

## All Sign Applications

As of January 12, 2023, sign applications will need to meet all code requirements within the zoning code to be approved. Please make sure to have any additional documentation, i.e. Encroachment Agreements, Utility Letters for Installation within Easements, etc. submitted with your application.

Zoning Code requirements can be found as follows:

- City – Chapter 18.140 – Signs - Evansville Municipal Code;
- County – Chapter 17.26 – Signs – Vanderburgh County Code;

Variance applications may be filed and a copy of the application can be provided upon request.
