\*In-network dentists have agreed to accept discounts on covered dental services which allows for your benefit dollars to go further. Whereas out-of-network dentists are under no obligation to accept contracted fees. If there is a difference between the allowed reimbursement and the amount the dentist charges for the service, you are responsible for this difference. Therefore, your coinsurance may vary from the figures outlined above.

Your Employer will sponsor your plan and select your individual annual maximum dollar level, of which the benefit accumulation period is the Plan year. Your employer will also collect your portion of the premiums via payroll deduction and define eligibility requirements. You may not add, drop or change coverage during each contract period unless a qualifying event occurs. If a statement in this summary conflicts with a statement in the Certificate, the terms of the Certificate will control. All plans are issued subject to certain exclusions, limitations and restrictions such as frequency and age limitations. These exclusions, limitations and restrictions, and a listing of all covered services by ADA code, are described in your Certificate, which is available on our website or by calling Paramount Dental at 800-727-1444.
