Vanderburgh County Pavement Asset Management Plan

- Pavement ratings are based on PASER system of evaluating road conditions
- PASER stands for Pavement Surface Evaluation and Rating
- PASER evaluation is based on things such as surface defects, surface deformation, cracks, and patches and potholes
- Ratings are on a scale of 1 – 10, with 10 being the best
- Ratings were based on field data gathered by the Transmap Corporation through a contract with the Evansville MPO
