UTILITY ANNOUNCES LAUNCH OF MOBILE APP AND CUSTOMER PORTAL

EVANSVILLE, IN – July 26, 2017 – The Evansville Water & Sewer Utility (EWSU) announces the launch of the MyWater EWSU mobile app and online customer portal. The mobile app for smartphones and desktop customer portal are a free resource designed to help better engage residents, businesses and stakeholders by providing secure access to accounts, payment processing, and data and usage information. The mobile app is available on both iOS and Android platforms, and customers may set up the online portal by visiting mywater.ewsu.com from any desktop computer.

"The MyWater EWSU app and portal demonstrates that EWSU is committed to providing customers with easily accessible information on usage patterns, efficiency and conservation programs, and outage messages. It is our hope that providing this information will help change behaviors and promote sustainability," said Allen Mounts, Director, Water and Sewer Utilities, EWSU.

About EWSU

EWSU provides high-quality, safe, dependable water and sewer services to the Evansville metro area. For more information, visit www.ewsu.com or contact customer service at (812) 436-7846.
