To the Honorable the Board of County Commissioners of Vanderburgh County.

The undersigned citizens and tax payers of your County, respectfully pray that Suitable measures be instituted by your Honorable body to recover from Victor Bisch Auditor of Said

County., a large Amount of money, which it is alleged he has received without authority of law during his term of office, and to this end we ask that Suitable Attorneys be appointed to bring Suit against said Besch, in the name of the County to recover said money - Signed by A. L. Robinson and others.
Fred. Reichardt and others
John L. Potts and others -
And the Board upon due consideration referred the matter to their Attorney and requested his written opinion which reads as follows:

Evansville Ind March 11th 1868

To the Honorable Board of County Commissioners of Vanderburgh County.

Gentlemen,

In answer to your enquiry as to the propriety of instituting a Suit against Mr Victor Besch the County Auditor to recover money paid him upon allowances made by the Board of Commissioners, I would say that I have examined the petitions before the Board requesting you to commence such Suit, and find no information in them that could be used upon the trial of such a cause.

I have also informed myself as to the facts so far as such information is within my reach and would say that unless the facts are very different from my information it will be impossible to recover Judgement against Mr Besch for any amount.

The case of Nelson Vs the State on the relation of the Board of Commissioners of Madison County, reported in the 16th Indiana Report at page 29, covers every fact in Mr Besch's case, with which I am familiar and renders a recovery impossible unless other facts exist, or the case reversed to be reversed in the Supreme Court.

I cannot advise the Board to spend money in a hopeless case, but if any respectable lawyer will take a contingent fee I could see no objection to allowing them to prosecute Such Suit at their Expense.

Very respectfully &c
Robert A Hill
County Attorney.

And the Board having considered the opinion of the Attorney and the facts in the case, Ordered that said Petitions be dismissed.

Ordered that the Board adjourn till to morrow morning at 9 O'Clock.

To the Honorable the Board of Commissioners of

# Board of Commissioners, Vanderburgh County, Sp. Jul Term 1868.

Vanderburgh County Gentlemen,

Allow me to ask as an especial favor that you will appoint a competent person or persons to carry out my Plan and ideas for the Bridge across Pigeon Creek near the Salt-Well.

My reasons for suggesting such is that no matter how and in what manner an Engineer may make a design and calculate the various forces necessary to overturn or break down a Structure, if the same is not carried out on the basis of his ideas and calculations, the whole may be a failure.

I find by experience that the unfortunate individual, professional or otherwise, who designs anything for the public is the Scapegoat of the Press, even when he has no more control over the Structure more than the fabled "Man in the moon".

Now Gentlemen I have made you Plans and Specifications for a Bridge across Pigeon Creek near the Salt-Well and if carried out I challenge any and every person to deny its Stability

Jas D. Saunders.

To the Honorable Board of Commissioners, Vanderburgh County, Indiana

September Term 1868.

In pursuance of an order from your Honorable Board, dated the 17th of July A.D. 1868.

We the undersigned did qualify as Viewers, at the Office of Francis Feeney Esqr in Perry Township on the 12th day of August 1868. We did then proceed to View the Highway and New Road named in your order, located on the lands in the rear of the dwelling House and Farm Buildings belonging to Elijah Decamp in Union Township, Vanderburgh County. On View we find that Elijah Decamps' land has a frontage on the Ohio river of half a mile; that the dwelling house and Farm Buildings are situate in a Bend of the river, about the Center of that frontage we find that the washing of the river bank is principally in that Bend, extending from one hundred and fifty or two hundred yards, we also observed that while the upper or East end of this frontage is making considerable Land from the washing of the River, the lower or Western End is slightly washing away, as conclusively shown by the fence Posts yet remaining where they were placed by the Elder Greathouse, some thirty years ago. We also examined the new road in the rear of the dwelling House and farm Building, and find that the Supervisor who located that Road, placed it in the most convenient place for the use of the public and of Mr Decamps, at the same time doing him as little damage as possible, there being no evidence of Even a single Tree being removed in locating the Road. The Land occupied by the said new Road is about 185 a Squiare ~~feet~~ yards, We therefore after a carefull Survey of the whole case, do assess the damage at Fifty dollars.

Joseph H. Brandes.
Theodore Mesker

And the Board, having duly considered and examined said

Report-, accept- and approve the same and it is now here Ordered that the Sum of Fifty dollars be and the same is hereby allowed to Elijah Decamps for damages Sustained by reason of the change and location of said Road.

To the Honorable the Board of Commissioners of Vanderburgh County.

The undersigned respectfully reports that he has had time Since his appointment by this Board to make only a partial examination of the records of the County in reference to the Bounty fund, but it appears that at the Special January Session of this Board 1865 Book L. page 582 that there was an appropriation of Thirty five thousand dollars the funds of Said County made to pay bounties to Volunteers who might Enter the army of the United States and to hire Substitutes for Such of the Citizens of Said County as might be drafted into the Same and that County orders were issued for that amount, which was received by Victor Bisch Esq. who acted as the Treasurer of Said Bounty fund. It further appears, not by Said Record but from the History of Said County that divers Citizens paid into the hands of the Said Bisch, in pursuance to the Order of Said Board Various Sums of money of thirty dollars and upwards each to increase the amount of Said Fund. It also appears by the Said Order making Said appropriation that the Common Council of the city of Evansville also appropriated to Said Bounty Fund the Sum of Twenty five thousand dollars, which the Said Bisch received as the Treasurer of Said Fund. It appears by the Books of the Treasurer of Said County that divers Sums of money and county orders were paid out to Volunteers as Bounty or were paid out to hire Substitutes for drafted men, but the Amounts So paid the undersigned has not yet had time to ascertain. The undersigned further States that So far as he has examined, the records of this Board furnish no evidence whatever that Said Bisch has ever made any Report of this Trust, and that he has received these large Sums amounting to over Sixty thousand dollars including the payments made by individual Citizens, and that no report of the Same has ever

been offered by him to this Board or to any one else.
The undersigned therefor respectfully recommends that your Board pass an order at and during the present Term requiring the said Victor Besch Esqr. County Auditor to make and render to this Board, at the next January Term 1869 a full and complete report Verified by his oath duly administered, showing in Separate columns the Amount of funds which came into his possession or under his control on account of the said Bounty Fund.
1st The amount received from the Treasurer of said County, and whether in County orders or in cash, and the amount of Each, and also giving the date, amount and number of Each order So received.
2nd The amount received from the city of Evansville of the said appropriation of Twenty five thousand dollars, and whether received in city orders or in cash, giving the amount and number of each city order So received.
3d The amounts received from citizens of the said County, with the names of Such citizens and the amount paid by each, and also to give the names of Each and all persons who have made payments to said Besch on account of said Fund.
4th to give the names of any and all other persons contributing to said Bounty Fund, other than those herein above named with the Amounts So contributed with the date of Such contribution.
And also to show by the same report all the disbursements made by said Besch on account of said Fund, whether in County Orders, city Orders or in Cash, and the amount of each, the names of the persons with the number and amount of each order to each one, to whom Such payments were made, with the date of Each payment, and that he file with said report his Vouchers for all of said payments.

Monday morning March 8 at 10 O'Clock the Board met pursuant to adjournment when present: Philip Decker, Thomas Bower and Samuel Barker Esqrs members composing said Board.

Opinion of Azro Dyer concerning the resignation of H. W. Hawkins.

To the Board of Commissioners of the County of Vanderburgh

You ask my opinion in regard to the validity of the proceedings of Philip Decker, a member of your Board and Victor Bisch Auditor of the County, had on the second day of March 1869 (as appears from your Record) and touching the Appointment of Samuel Barker Esqr, as County Commissioner.

Soren Sorenson, Clerk of the Vanderburgh Circuit Court was Examined under Oath before you on the 3rd day of March 1869 and he testified that Henry Hawkins County Commissioner had not, up to that time, transmitted to him any resignation, or any writing which purported to be a resignation of his Office as a member of your Board.

Mr. Hawkins received the certificate of his election to that Office from the Clerk of the Vanderburgh Circuit Court, as provided by Section 2 Chapter 32 of the 1st Volume of the Revised Statutes. This Certificate with the usual Oath of Office taken and certified on the back thereof, entitled him to act as such Commissioner, (See Section 4 Chapter 34 of Same Volume). This certificate with its indorsement is made by the Statute to have the effect and take the place of a Commission from the Governor.

The manner in which he may resign the office is also carefully regulated by the Statute.

He shall transmit his resignation to the Clerk of the circuit Court and Give notice thereof to the Board. (See Sections 5 & 8 of the 32nd Chapter Same Volume) In this, as in most other cases, the Law seems to require that the power shall be returned to the place whence it came. By Section 5 he may transmit his resignation to the Circuit Clerk. It is the only legal way for him to resign the Office. The resignation transmitted or delivered to the Clerk, seems to be the essence of the transaction. Section 8, only provides a convenient mode of bringing this resignation to the knowledge of the Board.

In view, then, of the testimony of Mr. Sorenson and these Provisions I am of the opinion that Henry Hawkins has not in any legal manner resigned his Office as a member of your Board, that in the absence of any resignation on his part, no Vacancy has occured, and there being no Vacancy, Mr. Decker and Mr. Bisch acted without Authority of law) in appointing Samuel Barker Esqr as a Commissioner and the proceedings under consideration are to that extent a nullity and Void

# Board of Commissioners, Vanderburgh County, March Term 1869.

## Opinion of Asa Iglehart Esqr.

Hon. Board of Commissioners of Vanderburgh County.

Having been requested by you to give an opinion as to the validity of the appointment of Samuel Barker County Commissioner, to fill an alleged Vacancy occasioned by the alledged Resignation of Henry Hawkins. I have examined the Commissioners Record and the Statutes bearing on the subject, and listened to the Statements of the case by the individual Members of the Board, and now proceed to comply with your request.

The facts as I learn them from the Sources above stated, are about as follows: on the 26th day of February 1869 Mr. Hawkins, desiring to resign his Office as County Commissioner, applied to Mr. Auditor Bisch to prepare a formal resignation. Mr. Bisch believing that the resignation should be directed to, and filed in the office of the Auditor, addressed the paper to himself and after Mr. Hawkins had Signed the Same, the Auditor deposited it in his Office.

The language of the instrument is "Herewith I resign my Office as County Commissioner of Vanderburgh County".

On the Second day of the present Session of the Board some proceedings were had the Validity of which I think is not involved here, and I therefore omit any formal Statement of them. On the third day of the Term the two remaining Commissioners Messrs Decker and Bower and the Auditor being present, it was proposed by Mr. Decker, President of the Board, to fill the Vacancy occasioned by the resignation of Mr. H. Hawkins, whereupon Mr. Bower objected, upon the ground that the resignation of Mr. Hawkins was not delivered to the Clerk, and it was proven by the clerk that no resignation was on file in his Office.

That pending these proceedings the clerk of the Circuit Court filed his certificate stating that on that day the resignation of Mr. Hawkins had been filed in his Office, whereupon the Board being still in Session Mr. Bower being present but protesting, Samuel Barker was appointed to fill the Vacancy. It appears upon Examination, that the resignation to which the Clerks certificate was the same which was left by Mr. Hawkins with Auditor Bisch, and the inference is a fair one, that Mr. Bisch filed it in the Clerks' Office.

It further appears that after the Order appointing Mr. Barker, Mr. Hawkins, came before the Board and Stated that he had given his resignation to Mr. Bisch, believing that he was the proper Officer and intending a resignation, that She never gave any express authority to Mr. Bisch to file it in the clerks Office, That he was informed that the resignation was illegal and if So he desired to withdraw or revoke it.

By the Second Section of an Act concerning Commissions, Certificates and resignations of Officers 1 G. & H. R.S. 245, it is provided that County Commissioners are to receive (in lieu of their Commission) a certificate from the Clerk of the Circuit Court.

By the 3d Subdivision of the 5th Section of the same act, it is provided by the resignation of certain officers embracing County Commissioners shall be transmitted to the Clerk of the Circuit Court and by the 8th Section of the same act the person so resigning shall give notice to the Board or Court having power to appoint a Successor.

Now the Question, and the only one in my opinion, presented here, is, did Henry Hawkins within the meaning of the Statutes, and upon a fair construction of the Acts of all the parties, transmit his resignation to the Clerk of the Circuit Court? For it will scarcely be contended, that if the resignation was legally accomplished that Mr Barker's appointment is illegal.

If the resignation was properly tendered the office at once became Vacant, and no act of ratification or acceptance was necessary on the part of the Board of Commissioners, nor was it in the power of Hawkins to revoke or withdraw the resignation if once it was lawfully placed in the hands of the Clerk.

So then let us Enquire whether the resignation was properly made. The Clerk certifies that the resignation was duly filed in his Office. The Board will of course presume that the resignation came properly into the hands of the Clerk as the law always presumes that that which is upon its face regular is absolutely so, and he who alleges irregularity must prove it, and no attempt was made here as I understand to show any substantial irregularity, indeed the Board of Commissioners might well have treated the certificate or notification of the clerk as conclusive and have refused to look outside of it. — As to the necessity of the person resigning giving notice, the provision of the Statute on this subject is merely directory, and if it were at all material to comply with it, the delivery of the resignation to the Auditor was a sufficient notice, as he was the Clerk and a member of the Board charged with the appointment of a Successor.

So then I arrive at the conclusion that the Board had before them Evidence from which they might fairly presume, if not conclusively, that the resignation was regularly transmitted to the Clerk, and having acted upon it their action is conclusive upon all the world.

But as this view will be regarded as technical I propose to place my Opinion upon higher ground.

The case is this Mr Hawkins desires to resign his Office, he goes to Mr Bisch the Auditor to write his resignation and takes the steps necessary to perfect the resignation, by mistake he addresses it to himself as Auditor, a thing wholly immaterial, no address was necessary, a wrong address did no harm, the instrument was a resignation in due form and valid notwithstanding a wrong address. The Auditor files it in his own Office, and finding it should have been filed with the Clerk, corrects the mistake he induced himself, by filing the paper in the proper Office; under such circumstances the law will simply the authority of Mr Bisch to carry out the object of Hawkins, by placing the paper in the right Custody.

There is a principle of Law which applies with great force here. It is this, the law will ordinarily carry out the intention of parties if a

Contract or other transaction, regarding the substance rather than the form, and seek rather to give effect to the object intended to be accomplished than to defeat the same.
Here Mr. Hawkins in good faith intends a resignation, & substantial compliance with the provisions of the Statute to accomplish that object was had, and I am clearly of opinion, that any court would construe the acts of the parties to have legally produced a Vacancy, and therefor the appointment of Mr. Barker is Valid.
Mr. Bowers protest or opposition could not invalidate the appointment there being at the time a legal Vacancy.
I fully concur with the County Attorney that "the transmission of the resignation to the clerk is the essence of the transaction." and that having taken place the resignation was perfect, a Vacancy occured and the appointment of Mr. Barker, being regular, is Valid.

respectfully.

Asa Iglehart.
