WEDNESDAY, JUNE 20th, 1962

The Vanderburgh County Council met again on Wednesday, June 20th, 1962, with all members present, and made the following recommendations:

"That Boehne Hospital should purchase as much food from Indiana Industries as possible.

That Boehne Hospital should use as much surplus food as possible in order to cut down on cost; furthermore, it was recommended that they check with the City and County Purchasing Agent to make sure that they get the lowest possible prices on everything they buy.

It is also recommended that a business manager be employed to handle the business end of Boehne Hospital. The County Council feels that Dr. Crimm has too much responsibility at the present time; furthermore, if Dr. Crimm should leave Boehne Hospital for one reason or another, it is the opinion of the County Council, that the Hospital would be left in a complete state of confusion."

The Council further requested the Auditor to advertise for a special meeting to be held July 10th, 1962 at 10:00 A.M. at the usual place. Invited to the meeting of the 10th are the following: Trustees, Public Welfare Director, Dr. Crimm, Boehne Hospital Board and the County Attorneys, along with the committee studying feasibility of the County Hospital.

The purpose of the meeting is to discuss the possibility of a County Hospital, because of the high cost of medical care in private hospitals.

On motion made, seconded and carried, meeting adjourned.

MINUTES OF THE MEETING OF THE COUNTY BOARD OF
TAX ADJUSTMENT OF VANDERBURGH COUNTY, INDIANA.

The Vanderburgh County Board of Tax Adjustment met in the office of the Vanderburgh County Auditor of Vanderburgh County, Indiana, at 9:00 A. M. on Monday, September 10th, 1962. There were present:

Jewett Davidson	Representative of the City of Evansville, Indiana
David Powless	Representative of the County Council of Vanderburgh County
Roger Becker	Appointee of the Judge of the Circuit Court of Vanderburgh County.
Laverne Herrman	Appointee of the Judge of the Circuit Court of Vanderburgh County.
Ira Van Tuyl	Representative of the Evansville- Vanderburgh School Corporation
Milton Horn	Appointee of the Judge of the Superior Court of Vanderburgh County.
Robert Kinderman	Appointee of the Judge of the Superior Court of Vanderburgh County.

All of the above are duly selected members of said County Board of Tax Adjustment for the County of Vanderburgh, State of Indiana.

Said meeting was called to order by Gilbert C. Schiff, Auditor of Vanderburgh County and said Gilbert C. Schiff administered the oath of office to each member of the Board present.

On motion made by Milton Horn, seconded by Jewett Davidson, Roger Becker was nominated to serve as Chairman of the Board. There being no further nominations, Roger Becker was made Chairman acclamation.

On motion made by Milton Horn, seconded by Ira Van Tuyl, Robert Kinderman was nominated for Vice-Chairman. No further nominations were made and Robert Kinderman was acclaimed Vice-Chairman.

The Auditor then declared Roger Beck Chairman of the Board and Robert Kinderman Vice-Chairman, and they assumed their offices.

The Board recessed and reconvened immediately in the office of the Clerk of the Circuit Court.

It was decided by the Board, by general consent, that all meetings would be in the mornings from 9:00 to 12:00, and in the afternoons from 1:30 P.M. to 4:00 P.M., unless circumstances developed to make it advisable to make adjustments.

Gilbert C. Schiff, Auditor, then laid before the said Board the Budgets, Tax Levies and the Tax Rates for the ensuing year, as certified by the proper Officers or Bodies of the following Corporations:

Vanderburgh County Welfare Department
Boehne Hospital
County Highway Department
Evansville-Vanderburgh School Corporation
Library Board of Evansville and Vanderburgh County
City of Evansville
Evansville-Vanderburgh Regional Plan Commission
Evansville-Vanderburgh Airport Authority
Evansville-Vanderburgh Levee Authority
Vanderburgh County

The Board being duly organized, at 10:00 A.M. proceeded with the viewing of the budget of the Clerk of the Circuit Court.

Following the viewing of the budget of the Circuit Court Clerk, Robert Kinderman made the motion that all action on the budgets be withheld until after all budgets were viewed. This motion was seconded by David Powless, and when put to a vote was unanimously passed.

Chairman Becker asked at this point, if any person on the Board knew of any necessity to call on the State Tax Board of Commissioners, or should try to get legal council before proceeding. He said he had in mind the legal conflict of the Evansville-Vanderburgh School Corporation and some of the Township Trustees. It was decided by mutual consent to request the attorney for the School Corporation and the Vanderburgh County Attorney to come before the Board for their opinions, and they should be entitled to a few hours notice.

The Board then proceeded with the viewing of the budgets of the Auditor and the Auditor's Mechanized Accounting Department, followed by the budgets of the Treasurer, Recorder, Sheriff, Surveyor and County Board of Education, after which the Board recessed until 1:30 P.M.

Monday, 1:30 P.M. September 10, 1962

The meeting was called to order by Chairman Becker with all members present.

The Board then proceeded with the viewing of the budgets of the Coroner, County Assessor, Center Township Assessor, and the Assessors of Knight, Perry and Pigeon Townships, followed by the Prosecutor, Circuit Court, Superior Court, Probate Court, Juvenile Court, County Court House, Jail and County Home.

Jewett Davidson made the motion that Al Breedlove, Superintendent of the County Home appear before the Board at 9:00 A.M. Tuesday. The motion was voted on and passed unanimously, after being seconded by David Powless.

The Board then viewed the budgets of the Agricultural Agent, the Building Commissioner and County Commissioners.

During the viewing of the Commissioners' budget, Joseph Hatfield, Attorney for the Evansville-Vanderburgh School Corporation appeared before the Board. He was recognized by the Chairman, who stated to him that they recognized a conflict between the School System and the Board would like to have an opinion as to where they stood before acting on these budgets as this School situation was a very delicate situation.

Mr. Hatfield said as he viewed it, the State Board of Accounts had recognized the Evansville-Vanderburgh School Corporation, that the people voted on this question and it passed 3 to 1. The Statute provides that a protest be filed within 30 days, which was not done. He stated that as he saw it, there were only two people objecting and they were the two Township Trustees. There was a representative here at the time of transition and instructions were given to properly turn over jurisdiction to the Evansville-Vanderburgh School Corporation. There is a new School Corporation and it should be recognized. An emergency appropriation beginning in September has gone through and all legal decisions up to date have been in favor of the School Corporation. It seems it is a matter of a few people just saying, "I won't do it." I am basing my opinion on the above statements and am going along with the Evansville-Vanderburgh School Corporation.

Viewing of the County Commissioners' budget was continued.

At this time J. William Davidson appeared before the Board. The Chairman stated to him that there appeared conflict in the School System and the Trustees had dumped this in the lap of the Board. The Board does not wish to be embarrassed and would appreciate any words that could help in resolving their decisions and actions.

Mr. Davidson stated his observations would be that the Board should approach this from a fiscal instead of a legal solution. You have two budgets before you and your provision is to determine what they are asking for. In that light it would be my suggestion that you go ahead and pass on them as they are brought before you. You may have duplicates. You simply pass on what you have before you. If you attempt to make a choice, I would go Evansville-Vanderburgh School Corporation, however; I say this with reservation, as this question had not been settled. If you go School Corporation, I would say it is the proper thing and I think the legal thing to do. However, suppose you knock out the Townships, and they are ultimately proven right; they would have to mandate.

A motion was made by Robert Kinderman, seconded by Mrs. Horn, that Mr. Davidson give the Board a written opinion. (Mr. Davidson has done this and a copy given to each Board member with the original attached to these minutes.)

September 11, 1962

"Vanderburgh County Board of Tax Adjustment
Court House
Evansville, Indiana

Attention: Mr. Roger Becker, Chairman

Gentlemen:

On Monday, September 10, 1962, you submitted to me the question as to just what your Board could do if you were faced with duplications in budget requests for school funds by the Evansville-Vanderburgh School Corporation on one hand and from Vanderburgh County Townships on the other hand. You indicated at that time that you were certain that you would be confronted with a review of the budget of the Evansville-Vanderburgh School Corporation, which budget would include school funds for the operation of schools in Union and Armstrong Townships, and that you anticipated you would then, also, be confronted with a review of the budgets of these two Townships of Union and Armstrong for funds to operate a school on those two Townships.

Under Section 5, Chapter 119 of the Acts of 1937, as amended, it is the duty of your Board to "examine, revise, change or reduce, but not increase, any budget, tax levy, or rate, and to hold such budget within the total of the amount of revenue to be raised therefor from any source whatsoever, to reduce such budget in accordance therewith." Your Board "shall make such revision, change or reduction only in respect to the total amounts budgeted for each office held within each of the budgeted classifications as prescribed by the State Board of Accounts", and "shall not revise, change or reduce the detailed items included in such budgeted classifications."

Normally the problems confronting your Board are fiscal rather than legal, and yours is not a judicial body set up for the purpose of determining legal questions. For practical purposes you are faced with the problem; nevertheless, with taking the best course possible to arrive at a just and equitable tax rate for the citizens of this community. I believe that you could, if you so desire, simply refuse to make any reduction in either of these taxing units in respect to school funds. This, however, would result in duplication, adversely affecting the tax rate per \$100 of taxables.

After due consideration, it is my opinion that the wisest course for your Board to follow, would be to reduce the township budgets by the amount requested for school purposes. This opinion is given with the reservation, of course, that there is pending litigation involving this very question which may ultimately be decided in our Courts of Appeal. However, I believe that you would be fully within your legal rights to reduce the township budgets in this respect for several reasons. There was an overwhelming vote in favor of school consolidation at the time of the May Primary. Both before and since the time of taking this vote, all legal steps have been taken to effect the community school system now known as Evansville-Vanderburgh School Corporation in answer to this mandate by the voters. Further, there has been no direct attack upon the legality of the community school system. The purpose of the enabling act of 1959 was to achieve greater equity in school tax rates among the inhabitants of the various then existing school corporations. In the litigation that is pending, all of the decisions to date have been to the effect of upholding the reorganization of the community school system known as Evansville-Vanderburgh School Corporation."

Respectfully submitted,

J. William Davidson (signed)
County Attorney

In view of this he felt there were other offices that could be cut and save from nine to fifteen thousand dollars.

The Chairman asked him to be more specific. Mr. Niethammer mentioned three larger offices where he felt this saving could be made and the inconsistency could be straightened out, namely: Circuit Court Clerk, Auditor and Sheriff's offices.

At this time, Jerome Salm, Attorney-at-Law, appeared before the Board (by request) to give some legal opinion as to combining the County Building Commission and the City Building Inspection and Commission.

Mr. Salm stated that he thought these two offices should be combined, but that it should be done in the Legislature, and could be done in the coming January. He stated that a new City Code is being drawn up now for adoption. He thinks both Departments should be put under a unified Code that would set up one enforcement body. As it is now, there would have to be two enforcement bodies under two different codes. I would suggest deleting that part of the statute that applies only to Vanderburgh County. He thinks the County Commissioners and the City Councilmen could get this straightened out.

J. William Davidson appeared before the Board, as requested. He stated that working balances were something that had grown up with customary usage. He was asked to give a written opinion, which appears below in quotation:

"I have been unable to find any statute authority for working balances, but that they have grown up as a result of custom and usage with the approbation of the State Board of Accounts and the State Board of Tax Commissioners. It is my opinion that the working balance, in effect, can be reduced in this manner: That yhe Board can reduce the levy and rate by a sum sufficient to meet whatever amount in dollars the Board desires to remove from the working balance. In other words, if you have in mind removing from the working balance an amount of money that one cent would equal in the tax levy and rate you would simply reduce the tax levy and rate by that one cent. You would apply the desired reduction to its penny equivalent in the tax levy and rate."

PETITION OF APPEAL
OF THE BOARD OF COMMISSIONERS
OF THE COUNTY OF VANDERBURGH

The Board of Commissioners of the County of Vanderburgh, pursuant to a unanimous vote of the members of said Board present at a meeting of said Board duly held on the 3rd day of October, 1962, respectfully appeals to the State Board of Tax Commissioners of Indiana from an action heretofore taken by the Tax Adjustment Board of Vanderburgh County, with respect to the tax levy for 1962, for taxes payable in 1963, heretofore duly established by the Vanderburgh County Council for this petitioning Board, including the County Auditor, Center Township Assessor, County Court House and County Home, and for its appeal says:

1. That on the 6th day of August, 1962, your petitioner, in pursuance of the statutes of Indiana having to do with such matters, duly adopted its budget for the fiscal year for the petitioning Board, including the County Auditor, Center Township Assessor, County Court House and County Home, beginning January 1, 1963, and ending December 31, 1963; and on the 7th day of September, 1962, the Vanderburgh County Council finally adopted the budget for this petitioning Board, and for and including the County Auditor, Center Township Assessor, County Court House and County Home, and on said date also fixed the tax levy and rate to be made by it for the year 1962, for taxes payable in 1963, to raise revenues to defray the expenditures provided for in said budget.

2. That on the 7th day of September, 1962, the Vanderburgh County Council filex a statement of its said tax levy for 1962, for taxes payable in 1963, with the Auditor of Vanderburgh County, Indiana, and filed also with said Auditor, copies of the said budget of the Board of Commissioners of the County of Vanderburgh, including the County Auditor, Center Township Assessor, County Court House and County Home, upon which said tax levy is based. Said Auditor thereafter duly laid said budget and tax levy and rate before the Tax Adjustment Board of Vanderburgh County, which Tax Adjustment Board proceeded to consider and act upon such budget and levy. The tax levy so fixed by the Vanderburgh County Council for this petitioning Board, including the County Auditor, Center Township Assessor, County Court House and County Home, was in the amount of sixty-six and ninety hundredths

cents (.6690) on each one hundred dollars (\$100.00) of taxable property in said County of Vanderburgh. Said Tax Adjustment Board of Vanderburgh County reduced said total tax levy and rate so established for this petitioning Board, including the County Auditor, Center Township Assessor, County Court House and County Home, to the sum of sixty-two and forty-three hundredths cents (.6243) on each one hundred dollars (\$100.00) of such taxable property, that being a reduction of four and forty-seven hundredths cents (.0447) in the levy on each one hundred dollars (\$100.00) of taxable property.

3. Your petitioner says that if said reduction made by said Tax Adjustment Board of Vanderburgh County in the tax levy and rate fixed by the Vanderburgh County Council for this petitioning Board, including the County Auditor, Center Township Assessor, County Court House and County Home, is permitted to stand, such reduction will result in the production of less revenue than the minimum amount which, when added to other funds and revenue available or to become available to your petitioning Board, including the County Auditor, Center Township Assessor, County Court House and County Home, is necessary to conduct and carry on the work committed to your petitioning Board, including the County Auditor, Center Township Assessor, County Court House and County Home, by law and which it is the public duty of this petitioning Board, including the County Auditor, Center Township Assessor, County Court House and County Home, to carry out in conformance with the best interests of the County of Vanderburgh and the citizens and residents thereof; and that said reduction will jeopardize and materially curtail the proper performance by this petitioning Board, including the County Auditor, Center Township Assessor, County Court House and County Home, of the public duties committed to it.

4. Your petitioner objects specifically to the cuts in the various items of the budget as suggested by the Tax Adjustment Board as follows:

<u>COUNTY COMMISSIONERS</u>		
<u>PROPERTIES</u>		
602A	Equipment	\$ 3,350.00
<u>COUNTY AUDITOR</u>		
<u>SERVICES PERSONAL</u>		
102	Salary of Welfare and Payroll Assistant	3,300.00

<u>ALL OTHER OPERATING EXPENSE</u>		
213	Other Operating Expense	500.00

COUNTY HOMESERVICES PERSONAL

107 Wages of Other Employees	\$2,248.00
------------------------------	------------

and your petitioner further petitions a restoration of each of said suggested cuts insofar as an increase of said total tax levy and rate on each one hundred dollars (\$100.00) of taxable property by the sum of seventy-five hundredths of a cent (.0075) over the amount thereof as fixed by the Tax Adjustment Board of Vanderburgh County will permit; and further represents to the State Board of Tax Commissioners of Indiana that there exists in Vanderburgh County and among the citizens thereof, a compelling necessity for the performances of the services by this petitioning Board, including the County Auditor, Center Township Assessor, County Court House and County Home, represented by the items hereinabove mentioned which were cut out of or deleted from said budget.

WHEREFORE, The Board of Commissioners of the County of Vanderburgh appeals said action of the Tax Adjustment Board of Vanderburgh County in so reducing the tax levy and rate for 1962, for taxes payable in 1963, of said County of Vanderburgh, and respectfully petitions the State Board of Tax Commissioners of Indiana to increase said total tax levy and rate on each one hundred dollars (\$100.00) of taxable property by the sum of seventy-five hundredths of a cent (.0075) over the amount thereof as fixed by the Tax Adjustment Board of Vanderburgh County, namely, by increasing said total tax levy and rate from sixty-two and forty-three hundredths cents (.6243) on each one hundred dollars (\$100.00) of taxable property within the County of Vanderburgh, that being the total rate fixed by the Tax Adjustment Board of Vanderburgh County, to the rate of sixty-three and eighteen hundredths cents (.6318) on each one hundred dollars (\$100.00) of such taxable property within the County of Vanderburgh.

Vanderburgh County Council

Vice-President Paul Ahrens presided over the meeting, and the Council thereupon discussed each request for restoration.

The Council denied request to restore \$7454.00 cut from the budget of the County Board of Education. The Council also denied request for restoration of \$2000.00 among the various items reduced from the budget of the Vanderburgh County Home.

All other items under consideration are included in the following resolution authorizing the taking of an appeal from the action of the Tax Adjustment Board:

RESOLUTION AUTHORIZING THE TAKING OF AN APPEAL
FROM THE ACTION OF THE TAX ADJUSTMENT BOARD OF
VANDERBURGH COUNTY WITH RESPECT TO THE TAX LEVY
AND RATE OF THE COUNTY OF VANDERBURGH.

WHEREAS, the Tax Adjustment Board of Vanderburgh County, has reduced the total 1962 tax levy, for taxes collectible in 1963, duly established by the Vanderburgh County Council for the Board of Commissioners of the County of Vanderburgh, including the County Auditor, Center Township Assessor, County Court House and County Home, from the rate of sixty-six and ninety hundredths cents (.6690) on each one hundred dollars (\$100.00) of taxable property within the County of Vanderburgh, that being the total rate heretofore established by the Vanderburgh County Council for said Board, County Auditor, Center Township Assessor, County Court House and County Home, to sixty-two and forty-three hundredths cents (.6243) on each one hundred dollars (\$100.00) of such taxable property; and

WHEREAS, the Vanderburgh County Council is of the opinion that said reduction in its Tax levy and rate for 1962, collectible in 1963, will, if permitted to stand, result in the production of less revenue than the minimum amount which is necessary to conduct and carry on the work committed to the Board of Commissioners of the County of Vanderburgh, County Auditor, Center Township Assessor, County Court House and County Home by law and which it is the public duty of said Board, County Auditor, Center Township Assessor, County Court House and County Home to carry out in conformance with the best interests of the County of Vanderburgh and the residents and citizens thereof and that said reduction will jeopardize and materially curtail the proper performance by said Board, County Auditor, Center Township Assessor, County Court House and County Home of the public duties committed to said Board, County Auditor, Center Township Assessor, County Court House and County Home.

THEREFORE, IT IS RESOLVED by the Vanderburgh County Council that an appeal be taken by the Board of Commissioners of the County of the County of Vanderburgh, a municipal corporation, to the State Board of Tax Commissioners of Indiana from the action of the Tax Adjustment Board of Vanderburgh County in reducing the total 1962 tax levy and rate of the Board of Commissioners of the County of Vanderburgh, including the County Auditor, Center Township Assessor, County Court House and County Home, for taxes payable in 1963, petitioning and asking in said appeal that said State Board of Tax Commissioners increase said total tax levy and rate on each one hundred dollars (\$100.00) of taxable property by the sum of seventy-five hundredths of a cent (.0075) over the amount thereof as fixed by the Tax Adjustment Board of Vanderburgh County, namely, by increasing said total tax levy and rate from sixty-two and forty-three hundredths cents (.6243) on each one hundred dollars (\$100.00) of taxable property within the County of Vanderburgh, that being the rate fixed by the Tax Adjustment Board of Vanderburgh County, to the rate of sixty-three and eighteen hundredths cents (.6318) on each one hundred dollars (\$100.00) of such taxable property within the County of Vanderburgh.

IT IS FURTHER RESOLVED by the Vanderburgh County Council that the President of the Board of Commissioners of the County of Vanderburgh, he being the highest executive officer thereof, and the President of the Vanderburgh County Council, he being the presiding officer of the Legislative body of the County of Vanderburgh, be and they are hereby authorized and directed to sign said petition of appeal and to cause the same to be filed with the State Board of Tax Commissioners of Indiana within the time prescribed by law for the filing of such appeals.

The following is a letter written to the State Board of Tax Commissioners by Roger K. Becker, member of the County Board of Tax Adjustment:

"Mr. Richard L. Worley, Chairman
Indiana State Board of Tax Commissioners
Indiana State Office Building
Indianapolis, Indiana

Dear Mr. Worley:

Confirming our telephone conversation of to-day the following clarification should be made in the minutes of the meeting of the County Board of Tax Adjustment of Vanderburgh County, Indiana.

Please refer to Page 5, the third paragraph under the heading "Monday 9:00 A.M. September 17, 1962." This paragraph should properly state as follows:

"The Chairman called attention to that portion of the statute setting forth the duties of this Tax Adjustment Board, and setting forth that this Board shall make revisions, changes, or reductions only in respect to the total amounts budgeted for each office held within each of the budgeted classifications as prescribed by the State Board of Accounts, and that this Board shall not revise, change, or reduce the detailed items included in such budgeted classifications; and that in consideration of this statute that the chair would entertain motions made on total department budgets, or major account classes, and that amending motions to reduce specific accounts would be accepted for the purpose of the determination of a final amount of the motion as amended, with the understanding that action on specific accounts shall be deemed as the Board's recommendations."

The original wording of this paragraph, while not incorrect, is subject to misinterpretation.

Please refer to the paragraph under the heading "Action of the Board" which appears on the same page.

The original motion is stated correctly. The motions to amend were stated correctly. The following paragraph should read as follows:

"The Chairman stated that voting on amendments would be done in accordance with paragraph 33 of Robert's Rules of Order, Revised, and would follow account sequence; and in each account beginning with the largest amount, for the purpose of filling blanks and determining the final amended amount of the original motion."

The paragraphs which follow would be more properly expressed as follows:

"Vote was called for on 102 Accounts, beginning with the largest amount of \$55,100. This amount was carried: Yes 4, No 3."

"Vote was called for on 211 Account. The question was put on the largest amount of \$6,000, and lost: Yes 3, No 4. Vote was called for on alternate amount of \$5,000, and passed: Yes 6, No 4."

"Vote was called for on 402 Account. The question was put on the largest amount of \$4,000, and lost: Yes 3, No 4. Vote was called for on alternate amount of \$5,000, and passed: Yes 6, No 4."

"Vote was called for on 402 Account. The question was put on the largest amount of \$4,000, and lost: Yes 3, No 4. Vote was called for on alternate amount of \$3,500, and passed: Yes 5, No 1, Abstaining 1."

"Vote was called for on 602 Account. The question was put on the largest amount of \$400, and lost: Yes 1, No 6. Vote was called for on 602 Account for the amended amount of \$270, and carried: Yes 6, No 1."

The first paragraph on Page 6 should read as follows:

"A vote was called for on the motion, as amended to \$78,920, with the recommendation that changes in

Letter to State Board of Tax Commissioners- Cont'd-

individual accounts be as outlined in the amendments.
This motion was passed: Yes 7, No 0."

Action on all other amendments and motions as they appear on the following pages of the minutes followed the same procedure.

An examination of the minutes indicates that the following corrections should be made:

There is a duplication of typing between the bottom of Page 7 and the top of Page 8, involving the budget of the County Board of Education. The amounts and actions are stated correctly, but the duplication is a typing error.

Page 11. In typing the minutes, the action taken upon the amendments to Account 205A of the budget of the County Commissioners is omitted. The vote upon the higher amount \$60,000 was defeated. The vote upon the amended amount \$45,000, was passed unanimously. This action is included in the total amount of \$484,620, and the minutes correctly state that the motion was passed in this amount.

Page 21, budget of Street Lighting Department. The minutes correctly state the budget of Street Lighting was approved as presented; however, the amount of the budget as presented should read \$200,000. the correct amount was used in subsequent calculations,

As these corrections and clarifications do not affect budget totals or tax rates, it is suggested that this letter be merely attached to the original minutes.

Very truly yours,

Roger K. Becker (signed)"

"WHEREAS, the question of establishing a County Civic Auditorium has been taken before the citizens of this community and presented to them by The Board of Commissioners of the County of Vanderburgh and many other interested parsons, and there appears as a result thereof, to be an overwhelming sentiment among our citizens in favor of the establishment at this time of a County Civic Auditorium; and

Various office holders appeared before the Council to explain their requests for additional funds.

The Council now finds that the matters and things set forth in said finding and request of said Board of Commissioners for the making of said additional appropriations, transfer of funds and appropriation thereof in accordance with law.

The Deputy Auditor then presented and read to the Council a form of ordinance for the making of said additional appropriations, transfer of funds and appropriation thereof, as presented by said Board of Commissioners, which form of ordinance was prepared and approved by the County Attorney of Vanderburgh County, Indiana, entitled as follows:

"AN ORDINANCE AUTHORIZING THE MAKING OF ADDITIONAL APPROPRIATION OF FUNDS, TRANSFER OF FUNDS AND APPROPRIATION THEREOF REQUESTED BY THE BOARD OF COMMISSIONERS OF VANDERBURGH COUNTY, INDIANA."

On motion duly made, seconded and unanimously passed, this ordinance was read and passed to second reading.

Comes now Gresham Grim, County Sheriff, and announces that Roy Arensman has resigned from the Merit Board, and asks the Council to recommend another Republican appointment. This matter was postponed until the third day of the Council meeting.

Thereupon the Deputy Auditor presented the following letter from William G. Greif-

"Mr. Oscar Wentzel
 President, County Council
 Vanderburgh County, Indiana

Dear Mr. Wentzel:

This is to notify you that the appointment of Frank G. Lutz, Sr. to the Board of Trustees of the Evansville-Vanderburgh County Building Authority expired July 16, 1963. I suggest that the County Council either re-appoint Mr. Lutz or appoint a successor at the earliest opportunity. According to law, Mr. Lutz will hold office until he is either re-appointed or replaced.

Very truly yours,

(signed) William G. Greif, Attorney
 Evansville-Vanderburgh County
 Building Authority"

Action on appointment was postponed.

The Council was informed of the following Court order:

STATE OF INDIANA }
COUNTY OF VANDERBURGH } SS:

IN THE VANDERBURGH CIRCUIT COURT
JUNE TERM, 1963

IN RE: VANDERBURGH CIRCUIT COURT APPROPRIATIONS

ORDER

The Court after being duly advised in the premises finds that heretofore and for many years past, the Judge of the Vanderburgh Circuit Court has appointed 3 special bailiffs to assist in conducting the business of the Court, in maintaining order, guarding prisoners and serving papers and documents for the Court and that the Court has heretofore set the per diem of each bailiff at \$4770.00 for each year, the Vanderburgh Circuit Court being in continuous session. That prior to the regular annual meeting of the Vanderburgh County Council held in September of 1962, a request was submitted to said Vanderburgh County Council for the sum of \$14,310.00 for the payment of the per diem of said 3 special bailiffs for the year 1963 and that said sum was approved by the Vanderburgh County Council. That thereafter the Vanderburgh County Tax Adjustment Board reduced said sum of \$14,310.00 by \$4770.00 and said appropriation for the payment of said bailiffs was reduced to \$9540.00. Thereafter the Court deeming it necessary for the proper operation of the Vanderburgh Circuit Court and for the due administration of justice retained said 3 special bailiffs at their regular per diem. That the sum of \$9540.00 which was appropriated for the payment of said bailiffs will be exhausted on or about the first of September, 1963. Prior to a special meeting of the Vanderburgh County Council which was held beginning on the 12th day of July, 1963, the sum of \$4770.00 was requested as a special appropriation for the payment of said Bailiffs from September 1, 1963, through December 31, 1963. That the Vanderburgh County Council wrongfully refused to appropriate any of said sum. That prior to the said July 12th, 1963 meeting of the Vanderburgh County Council, the Court requested an emergency appropriation of \$3000.00 as per diem for petit jurors. Said Vanderburgh County Council wrongfully refused to appropriate said sum and appropriated only \$1500.00. The Court further requested of said Vanderburgh County Council the sum of \$2000.00 as pauper expense for appeals to the Supreme Court of the State of Indiana and the Vanderburgh County Council wrongfully refused to appropriate said sum and appropriated only \$200.00. The Court requested the sum of \$150.00 for meals for jurors and only \$100.00 was appropriated by said Vanderburgh County Council.

The Court further finds that there are 27 cases set for trial by jury between September 1, 1963 and December 31, 1963, and that in addition there are many cases pending before the Court.

The Court further finds that all sums requested at the special meeting of the Vanderburgh County Council which was held beginning July 12, 1963, were and are essential for the proper operation of the Vanderburgh Circuit Court and for the due adminis-

tration of justice in the civil and criminal cases that are pending before the Vanderburgh Circuit Court and that an emergency exists for the immediate appropriation of said sums. The Court further finds that the refusal of the Vanderburgh County Council to appropriate the sums requested at the special meeting held on July 12, 1963, was wrongful and amounts to an interference with the proper administration of justice by the Vanderburgh Circuit Court.

NOW THEREFORE IT IS CONSIDERED, ORDERED AND ADJUDGED by the Court that the Vanderburgh County Council and Paul E. Ahrens, Byron Hubbard, Otto F. Niethammer, Henry W. Cooper, Robert Lutz, Clement E. Pirkle and Oscar F. Wentzel as members of the Vanderburgh County Council be and are hereby ordered to appropriate at a special meeting of the Vanderburgh County Council which is to commence on the 27th day of August, 1963, the sums as follows:

- Item 11-104 - Per diem of Petit Jurors - \$1500.00
- Item 11-108 - Per diem of Vailiffs - \$4770.00
- Item 11-114 - Pauper Expenses - \$1800.00
- Item 11-405 - Meals for jurors - \$ 50.00

RESOLUTION AUTHORIZING THE TAKING OF AN
APPEAL FROM THE ACTION OF THE TAX ADJUST-
MENT BOARD OF VANDERBURGH COUNTY WITH RE-
SPECT TO THE TAX LEVY AND RATE OF THE
COUNTY OF VANDERBURGH.

WHEREAS, the Tax Adjustment Board of Vanderburgh County has reduced the total 1963 tax levy, for taxes collectible in 1964, duly established by the Vanderburgh County Council for the Board of Commissioners of the County of Vanderburgh, including the County Clerk, County Auditor, County Auditor-Mechanized, County Treasurer, County Assessor, County Prosecutor, Building Commissioner and the County Commissioners, from the rate of sixty-eight and two tenth cents (.682) on each one hundred (\$100.00) of taxable property within the County of Vanderburgh, that being the total rate heretofore established by The Vanderburgh County Council for said Board, County Clerk, County Auditor, County Auditor-Mechanized, County Treasurer, County Assessor, County Prosecutor, Building Commissioner and the County Commissioners, to sixty-seven cents (.67) on each one hundred (\$100.00) dollars of such taxable property; and

WHEREAS, The Vanderburgh County Council is of the opinion that said reduction in its tax levy and rate for 1963, collectible in 1964, will, if permitted to stand, result in the production of less revenue than the minimum amount which is necessary to conduct and carry on the work committed to The Board of Commissioners of the County of Vanderburgh, County Clerk, County Auditor, County Auditor-Mechanized, County Treasurer, County Assessor, County Prosecutor, Building Commissioner and the County Commissioners, to carry out in conformance with the best interests of the County of Vanderburgh and the residents and citizens thereof and that said reduction will jeopardize and materially curtail the proper performance of said Board, County Clerk, County Auditor, County Auditor-Mechanized, County Treasurer, County Assessor, County Prosecutor, Building Commissioner and County Commissioners, of the public duties committed to said Board, County Clerk, County Auditor, County Auditor-Mechanized, County Treasurer, County Assessor, County Prosecutor, Building Commissioner and County Commissioners.

RESOLUTION- Cont'd

THEREFORE, IT IS RESOLCED by The Vanderburgh County Council that an appeal be taken by The Board of Commissioners of the County of Vanderburgh, a municipal corporation, to the State Board of Tax Commissioners of Indiana from the action of the Tax Adjustment Board of Vanderburgh County in reducing the total 1963 tax levy and rate of The Board of Commissioners of the County of Vanderburgh, including the County Clerk, County Auditor, County Auditor-Mechanized, County Treasurer, County Assessor, County Prosecutor, Building Commissioner and County Commissioners, for taxes payable in 1964, petitioning and asking in said appeal that said State Board of Tax Commissioners increase said total tax levy and rate on each one hundred dollars (\$100.00) of taxable property by the sum of eighty-four hundredths of a cent (.0084) over the amount thereof as fixed by the Tax Adjustment Board of Vanderburgh County, namely, by increasing said total tax levy and rate from sixty-seven cents (.67) on each one hundred dollars (\$100.00) of taxable property within the County of Vanderburgh, that being the rate fixed by the Tax Adjustment Board of Vanderburgh County, to the rate of sixty-seven and eighty-four hundredths cents (.6784) on each one hundred dollars (\$100.00) of such taxable property within the County of Vanderburgh.

IT IS FURTHER RESOLVED by The Vanderburgh County Council that the President of the Board of Commissioners of the County of Vanderburgh, he being the highest executive officer thereof, and the President of The Vanderburgh County Council, he being the presiding officer of the Legislative Body of the County of Vanderburgh, be and they are hereby authorized and directed to sign said petition of appeal and to cause the same to be filed with the State Board of Tax Commissioners of Indiana, within the time prescribed by law for the filing of such appeals.

He told the Board he had taken up rate increases with IHSAA which were being considered, and he would have a report by October 10th. Mr. Padgett said one large item was the bleacher seats in this year's budget and his opinion was that this would help increase revenue. The Board expressed a desire to see this operation on a break-even basis.

Chairman Stockmeyer then reported that he had contacted the Mayor to state that if he so wished, to come in and talk about City budgets, he was sure it would meet with the approval of the Board, before it went into its budget cutting sessions.

Mayor Frank McDonald appeared and appealed for the City budgets to be allowed, as allowed by City Council. He detailed the struggle the City had had with financial problems and due to the fact they had experienced and qualified people they were able to take on more and better administration with less help.

Motion was made by John Barnard, seconded by Jewett Davidson, that Auxiliary Activities Accounts G-7 be reduced by \$11,683.33 and G-8 by \$1,806.45; and when put to a vote, passed: Unanimously.

Reason: City Council reduced Recreation total budget, which effects the amount contributed by the School Corporation.

Reason: This amount is not a contract obligation and it would be setting a precedent to the other branches of government and it is a question of whether the taxpayers would approve this amount of expense, since it comes out of real estate tax.

Reason: To somewhat level out the full impact on the taxpayer of equipping the McCullough Branch Library, and to ten to levelize annual spending, to what it will approximate out to in 1966. The Tax Adjustment Board realizes this will reduce the amount of replacement of books in the year 1965, but we feel that it will not affect and interfere with the operation of the Library over a long period. This is done with the idea that it is not anticipated that entirely new publications, as compared to replacements, will be restricted to the Library.

Recessed: Noon.

TUESDAY, SEPT. 22, 1:00 P. M.

Reason: Past experience does not show that KX-12 needs the requested amount.

Motion made by Charles Taylor, seconded by Byron Hubbard, that the Municipal Stadium budget in the City of Evansville budgets, have the opinion passed along to the Stadium Board, that inasmuch as their budget is increasing every year, that the taxpayers think that the Municipal Stadium enterprise be made self-sustaining as to income, and they should consider avenues of increasing revenue to correct the situation in future years; when put to a vote, passed: Unanimously.

WEDNESDAY, SEPT. 23, 8:00 A.M.

CITY OF EVANSVILLE - Cont'd-

The meeting was called to order by the Chairman of the Board, with all members present.

Motion was made by Francis Fridy, seconded by Dorothy Check, that the Police Department Q-11 Account be reduced \$50,000.00 for a total of \$1,267,144.59; when put to a vote, passed: Yes 4, No 2, Abstaining 1, with the Chair voting Yes.

Reason: It is the opinion of the Tax Adjustment Board in making this reduction that the lapse of time in the procurement of additional personnel and replacement of retiring officers, that the additional people would not be on the payroll for the full year; consequently, the \$50,000.00 reduction would approach the actual usage instead of the \$98,000.00 requested for new personnel.

Motion made by Byron Hubbard, seconded by Francis Fridy, that Police Department budget Account Q-72 be reduced by \$3,067.90 to \$40,000.00; when put to a vote, passed: Unanimously.

Reason: This was done to curtail car purchases.

Motion made by Charles Taylor, seconded by Dorothy Check, that the budget of Police Merit Commission be approved as submitted, at \$8,172.00; when put to a vote, passed: Unanimously.

Motion made by Francis Fridy, seconded by Byron Hubbard, that the R-11 Fire Department budget be set at \$1,504,939.28, and the total budget approved at \$1,627,374.28; when put to a vote, passed: Unanimously.

Reason: For correction of an error.

Motion made by Byron Hubbard, seconded by Dorothy Check, that Health Department Account S-11 be reduced \$2,000.00 to \$157,760.00; and Equipment S-72 be reduced \$766.66 to \$1,233.34; When put to a vote, passed: Yes 4, No 2.

Reason: It was thought that an additional secretary could be put on a part-time basis and that the \$800.00 raise is excessive. And, in the Equipment item, since this was not itemized, possibly some of it could be deferred to future years.

Motion made by Byron Hubbard, seconded by Dorothy Check, that the total of Health budget be approved at \$185,000.00; when put to a vote, passed: Unanimously.

Motion made by Dorothy Check, seconded by John Barnard, that the budget of Park Department be allowed as presented, at \$351,648.38; when put to a vote, passed: Yes 6.

Motion made by John Barnard, seconded by Byron Hubbard, that the budget of the Zoo be allowed as presented, at \$132,688.80; when put to a vote, passed: Unanimously.

Inasmuch as it has been brought to the attention of the Tax Adjustment Board, in the review of the Park Department and the Zoo for the 1965 budget, the Park Cumulative Fund which shows a total of \$42,410.17, it is the Board's understanding that the \$42,410.17 could be eliminated, and this should reduce the tax rate 2¢; therefore the Park Department and the Zoo budgets were approved, as requested.

Motion made by Charles Taylor, seconded by Dorothy Check, that the 2¢ Park Cumulative Fund be removed; when put to a vote, passed: Yes 5, Absent 1.

Motion made by Byron Hubbard, seconded by Charles Taylor, that Smoke Abatement Salaries and Wages SX-11 be reduced \$4,160.00 to \$7,920.00; when put to a vote, passed: Yes 4, Abstain 1, Absent 1, with the Chair voting for the reduction.

Reason: Increases are contingent upon expansion of operation, which a Federal Grant would rebate two-thirds of the increased cost, still costing the taxpayers one-third. It was felt by the Tax Adjustment Board that with the high rating Evansville now enjoys, the expanded program is not necessary.

Motion made by Charles Taylor, seconded by Byron Hubbard, that Acct. SX-72, in amount of \$840.00 be deleted, when put to a vote, passed: Yes 4, No 1, Abstain 1, Absent 1. The Chair voted for the deletion.

Reason: Past experience does not warrant.

Motion made by Byron Hubbard, seconded by Dorothy Check, that Smoke Abatement budget be approved for a total of \$8,985.00; when put to a vote, passed: Yes 5, No 1, Absent 1.

Motion made by Byron Hubbard, seconded by Charles Taylor, that Dog Pound Z-32 Account be reduced \$500.00 for adjusted amount of \$500.00; when put to a vote, passed: Yes 5, Absent 1.

Reason: Past experience does not warrant.

Motion made by Charles Taylor, seconded by Francis Fridy, that the total budget for the Dog Pound be approved at \$20,123.20; when put to a vote, passed: Yes 5, Absent 1.

Reason: It is felt the increase in personnel is too excessive and it is not justified that the taxpayer should pay this at this time.

Motion made by Charles Taylor, seconded by Dorothy Check, that Civil Defense budget be allowed as presented, at \$16,430.00; when put to a vote, passed: Yes 5, Absent 1.

Recessed: 10:00 A.M. Wednesday until Thursday A.M.

Motion made by Dorothy Check, seconded by Francis Fridy, that Redevelopment Commission Acct. WX-21 be reduced \$200.00, to a total of \$1,200.00; when put to a vote, passed: Yes 5, Absent 1.

Reason: Past experience does not warrant the increase.

Motion made by Byron Hubbard, seconded by Dorothy Check, that Acct. WX-13, Other Compensation, be reduced to \$100.00; when put to a vote, passed: Yes 5, Absent 1.

Reason: There is an account for Attorney Fees and past experience does not warrant the need for this account.

Reason: Requested amount is excessive.

Motion made by Francis Fridy, that Account 603 Boat Patrol be eliminated, died for want of a second.

Motion made by Francis Fridy, to accept the Boat Patrol Account at \$8,000.00, seconded by Charles Taylor, lost: Yes 2, No 3, Absent 1.

Motion made by John Barnard to approve Account 603 at \$4,500.00 on the assumption that this with the money the Sheriff had raised, it would be sufficient to get the basic patrol done and on the assumption that if the larger outfit is essential that he go to public subscription, which I think is a good thing to do, or to appeal. Motion died for lack of a second.

Motion made by Byron Hubbard, seconded by Dorothy Check, that the Sheriff's 603 Account be approved at \$5,000.00, passed: Yes 4, No 1, Absent 1.

Reason: The lower amount being the purpose of the program could be accomplished in a more economical manner than for the amount requested, and for the benefit of the taxpayer.

Motion made by Francis Fridy, seconded by Charles Taylor, that the Court House budget Acct. 601 be reduced \$2,500.00 to \$5,000.00; when put to a vote, passed: Yes 5, Absent 1.

Reason: The request was exorbitant for one years replacement of Air Conditioners and part of the replacement could be deferred until the following year.

Motion made by Charles Taylor, seconded by Byron Hubbard, that County Court House budget Account 602 be cut from \$3,000.00 to \$2,500.00; when put to a vote, passed: Yes 5, Absent 1.

Reason: With a study being made on future usage of Boehne Hospital, we feel the request is speculative, and we feel after reducing this \$10,000.00, if it is necessary to go ahead with this program, possibly other repairs to County Buildings could be deferred to a future year.

Motion was made by Dorothy Check, seconded by Charles Taylor, that 401A Account in Commissioners' budget be eliminated for \$1,200.00; when put to a vote, passed: Yes 5, Absent 1.

Reason: This is a new program, and we feel that it would be unwise, due to the fact that most people can rely on relatives and friends to replace blood.

Motion made by Dorothy Check, seconded by Charles Taylor, that the Public Welfare Current Charges, 400 Account, be reduced \$50,000.00 to \$1,653,650.00, when put to a vote, passed: Yes 4, Abstain 1, Absent 1.

Reason: Case load is reducing and with the Kerr-Mills Act coming into place, it should tend to reduce somewhat the old age assistance, and this seems out of line with past spending.

Motion was made by Charles Taylor, seconded by Dorothy Check, that Personal Services Total 102 Account be reduced \$6,000.00 to \$278,520.00, and when put to a vote, passed: Yes 4, Abstain 2, Absent 1. The Chair voted for the reduction.

Reason: There is an excessive number of supervisors for case workers. It is our feeling too, that the top range on clerical assistance is out line with other comparable positions.

Motion made by Charles Taylor, seconded by Dorothy Check, that Part II, 403-I be reduced \$7,000.00 to \$225,000.00 and L-2 Medical and Hospital be reduced \$7,000.00 to \$75,000.00 and approve the Part II-400 Account at a total of \$511,040.00; when put to a vote, passed: Yes 4, Abstain 1, Absent 1.

Reason: Cost per child on assistance is excessive, as compared with other agencies, and the increase in medical and hospital seems excessive as compared to past experience.

Motion was made by Dorothy Check, seconded by Francis Fridy, that Public Welfare Travel Account 200 be reduced \$500.00 to \$16,000.00, and when put to a vote, passed: Yes 4, Abstain 1, Absent 1.

Reason: Travel is excessive as compared with past experience, and there is no increase in staff.

The Chair voted for the repeal.

Motion was made by Byron Hubbard, seconded by Francis Fridy, that the previous motions eliminating the Health Insurance for \$142,000.00, and reducing Recreation budget by \$13,489.78, be repealed; when put to a vote, passed: Yes 5, Absent 1.

Motion was made by Charles Taylor, seconded by Dorothy Check, that we reduce the 1965 total spending on the Evansville-Vanderburgh School Corporation budget \$208,800.00 to a total of \$15,704,943.12, and when put to a vote, passed: Yes 6, Absent 1. The Chair voted for the reduction.

Reason: For some relief to the taxpayer.

Recessed Friday, 4:30 P.M. to meet again Tuesday, September 29th, at 1:00 P.M.

RESOLUTION ON COMBINING SHERIFF'S DEPARTMENT IN VANDERBURGH COUNTY AND CIVIL CITY POLICE DEPARTMENT INTO ONE METROPOLITAN POLICE COMMISSION.

WHEREAS: Present plans are to construct a City-County Building to house City and County governmental offices.

WHEREAS: A study has been made on feasibility of combining the Sheriff's Department and the City Police Department into a Metropolitan Police Commission, which indicates that although it would require State legislation to accomplish this, there are functional areas which could be combined without State legislation, i.e., Jail, Records Room, and Radio Communication.

BE IT RESOLVED:

That this Tax Adjustment Board representing the taxpayer of Vanderburgh County wished to go on record favoring the following:

RESOLUTION

WHEREAS, a Cumulative Bridge Fund has been legally incorporated into the budget of the County Commissioners of Vanderburgh County, which is then appropriated as occasion arises by the Vanderburgh County Council of Vanderburgh County, Indiana; And,

WHEREAS, all bridges in Vanderburgh County both within and without the City Limits of the City of Evansville come within the jurisdiction of Vanderburgh County, to be built or repaired with said Cumulative Bridge Fund; And,

WHEREAS, the aforesaid County Commissioners have requested a special appropriation in the amount of \$9,500.00 for a certain bridge on Mill Road, and the Vanderburgh County Council of Vanderburgh County, Indiana, has seen fit to honor such request by appropriating such fund; And,

WHEREAS, the City of Evansville is seeking to issue general obligation bonds in which is included a provision for \$15,000.00 to repair same bridge; Now therefore,

BE IT RESOLVED by the Vanderburgh County Council of Vanderburgh County, Indiana, that the repair of such bridge lies exclusively with Vanderburgh County, and not with the City of Evansville; And furthermore,

BE IT RESOLVED THAT ISO FAR AS THE Bond Ordinance of the City of Evansville infringes upon the prerogative of Vanderburgh County, it's Commissioners and Council, namely in it's provision to repair a certain bridge for \$15,000.00, that said provision of the Bond Ordinance should be, and is, hereby requested to be disallowed by the State Board of Tax Commissioners.

The Board being duly organized at 2:00 P.M. Monday, September 12th, 1966, proceeded with the viewing of the City of Evansville budget.

CITY OF EVANSVILLE

Mrs. Wardrip stated salary increases in City budgets in most cases, were for \$200.00 per year for salaried personnel and 10; an hour for hourly workers.

Jewett Davidson reported, as a point of interest, in most Cities in Indiana, the reviewing of budgets by Tax Adjustment Board, was done in a matter of three or four days. This, he said, was a common practice over the entire State.

BUDGET OF COMMON COUNCIL: Question raised by Chairman Taylor regarding Public Health Nursing Association. Mr. Luker asked to present this budget for a closer examination. After discussion, it was decided that this budget as presented should be given a trial with regard to payments for house calls under Medicare. It is not now known how much effect this will have on their present vudget or future budget.

DEPARTMENT OF FINANCE: Question raised concerning contract with local bank for writing of payroll checks for City employees. Mr. Davidson explained, so many more checks were being written due to new agencies paid through the City, it would have been necessary to buy new equipment and hire new employees. He explained this was only a test, before the new Civic Center was completed, and, in the future may not prove feasible to lease out this work.

Mr. Wittgen questioned Mrs. Wardrip concerning salaries in this Department- Mrs. Wardrip said some salaries were raised more than \$200.00, but all are included in the salary ordinance and cannot be cut by this Board.

CITY ENGINEER: Motion made by William Wittgen, seconded by Dorothy Check to reduce Account J-11 Salaries & Wages, Regular, from \$70,240 to \$68,940- a reduction of \$1300, was carried.

BUILDINGS & GROUNDS: Motion was made by Oscar Wentzel, seconded by William Wittgen, that Account K-26 Other Contractual Service, be reduced from \$15,000 to \$14,000- a reduction of \$1000. Motion carried.

MUNICIPAL STADIUM: Motion was made by William Wittgen, seconded by Oscar Wentzel that Account KX-22 Light, Heat, Power & Water, be reduced from \$15,000 to \$13,000, reduction of \$2000.

POLICE DEPARTMENT: Motion made by William Wittgen, seconded by Dorothy Check that Account Q-72 Equipment (6 New Uniforms at \$125.00 each) be reduced from \$750 to 0, carried.

FIRE DEPARTMENT: Mr. Davidson, in explaining this budget, said this Department needs more equipment or the Fire Rating Bureau may put the City in lower class. According to Mr. Luker, the \$129,000 salary raise given the Fire Department may be illegal. Mr. Davidson disagreed, and suggested having the City Sttorney Salm attend this meeting. Auditor Schiff said the State officials were aware of this controversial matter, and would make the final decision. There was no further action by this Board.

Meeting recessed at 4:00 P.M.

TUESDAY, SEPTEMBER 13, 1966

The meeting was called to order by the Chairman at 9:00 A.M. All members were present.

Chairman Taylor announced, Mayor McDonald had asked that he be given permission to attend the meeting and speak to the Board members.

MAYOR FRANK McDONALD: The Mayor assured the Board he was not here to defend the budgets- he felt he had two very able representatives in Mr. Davidson and Mrs. Wardrip to do this for him, but that he wanted to express appreciation as Mayor of the City of Evansville, to this Board for the work being done. He assured the Board he appreciated the unpopular job they had in trying to check budgets, and he felt each member of the Board was:

1. Genuinely interested in the welfare of the community, and
2. Were interested in making a constructive analysis of budgets presented.

He noted the City budgets have been pretty well trimmed by the Mayor's Finance Committee and the City Council. He called attention to the fact that several Cities in the State with much less population would have a much higher tax rate than Evansville and Vanderburgh County. Mayor McDonald thanked Mr. Taylor and the members of the Board, and pledged his cooperation in any way he could help.

SMOKE ABATEMENT: With regard to this budget, Mayor McDonald reported he had attended a meeting in Washington, D.C. and had met personally with the President and Vice-President of the United States. He advised the Board, there were three key problems which would be stressed in the next several years, namely, air pollution, water pollution and water conservation. He observed that it had been recognized that air pollution was the cause of respiratory ailments for many people, but that Evansville was ahead of many Cities in the control of air pollution.

PARK DEPARTMENT: Motion was made by William Wittgen, seconded by Dorothy Check that Account U-11 Salaries & Wages-Regular, be reduced from \$278,890 to \$268,890- a reduction of \$10,000. Motion carried.

ZOO DEPARTMENT: Motion was made by Dorothy Check, seconded by William Wittgen, that representatives of the Park Department be invited to appear before the Board, to-morrow, to discuss the possibility of obtaining some revenue from the Zoo. Motion carried.

REDEVELOPMENT COMMISSION: This Department draws from various funds-- City pays only a small portion on percentage basis. Paul Morris made a motion to invite Mr. Anderson to appear at the meeting at 1:15 this afternoon, to answer some questions on his budget. Motion was seconded by William Wittgen, and carried.

EVANSVILLE PUBLIC LIBRARY: It was decided to ask Mr. Howard to appear before the Board at 1:45 P.M. to discuss his budget.

Chairman Taylor thanked them and expressed appreciation for their courtesy in answering questions concerning the Library budget requests.

Chairman Taylor excused himself to attend a previously scheduled meeting and Vice-Chairman Morris took over the meeting.

Discussion of the Library budget resumed.

Oscar Wentzel made a motion, seconded by William Wittgen, that Account 112 Salaries of Assistants, be reduced from \$317,813 to \$300,813- a reduction of \$17,000. Motion carried.

William Wittgen made a motion, seconded by Dorothy Check, that Account #113 Salaries of Custodians be reduced from \$43,632 to \$40,632, a reduction of \$3,000. Motion carried.

COUNTY BUDGETS

County Auditor, Gilbert C. Schiff explained briefly, the action taken by the County Council and the apparent reasons were, that some budgets were higher. He advised this Board that most salary increases were for \$200, with a few exceptions.

Meeting recessed at 4:00 P.M.

WEDNESDAY, SEPTEMBER 14, 1966

Meeting was called to order by Chairman Taylor at 9:10 A.M. All members were present.

COMMON COUNCIL: CITY OF EVANSVILLE: It was decided to review Account C-624 Public Health Nursing Association. Motion made by William Wittgen, seconded by Dorothy Check that this account be reduced from \$82,500 to \$77,500, a reduction of \$5000, carried. The reason for this action is- the Board feels that the additional revenue anticipated through Medicare and the probability of reduction of cases will offset this reduction.

REDEVELOPMENT COMMISSION: Motion was made by Paul Morris, seconded by William Wittgen, that Account WX-64 Riverside Urban Renewal Program, be reduced from \$8000 to \$5000, a reduction of \$3000. Motion carried. The Board feels the entire amount of \$8000 will not be necessary for legal fees to complete this project.

PARK DEPARTMENT: Mayor McDonald attended this meeting, to explain further, the Park Department budget; especially in regard to development of Wesselman Park. He asked that \$5,000 of the \$10,000 cut made by the Board in U-11 Salaries, be restored.

Jewett Davidson made a motion to reconsider the cut made yesterday in Park Department U-11 Account and change reduction from \$10,000 to \$5,000. Motion was seconded by Oscar Wentzel and carried.

DISCUSSION: Chairman Taylor expressed an opinion that the concession department at the Zoo should be enlarged- more merchandise offered, such as souvenirs, which in his opinion, would increase revenue. He wondered if there was any way more revenue could be collected from Parks and the Zoo.

Mayor McDonald explained that when he went in office, there was a fee of 50¢ charged for use of ovens and picnic tables at Mesker Park. He felt this was unfair and with the approval of the Park Board, abolished this fee. He said, at the present time there were plans being studied of ways to increase revenue, such as printed material as souvenirs from the Zoo and possibly an enlarged concession stand. The Mayor noted that Park vandalism is a real problem for the City and most expensive. He cited the need of expanding Park facilities, especially in the area of neighborhood Parks. He said, he felt Mesker Zoo was an important attraction for the City, and at this time, does not favor charging admission to the Zoo.

Mayor McDonald introduced Mr. Koenemann, new Park Superintendent and his assistant, to members of the Tax Adjustment Board.

When questioned about Mesker Amphitheater, the Mayor reported two new parking lots were under construction at the present time, which should be helpful in making this facility more attractive. He also suggested it be used during summer months for stage production produced by young people in our community. He pointed out that Evansville had a lot of talented High School and College people, and the Amphitheater should prove helpful in helping them gain experience acting on a large stage and before large audiences. He also suggested, it might be nice to have free band concerts.

Motion was made by Jewett Davidson, seconded by Paul Morris, that the total reduction of Civil City budgets for 1967 be \$18,050. \$10,050 from General Fund- \$5,000 from Park Department and \$3,000 from Redevelopment Commission. Motion carried.

Mayor McDonald again thanked the Board for their cooperation and willingness to listen to explanations concerning various budgets.
