Vanderburgh County Commissioners Award
Youth Resources of Southwestern Indiana, Inc.
With ARPA Funds

With the support of Vanderburgh County Council, the Vanderburgh County Commissioners were proud to award Youth Resources of Southwestern Indiana, Inc. with $25,000 in American Rescue Plan Act (ARPA) Funds.

To respond to the public health emergency impact with respect to COVID-19 and its negative economic impacts, Vanderburgh County appropriated funds to non-profit organizations whose missions focus on arts, culture, and educational initiatives benefiting the County’s residents.

Youth Resources’ mission is “to inspire and develop our community of youth to a life dedicated to leadership, service, and civic engagement.” Since 1987, Youth Resources has worked with over 149,850 students and funded more than 3,310 service projects in 6 counties. Their alumni give, serve, and lead in education, healthcare, business, law, nonprofits, tech and more, using the skills they learned through Youth Resources’ programs.
