### Vanderburgh County Commissioners Direct Funds to The Arc of Evansville

The team and the Board of Directors at The Arc of Evansville would like to thank the Vanderburgh County Commissioners for their continuous support of individuals with disabilities as they work towards self-sufficiency!

#### **About The Arc of Evansville**

*The Arc of Evansville is a not-for-profit organization with the mission to empower individuals with disabilities to build relationships, gain independence, and achieve their full potential. Founded in 1954 by a group of parents frustrated with the lack of services for their children with disabilities, the organization has become a leading advocate for the rights of individuals with disabilities. Innovative services range from training and supports for employment, transition services from high school to adult life, volunteer opportunities in the community, and the development of life skills.
