KELLEY COURES
EXECUTIVE DIRECTOR

For the Meeting Year 2021

The Historic Preservation Commission is an independent agency authorized to hear physical changes or construction proposed for listed properties overseen by the Commission. The Commission is a quasi-judicial body and follows specified procedures and code. The Commission fairly evaluates facts in each case and renders a decision at its monthly meetings.

Attached to this letter, you will find an Annual Schedule of Meeting Dates and an Application Packet. Please review the application packet and become familiarized with all submission requirements.

Prior to the submission of an Application, it is highly recommended that a pre-flight meeting be scheduled. Such a meeting will allow a precursory review of the intended application and to ensure that all petition-related matters are properly addressed and prepared for the Historic Preservation Commission.

If you have any further questions or needs, please do not hesitate to contact our office.
