AS TO BE IN A POSITION TO KEEP IT IN A HEALTHY CONDITION SHOULD THE PROBLEM OF POOR RELIEF CONTINUE IN ITS PRESENT MANNER. IN CONCLUSION, I BELIEVE THAT THE ENTIRE MATTER OF AIR CONDITIONING SHOULD ONLY BE PRESENTED TO THIS COUNCIL AT BUDGET TIME AND THEN ONLY AFTER A CAREFUL STUDY AND RECOMMENDATION HAS BEEN MADE BY THE COUNTY COMMISSIONERS!!

(SIGNED) HAROLD J. BARR

A MOTION WAS THEN MADE BY HENRY COOPER TO APPOINT HENRY FITZGERALD AND F. WENDELL LENSING TO THE METROPOLITAN PLAN STUDY COMMISSION. THIS MOTION WAS SECONDED BY LOU W. BROWN AND CARRIED UNANIMOUSLY.

ISADORE NEWMAN, PRESIDENT OF THE COUNCIL ASKED FOR VOLUNTEERS TO SERVE ON THE TAX ADJUSTMENT BOARD, WHICH MEETS IN SEPTEMBER. THE ONLY VOLUNTEER WAS HAROLD J. BARR.

ON MOTION DULY MADE, SECONDED AND CARRIED, THE COUNTY COUNCIL ADJOURNED SINE DIE THIS 31ST DAY OF MARCH, 1959.

The Chairman of the Board requested the Secretary to read a letter addressed to the Board from Perry Township Vol. Fire Department, Inc., and is made a part of these minutes, as follows:

August 15, 1960

Mr. John Wall, Chairman
County Tax Adjustment Board
County Commissioners Room
Vanderburgh County Court House
Evansville, Indiana

I would like to take this opportunity to again thank you for the courtesy extended me and the other Perry Township Volunteer firemen when we appeared before your group on September 13.

There are two State laws with which I feel you and your group should be familiar before you make your decision on township fire fighting funds. These laws are quoted below.

1947 LEGISLATION, HOUSE ENROLLED ACT NO. 63 SECTION 2

If a majority of the owners of taxable real estate residing within and owning real estate within that portion of any township in the State of Indiana located outside of any City or Town shall petition the Township Trustee and Advisory Board to provide fire protection in that portion of the Township lying outside of the corporate limits of any City or Town, it shall be mandatory upon such Trustee and Advisory Board to grant such petition and provide for such fire protection either pursuant to this Act or pursuant to any other Act now or hereafter in effect enabling them to do so, but the Township Trustee and Advisory Board shall determine which of the statutory methods for providing fire protection in Townships shall be followed.

LETTER - Cont'd

1947 LEGISLATION HOUSE ENROLLED ACT NO. 11 65-511 CONTRACTS WITH VOLUNTEER FIRE FIGHTING ORGANIZATIONS OWNING OWN EQUIPMENT

Any Township Trustee, by and with the consent of the Advisory Board is hereby authorized and empowered to make and enter into an agreement with any one or more corporate nonprofit volunteer fire-fighting companies or associations which maintain adequate fire-fighting service, for the use and operation of fire-fighting apparatus and equipment owned by such companies or associations and for the service of the operation of such apparatus and equipment, as shall best conduce to the saving from destruction by fire of the property of citizens of such Township and of the public property therein situated. (Acts 1945, Ch. 130, 1, p. 276)

It is interesting to note that over 70% of the population of the State of Indiana is protected from fire by volunteer fire departments, of which there are nearly 700 in the State. All of these departments are subsidized from the Township fire-fighting funds. You may check this with the State Fire Marshal Office, Indianapolis.

Very truly yours,

(signed) William F. Conway/Chief

There were present at said meeting the following members of the Council: Isadore Newman, Paul E. Ahrens, Harold J. Barr, Lou W. Brown, Henry W. Cooper, David L. Powless and Otto P. Niethammer; also the County Auditor and County Attorney.

The meeting was opened by Vanderburgh County Sheriff Gresham J. Grim, and having been called to order and a quorum being present, the Auditor presented proofs of publication of the notice of this meeting, together with his certificates relative to the mailing of said notice to each member of the Council and posting of the same in three public places in the County, which notice, proofs of publication and certificate, being found to be in due form of law, were by unanimous consent approved and ordered filed.

The Auditor presented the petition filed by owners of taxable real estate in the County of Vanderburgh requesting the issuance and sale of bonds of the County for the purpose of procuring funds to be applied on the cost of improving and expanding the facilities of Burdette Park, a Vanderburgh County owned park located within the limits of said County of Vanderburgh, by converting the existing swimming pool facility to a fresh water swimming pool; renovating the park bath houses; constructing, improving and repairing cottages; installing fresh water line to supply swimming pool and general park requirements; dredging park lake of debris; and building new field bed and septic tanks to modernize sanitary facilities. The Council thereupon examined said petition, together with the affidavits attached thereto verifying the signatures thereon, and the certificate of the Auditor as to the qualification of the signers. Said petition, having been found to be signed by more than fifty owners of taxable real estate in the County of Vanderburgh and to be duly verified and certified as required by the provisions of Section 64-313 Burns Statutes 1933, on motion duly made, seconded and carried, the same was approved as being sufficient in all respects, the vote on said motion being as follows:

The Auditor then presented to the Council, the estimate and request entered of record by the Board of Commissioners on December 19, 1960, showing the amount of the appropriation required to cover the cost of said project and the incidental expenses necessary to be incurred in connection therewith, the same being as follows, to-wit:

ESTIMATE AND REQUEST OF THE BOARD OF COMMISSIONERS
OF THE COUNTY OF VANDERBURGH CONCERNING THE PROVID-
ING OF FUNDS FOR THE IMPROVEMENT AND RENOVATION OF
THE FACILITIES OF BURDETTE OARK IN THE COUNTY OF
VANDERBURGH

.To the County Auditor of the County of Vanderburgh and the Vander-
burgh County Council:

A necessity exists for proving funds for improving and expanding the facilities of Burdette Park in the County of Vanderburgh by converting the existing swimming pool facility to a fresh water swimming pool; renovating the park bath houses; constructing, improving and repairing cottages; installing fresh water line to supply swimming pool and general park requirements; dredging park lake of debris; and building new field bed and septic tanks to modernize sanitary facilities. Plans, specifications and estimates have been prepared, filed and approved, but further proceedings have been delayed pending the raising of funds with which to pay for such improvement and expansion program. The estimated cost of said project, including all expenses necessary to be incurred in connection with the issuance of bonds on account thereof, is in the amount of Three Hundred Thousand Dollars (\$300,000.00).

A petition addressed to The Board of Commissioners of the County of Vanderburgh and The Vanderburgh County Council has been filed requesting the issuance of bonds of the County of Vanderburgh in the amount not exceeding Three Hundred Thousand Dollars (\$300,000.00) for the purpose of providing funds for improving and expanding the facilities of Burdette Park in Vanderburgh County by converting the swimming pool facility to a fresh water swimming pool; renovating the park bath houses; constructing, improving and repairing cottages; installing fresh water line to supply swimming pool and general park requirements; dredging park lake of debris; and building new field bed and septic tanks to modernize sanitary facilities, which petition has been examined by The Board of Commissioners and approved as being in due form of law.

Subject to proper action by The Vanderburgh County Council, The Board of Commissioners of the County of Vanderburgh has approved the issuance of bonds of the County of Vanderburgh in the amount of Three Hundred Thousand Dollars (\$300,000.00) to provide funds for said project and recommends that bonds be authorized bearing interest at a rate not exceeding five per cent (5%) per annum (the exact rate to be determined by bidding) payable within a period of fifteen years and ten months from the date of issuance thereof.

The Board of Commissioners of the County of Vanderburgh hereby requests that The Vanderburgh County Council authorize the issuance of such bonds of the County in the amount of Three Hundred Thousand Dollars (\$300,000.00) of the proceeds of said bonds for the payment of the cost of improving and expanding the facilities of Burdette Park by converting the existing swimming pool facility to a fresh water swimming pool; renovating the park bath houses; constructing, improving and repairing cottages; installing fresh water line to supply swimming and general park requirements; dredging park lake of debris; and building new field bed and septic tanks to modernize sanitary facilities, including all incidental expenses connected therewith or the issuance of bonds on account thereof.

The ordinance so adopted is as follows:

AN ORDINANCE OF THE COUNTY OF VANDERBURGH, STATE OF INDIANA, AUTHORIZING THE ISSUANCE AND SALE OF BONDS OF SAID COUNTY FOR THE PURPOSE OF PROVIDING FUNDS TO BE APPLIED TO THE IMPROVEMENT AND EXPANSION OF THE FACILITIES OF BURDETTE PARK, AND APPROPRIATING THE PROCEEDS THEREOF.

WHEREAS, The Board of Commissioners of the County of Vanderburgh has found that it would be for the best interests of said County and its citizens to provide funds for application on the costs of certain expansions, repairs and improvements

to the facilities at Burdette Park in the County of Vanderburgh, State of Indiana, including the converting of the existing swimming pool facility to a fresh water swimming pool; renovating the park bath houses; constructing, improving and repairing cottages; installing fresh water line to supply swimming pool and general park requirements; dredging park lake of debris; and building a new field bed and septic tank to modernize sanitary facilities; that the estimated cost to the County of said improvements will be in the approximate amount of Three Hundred Thousand Dollars (\$300,000.00), and that it will be necessary for the County to provide funds for application on said project in the amount of Three Hundred Thousand Dollars (\$300,000.00); and

WHEREAS, The Board of Commissioners of the County of Vanderburgh has recommended that appropriation be made for said purpose in said amount and that the bonds be issued in the amount of Three Hundred Thousand Dollars (\$300,000.00) for the purpose of procuring the necessary funds; and

WHEREAS, a petition has been filed under the provisions of Chapter 119 of the Acts of 1937, by fifty (50) or more owners of taxable real estate in the County of Vanderburgh requesting the issuance of bonds of the County of Vanderburgh to procure funds in an amount not to exceed Three Hundred Thousand Dollars (\$300,000.00) for the purpose of improving and expanding the facilities of Burdette Park by converting the existing swimming pool facility to a fresh water pool; renovating the park bath houses; constructing, improving and repairing cottages; installing fresh water line to supply swimming pool and general park requirements; dredging park lake of debris; and building new field bed and septic tanks to modernize sanitary facilities; and The Vanderburgh County Council now finds that said petition is in due form and sufficient in all respects; that said construction, repairs and improvements will be of benefit to the County of Vanderburgh and to its citizens and are urgently needed and that a necessity exists for an appropriation in the amount of Three Hundred Thousand Dollars (\$300,000.00) for that purpose; now, therefore,

BE IT ORDAINED BY THE VANDERBURGH COUNTY COUNCIL:

Section 1. That the County of Vanderburgh, by and through the Board of Commissioners, proceed with the projects hereinbefore referred to and in accordance with the resolution heretofore adopted by said Board and presented to The Vanderburgh County Council.

Section 2. For the purpose of providing funds with which to pay for said projects, including the incidental expenses necessary to be incurred in connection with said projects and the issuance of bonds on account thereof, the County shall make a loan in the amount of Three Hundred Thousand Dollars (\$300,000.00). In order to procure said loan the County Auditor of Vanderburgh County is hereby authorized and directed to have prepared and to issue and sell the negotiable direct obligation bonds of the County of Vanderburgh to be designated as "Burdette Park Bonds of 1961", in the amount of Three Hundred Thousand

Dollars (\$300,000.00), which bonds shall be issued in the denomination of One Thousand Dollars (\$1,000), shall be numbered from one (1) to three hundred (300) inclusive, shall be dated as of the first day of the month in which sold and shall bear interest at a rate not exceeding five per cent (5%) per annum (the exact rate to be determined by bidding) which interest shall be payable on July 1, 1962, and thereafter on January 1 and July 1 of each year, and shall be evidenced by coupons attached to said bond. Both bonds and interest coupons shall be payable at The Citizens National Bank of Evansville at Evansville, Indiana, in lawful money of the United States of America. Said bonds shall mature serially in the amounts and dates as follows:

\$10,000.00 on July 1, 1962, and \$10,000.00
each six months thereafter to and including
January 1, 1977.

Said bonds shall be signed in the name of the County of Vanderburgh by the County Commissioners of said County, attested by the County Auditor of Vanderburgh County who shall affix the seal of said County to each of said bonds. The interest coupons attached to said bonds shall be executed by placing thereon the facsimile signatures of the Commissioners of Vanderburgh County and the County Auditor of Vanderburgh County, and said officials, by the countersigning of said bonds, shall adopt as and for their own proper signature their facsimile signatures appearing on said coupons. Said bonds shall be issued in such form and manner as shall hereafter be fixed in accordance with the governing statutes by the Board of Commissioners and as shall not be inconsistent with the provisions of this ordinance.

Section 3. As soon as may be done after the adoption of this ordinance, the County Auditor shall give notice of the filing of the petition for the determination to issue bonds, as required by Section 64-313 and Section 64-1332, Burns Indiana Statutes 1933. Said notice shall be published once each week for two weeks in The Evansville Courier and The Evansville Press, newspapers published in and of general circulation of Vanderburgh County, and said notice shall also be posted in three public places in said County.

Section 4. Prior to the sale of said bonds the County Auditor shall cause to be published a notice of such sale once each week for two weeks in The Evansville Courier and The Evansville Press, newspapers published in and of general circulation in Vanderburgh County. Said notice shall also be published one time in one newspaper published in the City of Indianapolis, and may be published in another financial journal in the discretion of the said County Auditor. The date fixed for the sale shall not be earlier than seven (7) days after the last of said publications. Said bond sale notice shall state the time and place of sale, the purpose for which the bonds are being issued, the total amount thereof, the maximum rate of interest thereon, the time and place of payment, the terms and conditions on which bids will be received and the sale made, and such other information as the County Auditor shall deem necessary. The notice of said sale shall not, however, be published prior to the expiration of the period during which taxpayers

may file remonstrances or objecting petitions to the issuance of said bonds. In the event a remonstrance shall be filed by the owners of taxable real estate under the provisions of Section 64-313 Burns Indiana Statutes 1933, then the bond sale notice shall not be published unless and until The Vanderburgh County Council shall have determined that such remonstrance is insufficient. In the event an objecting petition or petitions are filed by taxpayers under the provisions of Section 64-1332 Burns Indiana Statutes 1933, then the bond sale notice shall not be published unless and until the State Board of Tax Commissioners shall issue its order approving the issuance of said bonds. In the event it shall be determined by the State Board of Tax Commissioners, or otherwise, that the whole amount of the bonds herein authorized shall not be issued, then the County Auditor shall be authorized to advertise and sell a lesser amount of bonds, and the bonds not issued and sold shall be the bonds of the patest maturity or maturities.

Section 5. All bids on said bonds shall be sealed and shall be presented to the County Auditor of Vanderburgh County at his office, and said County Auditor shall continue to receive bids offered until three o'clock P.M. on the day fixed in the bond sale notice, at which time he shall open and consider said bids in the County Commissioners Room of The Board of Commissioners of Vanderburgh County. Bidders for said bonds shall be required to name the rate of interest which the bonds are to bear, not exceeding five percent (5%) per annum, and such interest rate shall be in multiple of one-eighth ($1/8$) of one per cent (1%) and not more than one interest rate shall be named by each bidder. The County Auditor shall award the bonds to the highest and best qualified bidder. The highest and best bidder shall be the one who offers the lowest net interest costs to the County, computing the total interest on all of the bonds to their maturity and deducting therefrom the premium bid, if any. No bid for less than the par value of said bonds, including accrued interest at the rate named to the date of delivery shall be considered. The County Auditor shall have full right to reject any and all bids. In the event the County Auditor shall receive no satisfactory bid for said bonds at the time fixed in said notice, he shall be authorized to continue the sale from day to day for a period of thirty (30) days without readvertisement; provided, however, that if said sale is continued no bid shall be accepted which is lower than the highest bid received at the time fixed for such sale in the bond sale notice.

Prior to the sale of said bonds the County Commissioners shall be authorized to obtain for the County Auditor a legal opinion as to the validity of said bonds from competent bond counsel whose opinions are acceptable to bond purchasers generally, and the County Auditor is authorized to furnish such opinion to the purchaser of said bonds. The cost of said opinion shall be paid out of the proceeds of said bonds. The County Commissioners shall be further authorized to obtain competent legal counsel to handle the legal requirements for the

issuance of said bonds and the cost of said legal counsel shall be paid out of the proceeds of said bonds.

Section 6. The County Auditor and the County Attorney are hereby authorized and directed to have said bonds and coupons prepared, and the County Commissioners and the County Auditor are hereby authorized and directed to execute said bonds and the interest coupons to be attached thereto in the form and manner herein provided. After said bonds have been properly executed, the County Auditor shall deliver the same to the County Treasurer, and shall take his receipt therefor, and upon the consummation of the sale of said bonds, the County Auditor shall then certify to the County Treasurer the amount which the purchaser is to pay for the same; thereupon, said Treasurer shall be authorized to receive from the purchaser the amount so certified by the Auditor and to deliver the bonds to such purchaser.

Section 7. That the sum of Three Hundred Thousand Dollars (\$300,00.00) be appropriated out of the proceeds of said bonds for the use of the Board of Commissioners of the County of Vanderburgh in meeting the cost of improving and expanding the facilities of Burdette Park in Vanderburgh County by converting the existing swimming pool facility to a fresh water swimming pool; renovating the park bath houses, constructing, improving and repairing cottages; installing fresh water line to supply swimming pool and general park requirements; dredging park lake of debris; and building a new field bed and septic tank to modernize sanitary facilities, including the incidental expenses necessary to be incurred in connection with said project and the issuance of bonds of the County on account thereof.

Section 8. This ordinance shall be in full force and effect immediately upon its passage.

PASSED AND ADOPTED by the Vanderburgh County Council of the County of Vanderburgh, State of Indiana, on the 11th day of January, 1961.

The ordinance so adopted is as follows:

AN ORDINANCE AUTHORIZING AN APPROPRIATION AND THE ISSUANCE AND SALE OF BONDS OF VANDERBURGH COUNTY ON ACCOUNT OF THE CONSTRUCTION OF NEW BRIDGES OVER PIGEON CREEK AND LOCUST CREEK IN THE COUNTY OF VANDERBURGH

WHEREAS, a petition has been filed by the owners of taxable real estate in Vanderburgh County requesting the County Council to authorize the issuance of bonds of the County in an amount not exceeding the sum of Four Hundred Seventy-five Thousand Dollars (\$475,000.00) for the purpose of procuring funds to be applied on the cost of construction of new bridges over Pigeon Creek and Locust Creek in the County of Vanderburgh, and the Council has found said petition to be in due form of law and to comply in all respects to the requirements of Sec. 64-313 Burns Statutes 1933; and

WHEREAS, The Board of Commissioners of the County of Vanderburgh has filed with the Council an estimate and request showing that the cost of said project to the County, including the incidental expenses necessary to be incurred in connection therewith and the issuance of bonds on account thereof, will be in the approximate amount of Four Hundred Seventy-five Thousand Dollars (\$475,000.00), and that the County will be required to provide and appropriate said sum for said project; and

WHEREAS, the Council now finds that a necessity and emergency exist for the making of the additional appropriation and the issuance of bonds as requested by the Board of Commissioners in order that said bridges can be constructed and opened to traffic as soon as can be done; now therefore,

BE IT ORDAINED BY THE VANDERBURGH COUNTY COUNCIL:

Section 1. That The Board of Commissioners of the County of Vanderburgh is hereby authorized to make a loan for and on behalf of said County for the purpose of procuring funds to be applied on the cost of construction of new bridges over Pigeon Creek and Locust Creek in the County of Vanderburgh, which loan shall be in the amount of Four Hundred Seventy-five Thousand Dollars (\$475,000.00), and shall be evidenced by negotiable general obligation bonds of the County.

Section 2. Said bonds shall be the direct obligations of the County in the amount of Four Hundred Seventy-five Thousand Dollars (\$475,000.00), designated as "County Bridge Construction Bonds of 1961", and shall bear interest at a rate not exceeding five percent (5%) per annum (the exact rate to be determined by bidding). The first interest on the bonds shall be payable on July 1, 1962, and thereafter interest shall be payable semi-annually. Said bonds shall be issued in the denomination of One Thousand Dollars (\$1,000), and shall mature and be payable as follows:

\$15,000 on July 1, 1962, and \$15,000 each six (6) months thereafter, to and including July 1, 1977, and \$10,000 on January 1, 1978.

Said bonds shall be dated as of such time and shall be executed and issued in such form, and the terms of sale shall be such as shall hereafter be fixed in accordance with the governing statutes by the Board of Commissioners, but in no

event shall said bonds be sold for less than the par value thereof, including accrued interest to the date of delivery.

Section 3. Said bonds shall be issued in the name of The Board of Commissioners of the County of Vanderburgh and signed by the Commissioners of said County, and the seal of said Board of Commissioners shall be affixed to each of said bonds and attested by the signature of the Auditor. The interest coupons attached to said bonds shall bear the lithographed facsimile signatures of the Commissioners and of the Auditor.

Section 4. As soon as can be done after the adoption of this ordinance, the Auditor shall give notice to the taxpayers of the County of the filing of the petition requesting the issuance of said bonds and of the determination of the County to incur the debt and issue the bonds herein authorized. Said notice shall be published once each week for two weeks in The Evansville Courier and The Evansville Press, newspapers published in and of general circulation in Vanderburgh County, and shall be posted in three public places in the County, as provided by Sec. 64-313 and Sec. 64-1332 Burns Statutes 1933.

In the event a remonstrance against the issuance of said bonds shall be filed by owners of taxable real estate under the provisions of Sec. 64-313 Burns Statutes 1933, then no further steps shall be taken towards the issuance of said bonds until such remonstrance shall have been presented to the County Council, and said Council shall have determined the sufficiency of the same. In the event an objecting petition or petitions shall be filed with the Auditor by taxpayers under the provisions of Sec. 64-1332 Burns Statutes 1933, then no further steps towards the issuance of said bonds shall be taken unless and until the State Board of Tax Commissioners shall issue its order approving the issuance of said bonds.

Section 5. Prior to the sale of said bonds notice of such sale shall be given by the Auditor by publication once each week for two (2) weeks in The Evansville Courier and The Evansville Press, newspapers published in and of general circulation in Vanderburgh County, and one time in a newspaper published and of general circulation in the City of Indianapolis, the last of all of said publications to be at least seven (7) days prior to the date fixed for the sale of said bonds. Bidders for said bonds shall be required to name the rate of interest which the bonds shall bear, not exceeding the maximum rate herein fixed, in multiples of one-eighth ($1/8$) of one percent (1%), and not more than one interest rate shall be named by each bidder. Each bid shall be accompanied by a certified or cashier's check payable to the order of The Board of Commissioners of the County of Vanderburgh, in an amount equal to three percent (3%) of the face value of said bonds, as a guaranty of the performance of said bid, should the same be accepted. Said check shall be drawn on a bank or trust company which is insured by the Federal Deposit Insurance Corporation. Prior to the delivery of said bonds the Auditor shall procure the opinion of Ross, McCord, Ice & Miller, bond counsel of Indianapolis, Indiana, approving the legality of said bonds, and the bond sale notice shall state that such

opinion will be furnished to the successful bidder in order that the County may receive due credit in the bidding for the furnishing of said opinion. The cost of said opinion shall be paid out of the proceeds of said bonds. The County Commissioners shall be further authorized to obtain competent legal counsel to handle the legal requirements for the issuance of said bonds, and the cost of said legal counsel shall be paid out of the proceeds of said bonds.

Section 6. The sum of Four Hundred Seventy-five Thousand Dollars (\$475,000.00) out of the proceeds of said bonds is hereby appropriated for application on the cost of construction of new bridges over Pigeon Creek and Locust Creek in the County of Vanderburgh, including the incidental expenses necessary to be incurred in connection with said project and the issuance of bonds on account thereof.

Section 7, The Auditor shall certify to the State Board of Tax Commissioners, as required by Sec. 64-1332 Burns Statute 1933, a copy of this ordinance and the minutes relative to its consideration and adoption, together with such other showings as may be required by that Board to enable it to approve the appropriation herein made.

THIS INDENTURE Made and entered into at Evansville, Vanderburgh County, Indiana, by and between the EBANSVILLE, INDIANA WATERWORKS DEPARTMENT by its BOARD OF TRUSTEES, hereinafter called "Party of the First Part", and the BOARD OF COMMISSIONERS OF VANDERBURGH COUNTY, INDIANA, hereinafter called "Party of the Second Part",

WITNESSETH THAT:

WHEREAS, the Party of the Second Part, together with the County Park Board of Vanderburgh County, has determined to make improvements to Burdette Park and to construct new facilities therein, including an Olympic swimming pool; and

WHEREAS, as a part of such program of improvement and construction it is necessary that a water line of sufficient size and volume be extended from the water system of the City of Evansville which is under the control and jurisdiction of the Party of the First Part; and

WHEREAS, the Party of the First Part has estimated the cost of the construction of such water line to the property line of Burdette Park to approximate Forty Thousand Dollars (\$40,000.00); and

WHEREAS, the County Council of Vanderburgh County did, on the 11th day of January, 1961, adopt its ordinance titled as follows: "An ordinance of the County of Vanderburgh, State of Indiana, authorizing the Issuance and Sale of Bonds of said County for the Purpose of Providing Funds to be Applied to the Improvement and Expansion of the Facilities of Burdette Park and Appropriating the Proceeds Thereof"; and

WHEREAS, pursuant to said ordinance "Burdette Park Bonds of 1961" were authorized by the Party of the Second Part on March 13, 1961; and

WHEREAS, such authorization and appropriations were in accordance with Section 8 of Chapter 25 of the Acts of the General Assembly of the State of Indiana, 1951, as amended by Chapter 75 of the Acts of the General Assembly of the State of Indiana, 1961; and

WHEREAS, such bond issue and such appropriation included the funds for the construction of the water line, as hereinabove described, but, nevertheless, the Party of the Second Part has requested of the Party of the First Part, postponement of the time for payment for the construction of said water line; and

WHEREAS, the Party of the First Part is authorized by virtue of Rule 29 of the Public Service Commission of the State of Indiana to extend the payment for water line construction over a period of six (6) years by applying use charges thereto; and

WHEREAS, the operation and maintenance of a park and swimming pool facilities for recreation purposes is a proprietary function of Vanderburgh County, for which the Party of the Second Part is authorized by law to contract over an

extended period of years beyond the term of office of the present members of said Party of the Second Part,

NOW, THEREFORE, in consideration of the covenants and agreements of the parties, as hereinafter set forth, the parties do hereby undertake and agree as follows, to-wit:

1. The Party of the First Part agrees that it will, with reasonable speed and diligence, construct a water line to the property limits of Burdette Park at a point to be designated by the Party of the First Part; said line to be of sufficient size and capacity for the needs of said Park as represented by the Party of the Second Part, such line to be constructed along the route selected by the Party of the First Part and to include such pumps and lift stations as may, in the opinion of the Party of the First Part, be necessary for the purposes of said line; it being understood and agreed that the construction of said line will be accomplished with the employees of the Party of the First Part; that no outside contractor will be employed for such work and that the completion of said line may be delayed by unforeseeable Acts of God or the inability of the Party of the First Part to procure delivery of necessary materials or equipment. It is agreed that no liability shall attach to the Party of the First Part by virtue of any such delay in construction, despite the fact that such delay may cause monetary damage to the Party of the Second Part; and it is further understood and agreed that no liability shall attach to the Party of the First Part as the results of any failure of water service after the construction of said line, without regard to the cause of such failure and despite the fact that such failure may cause monetary damage to the First Party.

2. Party of the First Part represents that such water line will be constructed within the public right of ways, but that should it be necessary for easements to be procured across private property, such easements will be procured by the Party of the First Part, excepting that the Party of the First Part is hereby given and granted such easements as may be required by it for the construction of such said line over, along and across property which is owned by the County of Vanderburgh or over which the said County has an easement of right of way for highway purposes or for the purpose of constructing and maintaining utility lines, including sewer and water lines.

3. It is agreed that title to and ownership of the said water line shall be and remain in the First Party, both during construction and after completion of the same, despite the fact that such line or portions thereof may be paid in public right of way or on property owned by the County of Vanderburgh, or over which such County may have an easement for highway or other purposes; and it is further agreed that the Second Party shall have no control whatsoever over connections or attachments to the said water line between the point at which the same connects with the present water system of the First Part and the point on the property line of the Second Party, which is the terminus

of said line, and the Second Party shall receive no reimbursement or benefit from or by virtue of any such connections or the use charges which may result therefrom.

4. Party of the First Part agrees and undertakes to maintain the said water line after the date of its completion in the same manner as it maintains the remainder of the water system of the City of Evansville, but no liability shall attach to the Party of the First Part by reason of its maintenance of said line or its failure to maintain the same, despite the fact that monetary damage may result to the Second Party.

5. Party of the Second Part agrees that it has full and complete responsibility for making connection to the water line of the Party of the First Part at the meter pit and constructing such lines as may be necessary from that point on, and across the property of the Party of the Second Part and to the points of usage of the water supply.

6. Beginning at the date of completion of said line to the point on the property line of the Second Party, which is agreed upon and for a period of six (6) years thereafter, the Second Party agrees and undertakes to pay to the Party of the First Part, for water service to said Burdette Park, the sum of Six Thousand Five Hundred Dollars (\$6,500.00) per year, in twelve (12) equal installments, and, in addition thereto, to pay to the Party of the First Part the monthly water charge made by the Party of the First Part in accordance with the meter readings for water supplied to said Burdette Park, and on the basis of the applicable provisions of First Party's tariff from time to time authorized and approved by the Public Service Commission of the State of Indiana; said payments and each of them to be made on or before the 15th day of each month; and should the Second Party fail to make any such payment at or before the time herein stipulated, the First Party is hereby authorized to discontinue water service to said Burdette Park forthwith, and the Party of the First Part is hereby relieved of all liability or responsibility by reason of such discontinuance, despite the fact that monetary loss may result to the Party of the Second Part.

7. Since the performance of the obligations of the Second Party hereinunder involves the use of funds appropriated by the Vanderburgh County Council, the Second Party undertakes and agrees to secure the approval of this contract by the ordinance of said Council and to furnish a certified copy of said ordinance to the Party of the First Part.

IN WITNESS WHEREOF, the parties have hereunto set their hands and their official seals this 29th day of June, 1961.

ATTEST: .

(signed) Gilbert C. Schiff
County Auditor & Secretary County Council

The following resolution was presented to the County Council-

Whereas, Donald Thorp, the Superintendent of the Evansville-Vanderburgh Airport Authority District, has informed the County Council that a surplus of \$160,000.00 remained from the bond issue authorized by Ordinance #7 of the Evansville-Vanderburgh Airport Authority District after the contracts had been awarded for the certain improvements set forth in the Bond Ordinance authorizing said Bond Issue; And

Whereas, chapter 82, section 1, page 213 of the Indiana Acts of 1949 provides that whenever "a surplus remains from the proceeds of such bond sale, the legislative body of any such municipal corporation shall by an order entered of record direct the disbursing officer of such municipal corporation to transfer the unused balance or surplus to the bond and interest redemption or sinking fund of the municipal corporation, and upon such order being made the disbursing officer shall make such transfer. Thereafter such funds transferred shall be used for the payment of interest bearing indebtedness, except temporary loans, for which such municipal corporation is liable;" And

Whereas, in the opinion of the County Council of Vanderburgh County, Indiana, the transfer of \$71,222.75 from said surplus should be made to retire certain existing bonded indebtedness and interest; And

Whereas, in the opinion of the County Council of Vanderburgh County, such action would be in the best interest of the taxpayers of the County, inasmuch as it would reduce their tax rate;

Now, therefore, be it resolved, the County Council of Vanderburgh County hereby recommends that the Evansville-Vanderburgh Airport Authority District use \$71,222.75 of the remaining surplus in the Bond Improvement Fund for the purpose of retiring outstanding bonded indebtedness and interest.

Unanimously approved this 9th day of September, 1961.

THE VANDERBURGH COUNTY COUNCIL, STATE OF INDIANA

The Board being duly organized, at 10:00 A.M. proceeded with the viewing of the County Budgets.

It was the suggestion of the Chairman of the Board, with full agreement of all members present, that the budgets would be viewed as presented and if further explanations were required, office holders would be called in to make required explanations.

Subsequently budgets were scheduled to be viewed in same procedure as last year, with County of Vanderburgh budgets first, followed by City of Evansville, Trustees and then Evansville School Corporation.

Budgets of the Circuit Court Clerk, Auditor, Auditor's Mechanized Division, Treasurer, Recorder, Sheriff, County Board of Education, Surveyor, Coroner, Assessor, Center Township Assessor, German Township Assessor, Knight Township Assessor, Perry Township Assessor, Pigeon Township Assessor, Prosecutor, and Circuit Court, after which the Board recessed for noon lunch.

Monday, 12:55 P.M. Sept. 11, 1961

The meeting was called to order by the Chairman of the Board, with all members present. The oath of office was administered to Katherine D. Ortmeyer by Gilbert C. Schiff, Auditor of Vanderburgh County, Indiana.

The Board then continued with the hearing of: Superior Court, Probate Court, Juvenile Court, County Court House, County Jail, County Home, County Building Commissioner.

The County Auditor was requested, at this point, to get a legal opinion from the City and County, either in writing or in person regarding operation of the dog pounds, also regarding combining of the City and County Building Commissioner's offices.

The budget of Boehne Hospital was then viewed.

William H. Miller, County Attorney, appeared and his opinion was that the Board of Works had the executive powers to operate the dog pound and that it would not be illegal for the City-County Health to operate it.

The Department of Public Welfare budget was then viewed by the Board, and upon motion recessed until 9:00 A.M. Tuesday, September 12th, 1961.

Tuesday, Sept. 12, 1961, 9:00 A.M.

The meeting was called to order by Chairman John H. Wall, with one member absent, namely- William B. Dress.

The Township, Poor Relief and Fire Fighting budgets were presented by Trustees of Armstrong Township, Center Township, Knight Township, Perry Township, German Township and Pigeon Township.

At 11:00 A.M. Jerome Salm, City Attorney appeared to give his legal opinion as to whether or not Vanderburgh County could operate the Dog Pound in conjunction with the City of Evansville under the Health Board. It was the opinion of Mr. Salm that any department of the City, physically qualified, could perform services designated to it by City Council, and this function had been delegated to the Health Department, and since the City and County had operated a Dog Pound for forty years under the Board of Works, he deemed it much better to combine responsibilities under the Health Board. The Health Board is a City-County Board, also rabies control is the responsibility of this Board and with the services of physicians he thought this joint venture would be much better.

Q. Is there a legal block to prohibit this operation being put under the Health Department? (John H. Wall)

A. I see no reason at all. If they could operate jointly in the Board of Works they can much more legally operate with the Health Department. I can see no reason why they could not. (Jerome Salm, City Attorney)

Q. No.2 from William Dress directed to Mr. Salm. - We want to get your opinion as to joining up of our Building Commissioners offices of Vanderburgh County and the City of Evansville. It has been requested by this Board before but had died out. We might save tax money.

A. I suggested last year that legislation be submitted to make it possible to have one County-wide Building Commission. Public Safety is limited to city limits in City of Evansville. It would not be feasible to have one administration office and two enforcement offices. The office would be split between two Boards, one in the City and one in the County and would involve jurisdictional problems. Legislation should be enacted whereby the County could enforce the code. There is no necessity why we should not have an over-riding code that would be enforceable in both the City and County and adopted by both the County Council and the City Council.

The Scott Township Trustee then presented the Township and Poor Relief budget.

Union Township budget for Township Funds and Poor Relief was then presented.

Budget of the Library Board was then presented and viewed, after which the Board recessed for lunch.

Tuesday, 12:55 P. M.

The budget of Evansville-Vanderburgh Airport Authority was presented and viewed. An appeal was made to this Board to resolve restoration of funds deleted.

The budgets of Armstrong Assessor, Scott Township Assessor and Union Township Assessor were then viewed.

See budgets of the Coliseum, Election Board, Registration of Voters, Burdette Park. Burdette Park budget was then tabled temporarily.

The budget of the County Service Office for Veterans was then viewed.

Budgets for Reassessment for the following Townships were then viewed: County Assessor, Armstrong, Center, German, Knight, Perry, Pigeon, Scott and Union Townships.

These budgets were followed by Evansville-Vanderburgh Regional Plan Commission.

The budget of the Vanderburgh County Highway Department was then viewed.

Tuesday, 3:00 P.M. CITY OF EVANSVILLE

The budgets of the Mayor's office, City Judge, Common Council, City Clerk, Department of Finance, Department of Law, Board of Public Works and Safety, Weights and Measures, Smoke Abatement and Civil Defense were viewed, after which the Board recessed until 9:00 A.M. Wednesday.

Wednesday, 9:00 A.M. Sept. 13, 1961

The meeting was called to order by the Chairman of the Board with all members present with the exception of William B. Dress.

The budget of Burdette Park was viewed with the Chairman of Burdette Park Board present, giving requested explanations.

At this time Mayor McDonald appeared before the Board and offered his help and cooperation in going over City budgets if and when desired. Jewett Davidson inquired of the Mayor his opinion of having two Dog Pounds. The Mayor stated that he thought it would be ridiculous to have two Pounds. The County is welcome to use the City Dog Pound, which operation has been turned over to the Board of Health, which is a City-County unit of government. If the County wishes to supply two drivers and a truck they are welcome to do this. The only request is that they comply with the standards set up by the Health Department.

Katherine Ortmeyer then directed a question to the Mayor, asking if this operation was turned over to the Health Department for efficiency reasons and his answer was "absolutely". Under City-County Board of Health they have complete control over rabies, and have many other advantages. The only request is that everyone who works in this department comply with the Health Board under the direction of Dr. Brockmole.

Question directed to Dr. Brockmole by Katherine Ortmeyer- Do you feel the present number of employees is sufficient? Dr. Brockmole's reply- If the County furnishes two drivers it would be enough, though if not, then we would not have enough employees.

Mayor says- I sincerely hope that the Dog Pound operation will continue with City-County operation, and would encourage this Board to leave sufficient amount in budget to have County participate in this program.
