In yellow or on the north or right hand edge of the Henderson Road moving from the Ingle Mine, is shown the proposed three inch pipe line that we want to construct just off of the edge of the road proper, placing same below the frost line in the bank of the road, in order that we may take water from the City for drinking purposes from the City Water Company.

We would like your permission to do this, with the understanding that we are to lay pipe line, as per blue print, below the frost line, subject to the approval of your engineer or yourself. If you would like to go over the line, if you will kindly telephone this office, we will have Mr. McVay, the S. B. & B., who will do this work, or his representative if he is absent, go with you and point out what we want to do. After reaching our property line at Howell, we would want to cross the road so as to get into our property line, all of the work to be done subject to your approval, and under any reasonable arrangement that you may suggest.

In the Matter of the Petition
for Drainage by Ernst Hein, Jr.,
Ernst Hein, Sr., Henry J. St.
Clair, et.al.

Comes again Louis Meyer, Superintendent of Construction herein, and files his report and petition showing that since the order of August 5th 1912 of this Board ordering the sale of Two Thousand Five Hundred Forty-nine and 25/100 (\$2549.25) Dollars, bonds to be issued and sold, that Caroline Hornby, Caroline E. Hornby, Sarah A. Hornby, George W. Hornby, and Henry A. Hornby, land owners whose assessments aggregated Nine Hundred Ninety-three and 60/100 (\$993.60) Dollars, and Clara Hornby, now Clara Whiting, whose assessments aggregated One Hundred Eighty (\$180.00) Dollars, filed suits in the Vanderburgh

Superior Court against the Treasurer, Auditor, and Board of Commissioners of Vanderburgh County, Indiana, asking that they be restrained from collecting said assessments alleging therein that no notice was served on them or either of them of the filing of the report of the Drainage Commissioners herein in the Warrick Circuit Court.

That thereafter there was a finding by the Warrick Circuit Court that no notice was served on said Hornbys and Whiting or either of them, and that the judgment heretofore rendered by the Warrick Circuit Court, confirming the assessments against said Hornbys and Whiting was void.

That thereafter said parties filed remonstrances in the Warrick Circuit Court against their assessments as reported by the Drainage Commissioners appointed therein, and that upon a trial of said remonstrance, the finding and judgement of the court was in favor of said remonstrators and reducing said assessments of Clara Hornby, Clara E. Hornby, Sarah A. Hornby, George W. Hornby, and Henry A. Hornby from Nine Hundred Ninety-three and 60/100 (\$993.60) Dollars to Six Hundred ninety (\$690.00) Dollars, and Clara Hornby Whiting from One Hundred Eighty (\$180.00) Dollars to Sixty (\$60.00) Dollars, and that said parties agreed to pay said assessments in cash within three months of the rendition of said judgement instead of having bonds issued for said assessments so that said assessments of Nine Hundred Ninety-three and 60/100 (\$993.60) Dollars, and One Hundred Eighty (\$180.00) Dollars, aggregating One Thousand One Hundred Seventy-three and 60/100 (\$1173.60) Dollars, should be deducted from said sum of Two Thousand Five Hundred Forty-nine and 25/100 (\$2549.25) Dollars, leaving a balance of One Thousand Three Hundred Seventy-five and 65/100 (\$1375.65) Dollars, for which bonds should be ordered sold, and praying that said order heretofore made be corrected and modified as above shown.

And the Board having examined said report and being duly and sufficiently advised, now approves and confirms the same, and finds that said assessments of Caroline Hornby, Sarah A. Hornby, George W. Hornby, Caroline E. Hornby, Henry A. Hornby, aggregating \$993.60 and Clara Hornby Whiting aggregating \$180.00 will be paid in cash, and that bonds should not be issued for said assessments, and now modifies said former order as to said Hornbys' and other Whiting's assessment but in all respects confirms the same and finds that as shown by said report, bonds in the sum of One Thousand Three Hundred Seventy-five and 65/100 (\$1375.65) Dollars should be issued by said County in nine separate bonds, the number of the bond, date of maturity, and amount of each bond being as follows:--

<u>No. of Bond.</u>	<u>Date of Maturity.</u>	<u>Amount of Bond.</u>
#1	June 1st, 1913	\$152.85
#2	June 1st, 1914	\$152.85
#3	June 1st, 1915	\$152.85
#4	June 1st, 1916	\$152.85
#5	June 1st, 1917	\$152.85
#6	June 1st, 1918	\$152.85
#7	June 1st, 1919	\$152.85
#8	June 1st, 1920	\$152.85
#9	June 1st, 1921	\$152.85
Aggregate of all bonds		<u>\$1375.65</u>

And the Board now orders that said bonds be issued as above shown, to bear interest at the rate of five percent (5%) per annum, the first interest maturing and payable on

June 1st, 1913, and semi-annually thereafter on the first day of June and the first day of December of each year during the existence of each bond and until paid, to be evidenced by interest coupons attached to each bond. Said interest to begin on July 20th, 1912.

That said bonds shall show upon their face for what purpose they are issued and shall be payable from such assessments and not otherwise. And on the issuing of such bonds, the Auditor is ordered to give notice by publication in some weekly newspaper of said County that upon a day named not less than twenty days thereafter, and at the hour and place therein named, the Treasurer of said County will proceed to sell said bonds to the highest and best bidder for cash. That at the time and place so fixed in said notice the Auditor and Treasurer shall attend and offer said bonds for sale to the highest and best bidder, and they shall certify the result of such sale to this Board at its next meeting after said sale. Provided, However, that said bonds shall be paid at the Treasurer's office of Vanderburgh County, to be by said Treasurer paid over to the Treasurer of Warrick County, Indiana, being the County having original jurisdiction of the proceedings herein.

This drain shall be known and designated in said bonds as "Blue Grass Drain", and said bonds and coupons thereto attached shall be payable at the office of the Treasurer of Vanderburgh County, Indiana, in the City of Evansville, Vanderburgh County, Indiana. Said bonds and coupons thereto attached shall be signed by the Board of Commissioners of Vanderburgh County, Indiana, and attested by the Auditor of said County, or to bear the lithographed fac simile of their signature.

And the Board further orders that said Treasurer accept of said parties the amounts above shown as being their assessments, and that upon the payment by the said Caroline Hornby, Caroline E. Hornby, Sarah A. Hornby, George W. Hornby, and Henry A. Hornby, of the sum of Six Hundred Ninety (\$690.00) Dollars, and on payment by the said Clara Hornby Whiting of the sum of Sixty (\$60.00) Dollars, that he issue a receipt showing said assessments paid in full.

Vanderburgh County
Memorial Coliseum.

Come now the officers and directors of the Vanderburgh County Memorial Coliseum corporation and present the following petition to-wit, as follows:

STATE OF INDIANA :

Before the Board of Commissioners of
Vanderburgh County,
May Term, 1913.

In the matter of the Petition
of the Vanderburgh County Mem-
orial Coliseum Corporation to
aid in the erection and main-
tenance of a Memorial Coliseum
Building.

PETITION.

To the Board of Commissioners of Vanderburgh County:-

The undersigned, Vanderburgh County Memorial Coliseum Corporation, a corporation organized and existing under the laws of Indiana, being desirous of aiding in the erection and maintenance of a memorial coliseum building in Vanderburgh County, Indiana, in the manner provided by an Act of the Indiana General Assembly, approved March 15th, 1913, (Acts of 1913, page 951) now pursuant to resolution duly adopted this day by the Board of Directors of said Coliseum Corporation, hereby petitions your honorable Board to provide for the erection and maintenance of a memorial coliseum building in said County, the general plan of which shall conform to the purposes expressed in this petition and in the legislative Act above referred to, the building to be probably 200 feet square with an auditorium capacity of from 4,000 to 8,000 people and to be erected and furnished at an estimated cost, including ground, of not less than \$100,000.00 nor more than \$150,000.00.

Your petitioners further states that it is its purpose to join with Vanderburgh County in the erection and maintenance of said institution under and pursuant to the terms and conditions of said legislative Act; and to that end your petitioner hereby proposes and binds itself to pay one-third of the total cost of erecting said coliseum building, including the cost of the ground upon which the same shall be erected.

Your petitioner further avers that the public welfare will be promoted by the erection and maintenance of a memorial coliseum building as proposed by this petition, in this, that the people of Vanderburgh County will, by the erection of such building, not only pay a fitting tribute to the soldiers and sailors of past wars, but will themselves derive great benefits in thereby providing a coliseum or auditorium with capacity and equipment to accommodate assemblages of people, whether for scientific, religious, educational or political purposes, which building would likewise be available for the display of products both agricultural and manufactured, thus supplying to the people of Vanderburgh County a want now quite apparent because of the steady growth of population, the ever increasing development of manufacturing enterprises and the more intense cultivation of surrounding farm lands, all of which tend to make our County a greater commercial center.

Wherefore said petitioner prays that your honorable Board now declare by resolution that the public welfare will be promoted by the erection and maintenance of said memorial coliseum building and in such declaratory resolution that you agree on behalf of said County to join with said petitioner in the erection and maintenance of such building upon the terms stated herein and upon such further conditions as your Board shall order; and that a day be now named by your Board when a special election shall be held for the purpose of enabling the qualified voters of Vanderburgh County to ratify or disaffirm your action in the passage of such resolution, and your petitioners now here obligates itself to reimburse the county treasury for lawful election expenses in case the voters disaffirm such action of the Board.

In Witness Whereof the said Vanderburgh County Memorial Coliseum Corporation, by its President and Secretary, has hereunto executed this petition this 8th day of May, 1913.

VANDERBURGH COUNTY MEMORIAL COLISEUM CORPORATION

By Emil Weil

President.

ATTEST:

Phelps F. Darby

Secretary.

And the Board having carefully considered the matter and being fully advised in the premises on motion adopted the following

RESOLUTION --

Whereas the Vanderburgh County Memorial Coliseum Corporation has filed with the Board of County Commissioners its petition to aid in the erection and maintenance of a memorial coliseum building in this County and accordingly binds itself to pay one-third the cost thereof;

And it appearing to the Board that the people of Vanderburgh County will, by the erection of such building, not only pay a fitting tribute to the soldiers and sailors of past wars, but will themselves derive great benefits in thereby providing a coliseum or auditorium with capacity and equipment to accommodate assemblages of people, whether for scientific, religious, educational or political purposes, which building would likewise be available for the display of products both agricultural and manufactured, thus supplying to the people of Vanderburgh County a want now quite apparent because of the steady growth of population, the ever increasing development of manufacturing enterprises and the more intense cultivation of surrounding farm lands, all of which tend to make our County a greater commercial center.

Now, therefore, Be It Resolved by the Board of Commissioners of Vanderburgh County, State of Indiana, that the public welfare will be promoted by the erection and maintenance of a memorial coliseum building such as is proposed in said petition, and this Board now so declares.

Be It Further Resolved that said Board for and on behalf of said County hereby accepts the proposition contained in said petition and hereby agrees to join with the Vanderburgh County Memorial Coliseum Corporation in the erection of a memorial coliseum building, the general plan of which shall conform to the purposes expressed in this resolution and in the legislative Act authorizing same, the building to be probably two hundred feet square with an auditorium capacity of from 4000 to 8000 people and to be erected and furnished at an estimated cost, including ground, of not less than \$100,000.00 nor more than \$150,000.00;

Upon condition, however, that the petitioner, said Coliseum Corporation, shall pay one-third of such cost, including ground.

This agreement shall not be effective until ratified by the voters of Vanderburgh County at a special election in the manner provided by law, nor until said Coliseum Corporation shows to the satisfaction of this Board that it is able to pay its part of the money as required and guarantees the payment of same by giving bond with sureties to the approval of the Board and thus justifies said Board in confirming the agreement contained herein; and if this agreement be ratified at such special election and confirmed by the Board, then the further acts and duties of the parties to be governed by the provisions of the law under authority of which this action is taken.

(Act of Indiana General Assembly approved March 15, 1913; Acts of 1913, page 951.)

It is therefore ordered by the Board that the Auditor of this County be and he is hereby required to give notice of a special election to be held throughout the County on the 31st day of May, 1913, for the purpose of taking the votes of the legal voters of said County as to whether the Board of Commissioners shall join with the Vanderburgh County Memorial Coliseum Corporation in the erection of a memorial coliseum building as provided in the foregoing resolution, and in the manner required by said Act of March 15, 1913.

On Motion the Board adjourned to meet, Monday, May 12, 1913, at 10 o'clock A.M.

And the Court, having heard the evidence and being fully and sufficiently advised in the premises, now finds for the petitioners and against the said remonstrator, as to and on the question of public utility of said new and proposed highway, and that said new and proposed highway, as described in said petition as amended herein, is and will be of public utility. And the Court further finds that as to that part of said new and proposed highway that passes on, over, and across the land and property of said remonstrator, which said land and property is described as follows, to-wit:- "In the county of Vanderburgh and state of Indiana, to-wit:-

Lot number Ten (10) in the Administrator's Sub-division of lots Two (2), Seven (7), Ten (10), Eleven (11), Fourteen (14), Fifteen (15), the south half of Nine (9), and the west half of Sixteen (16) of Shanklin's Sub-division of the south-west quarter of Section Twenty-eight (28), Township Six (6) South, Range Ten (10) West, less fifteen (15) feet off the rear of said lot heretofore conveyed to the Ohio Valley Railway Company, and being the real estate described in the deed of D. "

that said new and proposed highway shall be laid out, established, and located on and across said real estate so belonging to said remonstrator, Knight School Township, Twenty (20) feet in width instead of Thirty (30) feet in width as in said petition described and prayed for; and that the total width of said highway on and opposite the said land so owned by said remonstrator, shall be and is Fifty (50) feet in width; and that said highway shall be located and established on and across said real estate and land of said remonstrator and the land opposite and south of said remonstrator's land Fifty (50) feet in width, that is, the north boundary line of said highway as now laid out, established, and located, is Ten (10) feet south of the said north line thereof as originally described in said petition herein; and that said highway and all parts thereof, except where the same passes on and over the said land of said remonstrator, Knight School Township, is and shall be Sixty (60) feet in width and as originally described, laid out, established, and located in the petitioners' petition and the report of the viewers thereon, herein.

Gentlemen:

The undersigned respectfully show that Fred L. Hisgen caused to be platted what is known as Washington Terrane, an addition to the city of Evansville, Vanderburgh County, Indiana; that in said plat certain highways are dedicated to the public, and among the number of said highways is Alvord Place, beginning between Block 1 and 2 on Lincoln Avenue and extending to Washington Avenue between Blocks 15 and 16; said highway is not less than one-half mile in length and has a parkway throughout its entire length and connects with and terminates with Lincoln Avenue or the Newburgh Road. That said highway has a substantial graded roadbed not less than 20 feet wide, with suitable side drains, culverts and bridges and with grades not exceeding the maximum of free gravel or turnpike roads of such county, and said highway has placed thereon not less than one yard of suitable broken stone for every three feet in

Barney D. Royston

Wherefore the said board establishes said Alvord Place as a free turnpike from Lincoln Avenue Road to Washington Avenue Road, as laid out and plated in Washington Terrace, an addition to the City of Evansville in Knight Township, Vanderburgh County, excepting however the curbing and gutter or side drains on both sides of said road, for its entire length, the same being constructed of concrete and they shall be not considered a part of said free turnpike nor subject to repair as such.

Lots Fourteen (14), Fifteen (15), Sixteen (16), Seventeen (17) and Eighteen (18) in Block Eight (8) of Stockwells's Enlargement to the City of Evansville in Vanderburgh County, Indiana.

That one of the conditions upon which said authority was granted was that this Corporation should, in addition to the funds now subscribed for stock, which funds are to be used for the erection of a Memorial Coliseum Building jointly with the County of Vanderburgh, obtain in stock subscriptions an amount that would equal \$50,000.00 in the aggregate. Your petitioner states that at the date of the passage of said ordinance by the Vanderburgh County Council, it then had stock subscriptions to the amount of \$46,407.98; and that since said date it has secured in stock subscriptions the sum of \$6,340.00 making a total of \$52,747.98. A list of the original stock subscriptions aggregating \$46,407.98 is attached to a petition filed with this Board on the 17th day of December, 1913, and is now referred to and made a part of this petition. A list of the additional subscriptions aggregating \$6,340.00 is attached hereto and is also made a part of this petition.

Your petitioner further states that by reason of having obtained the stock subscriptions as heretofore stated it has complied with the condition exacted of it in the authority granted by the Vanderburgh County Council above referred to.

Wherefore the said Coliseum Corporation prays that the Board of Commissioners of Vanderburgh County proceed to acquire the real estate above described under its authority granted by the Vanderburgh County Council aforesaid and under the statutes of Indiana made and provided in Sections 5907-5912 inclusive of Burns Revised Statutes of 1914.

COUNTY OF VANDERBURGH)

IN THE COMMISSIONERS COURT, SEPTEMBER
TERM 1914.

IN THE MATTER OF THE
PETITION OF JOSEPH C.
GOODY FOR TRANSFER OF
LICENSE FROM HENRY LOVEJOY.

PETITION TO SET ASIDE TRANSFER OF LICENSE.

Comes now Henry Lovejoy, and being duly sworn upon his oath says that he is the owner of a license to sell intoxicating liquor at retail on the following described premises in the city of Evansville, Vanderburgh County, Indiana, to-wit:-

#1621 Main Street, in Two (2)
Story Brick Building in the front
room on the ground floor, located
on Lot Number One (1), in Block Nine
(9) Heidelbach and Elsas Enlargement
city of Evansville, Indiana.

That in the month of January, 1913, deponent was engaged in conducting a retail liquor business at #428 Sycamore Street, Evansville, Indiana, and that he was the owner of a license to sell liquor in said premises on said date. That such license held by the deponent at that time expired on the 7th day of February, 1914. That in January, 1914, Henry Dickman, Jr., who was at the time, and now is license officer of the city of Evansville, Indiana, offered and proposed deponent to fix up his renewal papers for the renewal license held by deponent, and deponent accepted such services and at the request of said Dickman signed two papers, one an application for a renewal of a license, and the other as deponent has since discovered an application for the transfer of such liquor license. Deponent did not know how to make out renewal papers under the liquor law passed in 1911, and relied upon said Dickman in having such papers properly prepared. That said deponent delivered said papers signed by him to said Dickman, that the papers signed by deponent and delivered to said Dickman were printed forms and had no writing of any kind whatever in them at the time such papers were delivered to said Dickman. That deponent authorized said Dickman, to fill out such papers so as to make the same proper for the renewal of a license and did not give any other authority to said Dickman. That on the 10th, day of August, 1914, deponent filed an application with your Honorable Board for the transfer of a license held by him to sell intoxicating liquor at #1621 Main Street, to 1001 North Governor Street. That on the 25th, day of August, 1914, one Joseph C. Goody, filed with the Auditor of Vanderburgh County, an application for the transfer of the license held by deponent at #1621 Main Street, to said Joseph C. Goody, and filed along with said application the paper signed by deponent at the request of said Dickman, which said paper had been fraudulently and wrongfully altered and enlarged by the insertion by the following words and figures to-wit:-

"#1621 Main Street, in a Two (2) Story
Brick Building, front room, ground floor,
on Lot #1, Block #9, Heidelbach & Elsas
Enlargement, city of Evansville, Pigeon
Township, Vanderburgh County, Indiana,"
and also the words and figures "Jos.
C. Goody," "retail liquor", "August 1914".

That deponent is not acquainted with Joseph C. Goody, and has never had any dealings or conversations with Joseph C. Goody, or any one representing him in regards

to the transfer of said license, and that deponent has never transferred or attempted to transfer to said Joseph C. Goody any license, and that deponent has never made or executed to Joseph C. Goody or to any person on behalf of said Joseph C. Goody any application or request for a transfer of a license, That said Joseph C. Goody, fraudulently and wrongfully filed such application for the purpose of cheating and defrauding this deponent. That your Honorable Board of Commissioners on the 7th, day of September 1914, on the strength of said Fraudulent petition of said Joseph C. Goody and on the strength of said altered application for transfer presented to Joseph C. Goody, granted to Joseph C. Goody, the transfer of the license held by deponent. That said deponent did not at the time said blank application for transfer was signed by him own any license on the premises described in the petition presented by said Joseph C. Goody. That the said Joseph C. Goody has perpetrated a great fraud upon your Honorable Board, and this deponent by his fraudulent and wrongful action in filing said petition for transfer before this Board. That by reason of such wrongful and fraudulent conduct of said Joseph C. Goody, said transfer granted by your Honorable Board on the 7th, day of September, should be set aside.

WHEREFORE deponent prays your Honorable Board that the transfer of the license from Henry Lovejoy, to Joseph C. Goody, granted by your Honorable Board on September 7th, 1914, be set aside and all other proper relief.

He was far above all the things of this earth. He had not a moment for play. He boned on his studies for all he was worth. And thought 'twas a sin to be gay. PETITION

STATE OF INDIANA ?
VANDERBURGH COUNTY :

BEFORE THE BOARD OF COMMISSIONERS
OF VANDERBURGH COUNTY,
FEBRUARY TERM, 1915.

In the Matter of the
proposed erection of
a Memorial Coliseum
Building.

The undersigned, Vanderburgh County Memorial Coliseum Corporation, respectfully shows that pursuant to action taken by the Board of Commissioners of Vanderburgh County on the 8th day of May, 1913, the said Board did on the 17th day of December, 1913, ratify and confirm the resolution and contract for the erection of a proposed Memorial Coliseum Building and to that end made and entered the following order and judgment, the same being of record in Board of Commissioners' Record S - 1, at page 157, to-wit:-

"It is therefore considered and adjudged that the resolution heretofore adopted by the Board on the 8th day of May, 1913, be and the same is hereby ratified and confirmed, on the basis of an expenditure of \$100,000.00 for the proposed Coliseum, provided, however, that should said petitioner, the Vanderburgh County Memorial Coliseum Corporation, succeed in raising an additional amount up to \$50,000.00 as and for its portion of the fund with which said Coliseum shall be erected, that in that event the Board will increase the portion to be appropriated by the County of Vanderburgh accordingly up to \$100,000.00. "

Said petitioner now shows that since the foregoing order of December 17th, 1913, was entered by the Board of Commissioners, it has raised an additional amount of money for the purpose contemplated so that the total now aggregates \$50,000.00; that it has in cash \$37,286.98, of which amount the sum of \$1100.00 is in the form of three negotiable and bankable notes, the makers of which are amply solvent, and which are treated as cash because they are convertible into cash at any time; that it has in stock subscriptions or pledges a total sum of \$16,885.16, from which said Corporation hopes to realize in cash at least \$12,713.02, which is the amount needed to bring the total of cash up to \$50,000.00. A list of said stock subscriptions or pledges is attached herewith and made a part of this petition.

Said petitioner further shows that on the 15th day of February, 1915, it filed with the Board of Commissioners its bond for \$10,000.00 with Benjamin Bosse, Emil Weil, Henry E. Dreier, H. D. Bourland, J. C. Johnson, Edw. Ploeger, Wm. A. Koch, Wm. Heyns, U. H. Seiler, H. W. Goebel, H. J. Rusche, Willis M. Copeland, Byron

Parsons, Phelps F. Darby, and Henry Wimberg as sureties thereon, conditioned that said Coliseum Corporation will furnish its share, up to \$50,000.00, of the money, as the same shall be required for the proposed Memorial Coliseum Building.

Wherefore said petitioner prays that the said bond for \$10,000.00 may be approved and that said declaratory resolution of May 8th, 1913, and the agreement stated therein, shall be ratified and confirmed and thereby become binding and effective upon both parties upon the basis of a total expenditure of \$150,000.00 for the proposed Memorial Coliseum Building.
