

## SECTION SP-200 - 2022

## SPRAYING & MOWING

**SECTION SP-200 CONTAINS “BID SCHEDULES” FOR ALL SPECIAL PROVISIONS PROJECTS READY TO BID AT THIS TIME.**

BID SCHEDULES ARE BID FORMS SPECIALLY DESIGNED FOR EACH PROJECT COVERED BY THE SPECIAL PROVISIONS SECTION.

DETACH AND FILL OUT EACH BID SCHEDULE FOR EACH PROJECT ON WHICH YOU WISH TO BID. YOUR SIGNATURE ON EACH BID SCHEDULE AND BID FORM 96 SHOULD BE IN FRONT OF A NOTARY PUBLIC.

ATTACH EACH BID SCHEDULE TO A PROPERLY EXECUTED BID FORM 96. MAKE SURE EACH FORM 96 IS ABSOLUTELY CORRECT IN EVERY DETAIL AND MATCHES THE BIDS SHOWN ON THE ATTACHED BID SCHEDULES.

SEAL ALL BIDS IN ONE ENVELOPE WITH A BID BOND, CHECK, OR SECURITY IN AN AMOUNT EQUAL TO 5% OF THE BID.

**NEW FOR 2022: ALL BIDS MUST BE LISTED ON ENCLOSED PINK BID LISTING SHEET. BID LISTING SHEET MUST BE PLACED ON TOP OF BID SCHEDULES.**

THE OUTSIDE OF THE ENVELOPE SHOULD LOOK SOMETHING LIKE THIS:

From: ABC Construction Company  
123 North Main Street  
Middletown, Ohio 45678

U.S. Postage

“SAMPLE”

To: The Vanderburgh County Drainage Board  
c/o The Vanderburgh County Auditor  
Room 208 Civic Center Complex  
1 NW Martin Luther King, Jr. Blvd.  
Evansville, Indiana 47708

**List ALL Ditches Bidding On:** Big Green Ditch, Muddy Water Ditch, Smith Creek. . .

**EXCEPT IT SHOULD HAVE THE REAL NAMES AND INFORMATION ON IT!**

**YOU MAY HAND DELIVER THE ENVELOPE OR MAIL IT TO THE AUDITOR; BUT EITHER WAY, IT MUST BE IN THE AUDITOR’S HANDS AND STAMPED “RECEIVED” NO LATER THAN 12:00 NOON CENTRAL STANDARD TIME, TUESDAY, MARCH 8, 2022.**

BIDS WILL BE AWARDED TO LOWEST, RESPONSIBLE BIDDER. PAST PERFORMANCE AND PREVIOUS WORK IN VANDERBURGH COUNTY, INDIANA WILL BE CONSIDERED.

Thank you for your interest in bidding. Best of luck with your business in 2022.

Additional copies of bid forms, specifications and bid schedules available online at  
[www.VanderburghSurveyor.com](http://www.VanderburghSurveyor.com).

DATES FOR STARTING WORK AND COMPLETION DATES (typical):

Type of Work:	Earliest Start Date:	Must Be Completed By:
Annual or Regular Maintenance: Spraying	April 1 & prior to crop damage	July 31, 2022
Annual or Regular Maintenance: Mowing	April 1, 2022	October 31, 2022
Mowing – Spring	Award Date 2022	April 15, 2022 or within 1 week of award
Mowing – Late Spring	May 15, 2022	June 15, 2022
Mowing – Mid Summer	July 15, 2022	August 15, 2022
Mowing – Fall	September 15, 2022	October 15, 2022
Spraying – Broadleaf; Brush; Sterilization	April 1 & prior to crop damage	June 30, 2022
Spraying – Sterilization/Water Surface Growth (creeping water primrose)	August/September – depending on growing season	August/September – depending on growing season
Spraying – Dormant	No sooner than harvest 2022	No later than March 15, 2023
Soil Disturbing – Requires seed & mulch	April 1, 2022	September 15, 2022

Dates are subject to change with minimum 15 day notification to the Contractor by the Vanderburgh County Surveyor. Any dates that conflict with label directions need to be brought to the attention of the County Surveyor. This includes spraying, mowing or other work.

---

**Bids for Regulated Drain Projects are due in the Vanderburgh County Auditor's Office NO LATER than 12:00 NOON CST (local time) on Tuesday, March 8, 2022.**

The Auditor's address is:

Vanderburgh County Auditor's Office  
Room 208 Civic Center Complex  
1 NW Martin Luther King, Jr. Boulevard  
Evansville, Indiana 47708

Any questions may be directed to the Vanderburgh County Surveyor's office at 812-435-5210.

Additional copies of the bid forms, the specifications and bid schedules are available online at:  
[www.VanderburghSurveyor.com](http://www.VanderburghSurveyor.com).

### **Notes:**

***Only one complete set of financial information, chemical labels, spraying licenses, etc. is necessary to be submitted with multiple bids.***

***Please use Bid Form 96. Each form needs to be Notarized in only one place.***

#### ***Spray Contractors:***

*Cattail infestations need special attention.  
Creeping water primrose discovered in East Side Urban drains.*

#### ***Mowing Contractors:***

*No changes from 2021.*

# Category One – STERILIZING DITCH BOTTOMS

## **SP-104.01 CATEGORY ONE: STERILIZING DITCH BOTTOMS**

This category of work includes sterilizing the ditch bottom by spraying approved herbicides in an appropriate and effective manner resulting in the eradication of all vegetation as described under the General Specifications and Special Provisions with regard to herbicide applications.

**NOTE:** Ohio River water levels can affect access to several regulated drains in Vanderburgh County, Indiana. Including, but not limited to:

Aiken Ditch – south east Vanderburgh County – Knight Township

Eagle Slough – south east Vanderburgh County – Knight Township

Barnett – south west Vanderburgh County – Union Township

Cypress Dale Maddox – south west Vanderburgh County – Union Township

Edmond – south west Vanderburgh County – Union Township

Helfrich Happe – south west Vanderburgh County – Union Township

Kamp – south west Vanderburgh County – Union Township

Successful Bidder must be aware of Ohio River levels and accomplish the awarded work during the designated time spans. Unusual elevated water levels as determined by the Surveyor exempted. Ohio River level at Evansville should be 20 feet or under for applications of herbicides. See National Weather Service Advanced Hydrologic Prediction Service at:

<https://water.weather.gov/ahps2/hydrograph.php?wfo=pah&gage=evvi3>

Please take extra care to eradicate the cattail infestations throughout the county.

An additional application of Category One MAY be added in August/September to help control creeping water primrose that was noticed in 2017 – this will be accomplished with a 14 day notice to the successful Bidder.

**All herbicide applications within a category shall be completed within 14 (fourteen) calendar days of starting that category. Weather permitting.**

## SP-204.01 AIKEN – STERILIZATION 2022

Ditch Name	Category of Work	Work Description	Lineal Feet	Notes
AIKEN	ONE	STERILIZING DITCH BOTTOMS	2,840	Portion – as described

### **Description of Work Area: Aiken Ditch - Portion:**

From a point on the south side of Pollack Avenue at the intersection of Hoosier Avenue at the outlet of Indian Woods drainage structure, thence southeasterly a distance of 2,500 lineal feet to I-69 at K-1 Pump Station. ALSO that portion from 5115 Pollack Avenue (a portion is within a privacy fence) to the main channel of Aiken Ditch, an additional 340 l.f.

NOTE: The Evansville Vanderburgh Levee Authority District regularly mows the main channel.

The bidder shall submit a bid using Bid Schedule SP-204.01 AIKEN DITCH PORTION - STERILIZATION and showing one price per lineal foot of ditch which price the bidder is willing to receive as payment for the sterilization of AIKEN DITCH as described in the General Specifications and the Special Provisions; and in accordance with all laws and regulations governing such work.

**NOTE: An infestation of cattails has occurred in Aiken Ditch. The successful Bidder shall take extra care in spraying for the eradication of cattails.**

The Bidder shall attach the corresponding Bid Schedule to properly executed Bid Form 96.

**SP-204.01 EAST SIDE URBAN S 1/2 - PORTIONS – STERILIZATION 2022**

Ditch Name	Category of Work	Work Description	Lineal Feet	Notes
<b>ESU S1/2 - PORTIONS</b>	<b>ONE</b>	<b>STERILIZING DITCH BOTTOMS</b>	<b>25,862</b>	<b>Portions – as described</b>
Hirsch	“	“	3,500	Entirety
Kelly	“	“	7,600	Entirety
Nurrenbern	“	“	8,612	Entirety
Stockfleth	“	“	6,150	Entirety

Description of Work Area: The Regulated Drain that lies south of Morgan Avenue and South of the railroad from Green River Road east to the Vanderburgh / Warrick County Line and Nurrenbern and Stockfleth Ditches in their entirety. More particularly described as follows:

Hirsch Ditch beginning at Green River Road and continuing easterly to the intersection of Morgan Avenue and Burkhardt Road.

Kelly Ditch beginning at the Warrick County line on the South side of the Southern Railroad (South of and accessible from Morgan Avenue); thence Southwesterly under I-69 and to the intersection of Morgan Avenue and Burkhardt Road.

Nurrenbern Ditch begins at the intersection of Lincoln Avenue and Fuquay Road; thence North along the East side of Fuquay Road to the Lloyd Expressway; thence continue North under I-69, Oak Grove Road, and to Kelly Ditch at the Southern Railroad.

Stockfleth Ditch beginning on the North side of the Lloyd Expressway 1/4 mile West of Burkhardt Road; thence North under Oak Grove Road, to the Hirsch Ditch/Crawford-Brandeis Ditch intersection at Morgan Avenue.

The bidder shall submit a bid using Bid Schedule SP-204.01 ESU S1/2 PORTIONS - STERILIZATION and showing one price per lineal foot of ditch which price the bidder is willing to receive as payment for the sterilization of HIRSCH, KELLY, NURRENBERN and STOCKFLETH DITCHES as described in the General Specifications and the Special Provisions; and in accordance with all laws and regulations governing such work.

The Surveyor has noted an invasion of cattails in Nurrenbern Ditch especially south of the Lloyd Expressway. A significant infestation of cattails has occurred in Stockfleth Ditch north of Vogel Road. The successful Bidder shall take extra care in spraying for the eradication of cattails. If sufficient kill is not obtained, the Contractor may be called to make another application.

**NOTE: In 2017 creeping water primrose was discovered in portions of these drains. An additional application MAY be added in August/September based on the growing season. The Contractor will be paid at the same rate for additional application with a 14 day notice from the Surveyor.**

The Bidder shall attach the corresponding Bid Schedule to properly executed Bid Form 96.

## SP-204.01 SONNTAG STEVENS – STERILIZATION 2022

Ditch Name	Category of Work	Work Description	Lineal Feet	Notes
SONNTAG STEVENS	ONE	STERILIZATION	6,905	Portion

Description of Work Area: Sonntag Stevens ditch beginning at the northwest corner of the intersection of Lynch Road and Hitch Peters Road; thence northwest and downstream approximately 3,400 feet to the Conrail rail line at Keil Ditch. Also beginning at the mouth of the north branch of Sonntag Stevens Ditch about 1,000 feet northwest of the intersection of Lynch Road and Hitch Peters Road and about 750 feet west of the rear entrance of Inland Container Corporation onto Hitch Peters Road; thence east and upstream under Hitch Peters Road; thence continuing generally east and upstream to the southwest corner of Cloverlawn Subdivision. **No applications shall be made to the portions of Sonntag Stevens Ditch around Cloverlawn Subdivision.**

The bidder shall submit a bid using Bid Schedule SP-204.01 SONNTAG STEVENS – STERILIZATION and showing one price per lineal foot of ditch which price the bidder is willing to receive as payment for the sterilization of the bottom of SONNTAG STEVENS DITCH as described in the General Specifications and the Special Provisions; and in accordance with all laws and regulations governing such work.

**NOTE: The Surveyor has noted an invasion of cattails in Sonntag Stevens Ditch particularly downstream of the intersection of Hitch Peters and Lynch Roads. The successful Bidder shall take extra care in spraying for the eradication of cattails. If sufficient kill is not obtained, the Contractor may be called to make another application.**

The Bidder shall attach the corresponding Bid Schedule to properly executed Bid Form 96.

2022 SECTION SP-200 page 15

# Category Two – BROADLEAF/BRUSH/GROWTH

## **SP-104.02 CATEGORY TWO: BROADLEAF HERBICIDES / BRUSH KILLERS / GROWTH INHIBITORS**

Category Two covers the application of approved broadleaf herbicides (also known as foliar spraying or application), growth inhibiting chemicals, and/or approved brush killers to the side banks and top banks of drains in an appropriate and effective manner resulting in the eradication of all broadleaf and undesirable vegetation, and/or the inhibition of grass growth, if applicable, and all as described under the General Specifications with regard to herbicide applications. Coverage shall extend to five (5) feet from the top of banks. Except for applications made to Aiken Ditch south of the levee and Eagle Slough, which shall be twenty-five (25) feet from the top of banks in non-residential, non-cropland areas.

**East Side Urban South ½ - Wabash Erie Canal** - Bidder is reminded to apply herbicide to any brush or trees within the rip rap area at Stockwell Road just north of the entrance to JH Rudolph Co. Also to any brush or trees behind the guardrail at that location.

**NOTE:** Ohio River water levels can affect access to several regulated drains in Vanderburgh County, Indiana. Including, but not limited to:

Aiken Ditch – south east Vanderburgh County – Knight Township

Eagle Slough – south east Vanderburgh County – Knight Township

Barnett – south west Vanderburgh County – Union Township

Cypress Dale Maddox – south west Vanderburgh County – Union Township

Edmond – south west Vanderburgh County – Union Township

Helfrich Happe – south west Vanderburgh County – Union Township

Kamp – south west Vanderburgh County – Union Township

Successful Bidder must be aware of Ohio River levels and accomplish the awarded work during the designated time spans. Unusual elevated water levels as determined by the Surveyor exempted. Ohio River level at Evansville should be 20 feet or under for applications of herbicides. See National Weather Service Advanced Hydrologic Prediction Service at:

<https://water.weather.gov/ahps2/hydrograph.php?wfo=pah&gage=evvi3>

Please take extra care in eradicating the cattail infestations throughout the county.

**All herbicide applications within a category shall be completed within 14 (fourteen) calendar days of starting that category. Weather permitting.**

## SP-204.02 AIKEN – BROADLEAF / BRUSH /GROWTH INHIBITOR 2022

Ditch Name	Category of Work	Work Description	Lineal Feet	Notes
AIKEN	TWO	GROWTH INHIBITOR APPLICATION	2,840	Portion – as described

Description of Work Area: Aiken Ditch beginning on the south side of Pollack Avenue at a point approximately 75 feet east of Hoosier Avenue; thence south approximately 275 feet; continuing southeasterly to a pipe that crosses under Interstate – 69 just east of a pump station. ALSO that portion from 5115 Pollack Avenue (a portion is within a privacy fence) to the main channel of Aiken Ditch, an additional 340 l.f. Coverage shall extend to five (5) feet from the top of banks.

This spraying shall be accomplished as soon after bid award as possible. The ground may be soft and the successful bidder shall not cause ruts or other damage.

The bidder shall submit a bid using Bid Schedule SP-204.02 AIKEN – BROADLEAF / BRUSH / GROWTH 2022 and showing one price per lineal foot of ditch which price the bidder is willing to receive as payment for application of growth inhibitor to AIKEN DITCH as described in the General Specifications and the Special Provisions; and in accordance with all laws and regulations governing such work.

The Bidder shall attach the corresponding Bid Schedule to properly executed Bid Form 96.

## SP-204.02 EAGLE SLOUGH – BROADLEAF / BRUSH 2022

Ditch Name	Category of Work	Work Description	Lineal Feet	Notes
EAGLE SLOUGH	TWO	BROADLEAF BRUSH APPLICATIONS	30,040	Entirety

Description of Work Area: Eagle Slough starts on the East side of Waterworks Road multi-pipe headwall at Inland Marina on outside of levee; thence continues East and upstream to a point in the center of Section One, Township Seven South, Range Ten West, about 1/2 mile East of (New) South Green River Road.

The bidder shall enter upon the Bid Schedule SP-204.02 EAGLE SLOUGH – BROADLEAF / BRUSH a price per lineal foot times 30,040 lineal feet for a total sum of dollars for which price the bidder is willing to complete the work according to the conditions, requirements and other particulars as described in the Notice to Bidders, the General Specifications, and the Special Provisions with regard to APPLICATION OF BROADLEAF HERBICIDES AND BRUSH KILLERS; and shall attach said bid schedule to a properly executed Bid Form 96.

The Contractor shall apply approved Herbicides and Brush Killers onto all undesirable vegetation within the waterway and to a distance of twenty-five (25) feet outside the top of each bank of the waterway for the entire 30,040 feet portion of Eagle Slough described above, EXCEPT:

The Contractor shall not apply any Broadleaf Herbicide nor Brush Killer onto AGRICULTURAL CROPS nor onto BALD CYPRESS TREES (of any size or age); and:

The Contractor shall use Herbicides and Brush Killers which are specified to kill all undesirable broadleaf vegetation and brush as described in the General Specifications and Special Provisions; and such chemicals shall be specified and/or handled so as not to destroy desirable grass cover, agricultural crops, or bald cypress trees.

Coverage shall be limited to five (5) feet from the top of banks within residential and cropland areas.

The Contractor shall take precautions not to cause harm to or destroy agricultural crops and gardens, **bald cypress** trees of any size, and desirable grass cover where it can be avoided. The Contractor shall not harm or cause harm to any trees that are havens for brown bats or wood ducks (wood duck boxes).

Annual and occasional high water from Ohio River floods entire Eagle Slough and surrounding bottoms several feet above tops of banks and may affect accessibility for application and deposit drifted obstacles not known to Surveyor at time of bidding.

The Contractor is advised that the dates for Eagle Slough for the application of broadleaf herbicide and brush killer are to start no sooner than April 1st and be completed by May 15th. This date may be extended to May 31st, if necessary, upon approval of the County Surveyor. If Eagle Slough is flooded during the desired spray dates the Contractor will make no applications unless otherwise directed by the Surveyor or his designated representative.

**Bidders are cautioned to observe existing conditions prior to submittal.**

2022 SECTION SP-200 page 36

# Category Three – MOWING

## **SP-104.03 CATEGORY THREE: MOWING WATERWAYS**

Work described as Category Three includes mowing the entire waterway channel and to a distance of five (5) feet outside the top edges of the ditch banks as specified in the General Specifications, or:

Mowing the waterway more particularly as specified for an individual drain within the Special Provisions Sections, including as described in the attachments found in SP-200.

"Special/Additional Mowing" notices will be given by the Surveyor in cases where mowing is needed to comply with weed control ordinances, to promote public health, safety, or to address a serious drainage problem (dependent on weather and growing conditions). "Special/Additional Mowing" will be paid for at the per lineal foot price submitted by the Contractor for Category Three for that particular portion of that drain.

### **REVIEW BIDS CAREFULLY**

**Additional Seasonal Mowings have been added in 2022 – review bids carefully.**

**Sonntag Stevens Ditch – Portion – an additional portion will be mowed in 2022.**

**NOTE:** Ohio River water levels can affect access to several regulated drains in Vanderburgh County, Indiana. Including, but not limited to:

Aiken Ditch – south east Vanderburgh County – Knight Township  
Eagle Slough – south east Vanderburgh County – Knight Township  
Barnett – south west Vanderburgh County – Union Township  
Cypress Dale Maddox – south west Vanderburgh County – Union Township  
Edmond – south west Vanderburgh County – Union Township  
Helfrich Happe – south west Vanderburgh County – Union Township  
Kamp – south west Vanderburgh County – Union Township

Successful Bidder must be aware of Ohio River levels and accomplish the awarded work during the designated time spans. Unusual elevated water levels as determined by the Surveyor exempted.

**Successful Bidder is hereby notified that all precautions shall be taken to prevent crop loss due to mowing activities and that the Contractor must notify the Surveyor prior to any anticipated damage of any crop.**

**SP-204.03 AIKEN DITCH – MOWING 2022**

Ditch Name	Category of Work	Work Description	Lineal Feet	Notes
AIKEN DITCH	THREE	MID SUMMER MOWING	3,840	Areas 1 & 3 as described

**Description of Work Area: Aiken Ditch - Portions:**

**Area One:** From a point on the south side of Pollack Avenue directly across the road from the west line of The Seasons Section Four subdivision, thence directly west and along the south side of Pollack Avenue for 2,500 feet, both banks. ALSO that portion from 5115 Pollack Avenue (a portion is within a privacy fence) to the main channel of Aiken Ditch, an additional 340 l.f.

~~**Area Two:** From a point on the south side of Pollack Avenue at the intersection of Hoosier Avenue at the outlet of Indian Woods drainage structure, thence southeasterly a distance of 2,500 foot to I-69 at K-1 Pump Station, both banks.~~ This portion is deleted at this time. The Evansville Vanderburgh Levee Authority District regularly mows this portion.

**Area Three:** From a point on the south side of I-69 at the discharge end of K-1 Pump Station Structure, thence southwesterly a distance of 1,000 feet, both banks.

The above described three areas of Aiken Ditch will be mowed ONCE in 2022 during the mid-summer mowing dates as below:

	<b>Earliest Start Date:</b>	<b>Must Be Completed By:</b>
Mowing – Mid Summer	July 15, 2022	August 15, 2022

The bidder shall submit a bid using Bid Schedule SP-204.03 AIKEN DITCH - MOWING and showing one price per lineal foot of ditch which price the bidder is willing to receive as payment for the mowing of the described 3,500 feet of waterway (bottom, side slopes, and tops of banks to a distance 5 feet outside the top edge of the bank) as described in the General Specifications and the Special Provisions; and in accordance with all laws and regulations governing such work.

**NOTE: The Bidder is hereby notified that all precautions shall be taken to prevent crop loss due to mowing activities on this drain and that the Contractor must notify the Surveyor prior to any anticipated damage of any crop.**

The Bidder shall attach the corresponding Bid Schedule to properly executed Bid Form 96.

Hirsch	“	“	3,500	Entirety
Kelly	“	“	7,600	Entirety
Wabash Erie	“	“	2,685	As described

Description of Work Areas: From Stockwell Road easterly to the Vanderburgh/Warrick County line along the South side of the Norfolk Southern Railroad line that runs basically parallel with Morgan Avenue. This work shall be accomplished from the south side of the rail line ONLY and shall only encompass the south bank of the various regulated drains as described below. **The Bidder is advised that removal of all shopping carts within the ditches shall be included.**

Crawford Brandeis Ditch beginning at the end of Kelly Ditch (at the intersection of Burkhardt & Morgan) on the East side of Burkhardt Road; thence continue West along the South side of Norfolk Southern Railroad (South of Morgan) to the mouth of Stockfleth Ditch.

Hirsch Ditch beginning at the end of the above described Crawford Brandeis Ditch; thence continuing West along the South side of the Norfolk Southern Railroad to Green River Road.

Kelly Ditch beginning at the Vanderburgh/Warrick County line on the South side of the Norfolk Southern Railroad (South of and accessible from Morgan Avenue); thence Southwesterly under I-69 and to the intersection of Morgan Avenue and Burkhardt Road.

Wabash Erie Canal beginning at Green River Road just South and West of the intersection of Green River and Morgan, on the South side of Norfolk Southern Railroad; thence Westerly to Stockwell Road. **Continuing on the WEST side of Stockwell Road mowing the NORTH side of the drain for an additional 200 feet.**

The Bidder shall submit a bid using Bid Schedule SP-204.03 ESU S1/2 PORTIONS – RR/Canal MOWING and showing one price per lineal foot of ditch which price the bidder is willing to receive as payment for EACH *mowing and shopping cart removal* as described in the General Specifications and the Special Provisions; and in accordance with all laws and regulations governing such work.

The Contractor shall work ONLY from the South side of the above described portions (except the additional 200 feet on the NORTH bank of the canal) of the regulated drains and shall mow the South side slope from a minimum of the water line and the tops of banks to a distance of 5 feet outside the top edge of the bank as described in the General Specifications and the Special Provisions; and in accordance with all laws and regulations governing such work.

#### NOTES:

1. The Bidder is hereby notified that all precautions shall be taken to prevent property damage or loss due to mowing activities.
2. Be advised – there are several inlet pipes that discharge into drains.
3. Vegetation **MUST NOT** be mowed closer than three inches from ground level. Payment will be reduced or withheld if Contractor scalps vegetative cover exposing bare dirt.
4. Bidder's price **INCLUDES** removal of any shopping carts at the time of mowing.

**SP-204.03 HENRY – MOWING 2022**

Ditch Name	Category of Work	Work Description	Lineal Feet	Notes
HENRY	THREE	Mid-Summer Mowing	1,850	Portion – as described

Description of Work Area: Henry Ditch beginning on the North side of Kansas Road 1/4 mile East of Green River Road; thence East along Kansas Road to a culvert about 1/2 mile East of Green River Road. Mowing that portion along the north side of Kansas Road ONLY.

	<b>Earliest Start Date:</b>	<b>Must Be Completed By:</b>
Mid-Summer Mowing	July 15, 2022	August 15, 2022

**NOTE: The Vanderburgh County Highway Department will be re-establishing the flow line of Henry Ditch along Kansas Road (this work has been carried over to 2022); the successful bidder MUST coordinate with the Vanderburgh County Surveyor as to when this area will be mowed.**

The bidder shall submit a bid using Bid Schedule SP-204.03 HENRY – MOWING 2022 and showing one price per lineal foot of ditch which price the bidder is willing to receive as payment for the mowing of the described 1,580 feet of HENRY DITCH (bottom, side slopes, and tops of banks to a distance 5 feet outside the top edge of the bank) as described in the General Specifications and the Special Provisions; and in accordance with all laws and regulations governing such work.

If additional mowing is deemed necessary by the Vanderburgh County Surveyor during the growing season, the Contractor shall perform the additional mowing at the same rate as the contracted mowing price.

The Bidder shall attach the corresponding Bid Schedule to properly executed Bid Form 96.

### SP-204.03 KOLB DITCH – SECTION B – MOWING 2022

Ditch Name	Category of Work	Work Description	Lineal Feet	Notes
KOLB DITCH	THREE	MOWING	4,605	Section B as described

Description of Work Area: Kolb Ditch – SECTION B - MOW IN PRICE PARK – added 1,000 l.f.

SECTION B: Start at the south right of way of Covert Avenue; thence southeast through Price Park; thence southeast through Eastland Estates subdivision to the low water line of the lake in Audubon Estates subdivision; thence continue along the northern edge of the lake to the outfall of the lake at the I-69 right-of-way fence. A distance of 3,855 feet.

Thence starting along the south right-of-way fence of I-69 (pipe under I-69) and continuing along the right-of-way fence; turning southerly along the east side of Chickasaw Park subdivision. Stopping at the field break on the easterly side of Chickasaw Park. A distance of 750 feet.

TOTAL SECTION B = 4,605 FEET.

**See “Kolb Ditch Sections A & B” map near end of 2022 SECTION SP-200.**

The above-described portion of Kolb Ditch will be mowed a minimum of three times in 2022, as below:

	<b>Earliest Start Date:</b>	<b>Must Be Completed By:</b>
Mowing – Late Spring	May 15, 2022	June 15, 2022
Mowing – Mid summer	July 15, 2022**	August 15, 2022
Mowing – Fall	September 15, 2022	October 15, 2022

The bidder shall submit a bid using Bid Schedule SP-204.03 KOLB DITCH – SECTION B - MOWING and showing one price per lineal foot of ditch which price the bidder is willing to receive as payment for EACH mowing of the described 4,605 feet of waterway (bottom, side slopes, and tops of banks to a distance 5 feet outside the top edge of the bank) as described in the General Specifications and the Special Provisions; and in accordance with all laws and regulations governing such work.

#### NOTES:

- The Bidder is hereby notified that all precautions shall be taken to prevent property damage or loss due to mowing activities.
- Only vegetation that can be “mowed” – tree removal not required. Small tree and sapling removal will be appreciated but not required with mowing equipment brought for grass and brush mowing.
- Vegetation MUST NOT be mowed closer than three inches from ground level. Payment will be reduced or withheld if Contractor scalps vegetative cover exposing bare dirt.
- If additional mowing is deemed necessary by the Vanderburgh County Surveyor during the growing season, the Contractor shall perform the additional mowing at the same rate as the contracted mowing price.

The Bidder shall attach the corresponding Bid Schedule to properly executed Bid Form 96.

# Category Eight – DORMANT SPRAYING

## **SP-104.08 CATEGORY EIGHT: DORMANT SPRAYING**

Category Eight covers the application of approved dormant herbicides to the side banks and top banks of drains in an appropriate and effective manner resulting in the eradication of all undesirable vegetation. Coverage shall extend to five (5) feet from the top of banks. Except for applications made to Aiken Ditch south of the levee and Eagle Slough, which shall be twenty-five (25) feet from the top of banks in non-residential, non-cropland areas.

**NOTE:** Ohio River water levels can affect access to several regulated drains in Vanderburgh County, Indiana. Including, but not limited to:

Aiken Ditch – south east Vanderburgh County – Knight Township

Eagle Slough – south east Vanderburgh County – Knight Township

Barnett – south west Vanderburgh County – Union Township

Cypress Dale Maddox – south west Vanderburgh County – Union Township

Edmond – south west Vanderburgh County – Union Township

Helfrich Happe – south west Vanderburgh County – Union Township

Kamp – south west Vanderburgh County – Union Township

Successful Bidder must be aware of Ohio River levels and accomplish the awarded work during the designated time spans. Unusual elevated water levels as determined by the Surveyor exempted. Ohio River level at Evansville should be 20 feet or under for applications of herbicides. See National Weather Service Advanced Hydrologic Prediction Service at:

<https://water.weather.gov/ahps2/hydrograph.php?wfo=pah&gage=evvi3>

**All herbicide applications within a category shall be completed within 14 (fourteen) calendar days of starting that category. Weather permitting.**

## SP-204.08 AIKEN – DORMANT SPRAY 2022

Ditch Name	Category of Work	Work Description	Lineal Feet	Notes
AIKEN	EIGHT	DORMANT SPRAY APPLICATION	4,000	South of the levee – as described

Description of Work Area: Aiken Ditch begins on the South side of Pollack Avenue 1,750 feet East of Calf Lane; thence West 3,200 feet to a point 100 feet West of Hoosier Avenue; thence Southeast 2,600 feet to the North side of the Levee (I-69); thence South 111 feet under the Levee; thence Southwest 3,800 feet to Green River Road; thence Southwest 200 feet to Eagle Slough. **The ONLY portion of Aiken Ditch to be dormant sprayed is that portion South of the levee (I-69) to Aiken's intersection with Eagle Slough.**

Spraying of Aiken Ditch south of the levee shall be accomplished during the time period below:

	Earliest Start Date:	Must Be Completed By:
Spraying – Dormant	No sooner than harvest 2022	No later than March 15, 2023

The bidder shall submit a bid using Bid Schedule SP-204.08 AIKEN – DORMANT SPRAY and showing one price per lineal foot of ditch which price the bidder is willing to receive as payment for application to AIKEN DITCH as described in the General Specifications and the Special Provisions; and in accordance with all laws and regulations governing such work.

The Contractor shall apply approved Herbicides and Brush Killers onto all undesirable vegetation within the waterway and to a distance of twenty-five (25) feet outside the top of each bank of the waterway for the described portion of Aiken Ditch, EXCEPT:

The Contractor shall not apply any herbicide onto AGRICULTURAL CROPS nor onto BALD CYPRESS TREES (of any size or age); and:

The Contractor shall use Herbicides and Brush Killers which are specified to kill all undesirable broadleaf vegetation and brush as described in the General Specifications and Special Provisions; and such chemicals shall be specified and/or handled so as not to destroy desirable grass cover, agricultural crops, or bald cypress trees.

Coverage shall be limited to five (5) feet from the top of banks within residential and cropland areas.

The Contractor shall take precautions not to cause harm to or destroy agricultural crops and gardens, **bald cypress** trees of any size, and desirable grass cover where it can be avoided. The Contractor shall not harm or cause harm to any trees that are havens for brown bats or wood ducks (wood duck boxes).

**NOTE: For the purposes of letting a contract, the dormant spraying of AIKEN DITCH will be included with and considered an extension of the dormant spraying of EAGLE SLOUGH. The dormant spray applications on AIKEN DITCH and EAGLE SLOUGH shall be awarded to the same Contractor.**

The Bidder shall attach the corresponding Bid Schedule to properly executed Bid Form 96.

## SP-204.08 EAGLE SLOUGH – DORMANT SPRAY 2022

Ditch Name	Category of Work	Work Description	Lineal Feet	Notes
EAGLE SLOUGH	EIGHT	DORMANT SPRAY APPLICATION	30,040	Entirety

Description of Work Area: Eagle Slough starts on the East side of Waterworks Road multi-pipe headwall at Inland Marina on outside of levee; thence continues East and upstream to a point in the center of Section One, Township Seven South, Range Ten West, about 1/2 mile East of (New) South Green River Road.

The bidder shall enter upon the Bid Schedule SP-204.08 EAGLE SLOUGH – DORMANT SPRAY a price per lineal foot times 30,040 lineal feet for a total sum of dollars for which price the bidder is willing to complete the work according to the conditions, requirements and other particulars as described in the Notice to Bidders, the General Specifications, and the Special Provisions with regard to DORMANT SPRAYING; and shall attach said bid schedule to a properly executed Bid Form 96.

The Contractor shall apply approved Herbicides and Brush Killers onto all undesirable vegetation within the waterway and to a distance of twenty-five (25) feet outside the top of each bank of the waterway for the entire 30,040 feet portion of Eagle Slough described above, EXCEPT:

The Contractor shall not apply any herbicide onto AGRICULTURAL CROPS nor onto BALD CYPRESS TREES (of any size or age); and:

The Contractor shall use Herbicides and Brush Killers which are specified to kill all undesirable broadleaf vegetation and brush as described in the General Specifications and Special Provisions; and such chemicals shall be specified and/or handled so as not to destroy desirable grass cover, agricultural crops, or bald cypress trees.

Coverage shall be limited to five (5) feet from the top of banks within residential and cropland areas.

The Contractor shall take precautions not to cause harm to or destroy agricultural crops and gardens, **bald cypress** trees of any size, and desirable grass cover where it can be avoided. The Contractor shall not harm or cause harm to any trees that are havens for brown bats or wood ducks (wood duck boxes).

Annual and occasional high water from Ohio River floods entire Eagle Slough and surrounding bottoms several feet above tops of banks and may affect accessibility for application and deposit drifted obstacles not known to Surveyor at time of bidding.

The Contractor is advised that the dates for application of herbicides for dormant spraying on Eagle Slough are to start no sooner than harvest 2022 and be completed by March 15, 2023.

Bidders are cautioned to observe existing conditions prior to bid submittal.

**NOTE: For the purposes of letting a contract, the dormant spraying of AIKEN DITCH will be included with and considered an extension of the dormant spraying of EAGLE SLOUGH. The dormant spray applications on AIKEN DITCH and EAGLE SLOUGH shall be awarded to the same Contractor.**
