## Scope of Service

408 S Morton

- 1.** Remove the existing gutters. Install new white 6-inch seamless gutters on the home with all new white downspouts. The new gutters are to be hung using hidden hangers. The new downspouts are to empty onto new concrete splash blocks and divert the rainwater away from the foundation. Include all materials and labor to complete a leak free installation.
  
- 2.** Replace the existing gas water heater and install a new gas water heater of like size. The new water heater is to be A.O. Smith or equal in quality. The new water heater is to be installed in a new plastic pan and drain away from the interior of the home to code. Include any water line and gas line repairs that may be needed. Include any materials and labor needed to complete.
