Open Enrollment will be held November 1st through November 15th. The benefit choices you make during Open Enrollment will be effective January 1, 2020 and remain in place through December 31, 2020. Once Open Enrollment has closed, benefits can only be changed if you have experienced a HIPAA Qualifying Event AND make an appointment with the Auditor’s Office within 30 days of that event. You must also provide appropriate documentation.

If you have a qualifying event and do not provide documentation to Leslie Saiko or Rose White within 30 days, you will have to wait until the next Open Enrollment to make changes.

**SUBMITTING OPEN ENROLLMENT CHANGES:** All changes to insurance during open enrollment will need to be submitted to the Auditor’s Office on the appropriate application(s).
