Vanderburgh County Commissioners Award
God is Good Foundation, Inc.
With ARPA Funds

With the support of Vanderburgh County Council, the Vanderburgh County Commissioners were proud to award God is Good Foundation, Inc. with $5,000 in American Rescue Plan Act (ARPA) Funds.

To respond to the public health emergency impact with respect to COVID-19 and its negative economic impacts, Vanderburgh County appropriated funds to non-profit organizations whose missions focus on arts, culture, and educational initiatives benefiting the County’s residents.

The God is Good Foundation, Inc., is Christian ministry that strives to live out the words of Jesus in how they serve our community, immigrants, and refugees. God Is Good has been helping people from all walks of life by giving them a hand up when they need help. Immigrants and refugees are often groups that slip through the cracks. God Is Good helps refugees begin new lives here in the Evansville area by serving their needs through resettlement and placement, employment, language and cultural orientation, mental wellness, women and youth programs, and intensive case management.
