To the Board of Commissioners of Vanderburgh County
June Session A D 1843

Whereas Enoch Kennedy a member of the Board of Commissioners of Vanderburgh County at a Special Session of Said Board held on the 22d of April 1843 made and Presented his Protest to Said Board wherein he animadverted upon the official Conduct of the undersigned as a member of Said Board of Commissioners and ascribes to him motives and actions which have no foundation in truth and Said Protest having been Spread upon the County Records when the undersigned was not Present to object thereto, it becomes the duty of the undersigned in justice to himself to make a Statement of facts in answer to the matters Charged or rather enumerated against him in Said Protest - The undersigned therefore begs leave to State, That it is true as alleged in Said Protest that an order was made by the Board of Commissioners at their last regular Session in favor of R. H. Gould for the Sum of $25.00 and that Said order was passed in opposition to the opinion and vote of the Said Enoch Kennedy but the undersigned alleges that it is not true that Said order was made without any account having been Presented or Claim made to or upon the Board by the Said Gould, but on the Contrary the undersigned avers and States that the Said Gould did appear before the Board at the time Said order was made and Claimed from Said Board the Sum of about $150 - for Keeping a Pauper ——— and all the members of the Board being of opinion that the County was not Legally liable for Keeping Said Pauper because She had not been regularly returned to the Overseers of the Poor and the undersigned and his Colleague David D Grimes being fully Satisfied that Said Pauper would have been a Charge upon the County during all the time She was Kept by the Said Gould if She had been returned and believing that Said Gould was Equitably entitled to Something they concluded in opposition to the opinion and vote of the Said Kennedy to allow the Said Gould the Said Sum of $25.00 and the order Signed them (as is Customary) reciting Said Claim to writing and the Same was formally Passed by the vote of the undersigned and the Said David D Grimes, the Said Kennedy voting against its Passage. Said Gould at the Same time applied for licence to Keep the Hotel alluded to in the Protest and the amount allowed Mr Gould was just the Price of his licence: Mr Kennedy however has discovered that the undersigned is the Landlord of Mr Gould and the Protest ~~and the amount allowed Mr Gould~~ insinuates that the undersigned is interested in the Hotel kept by Said Gould and therefore Mr Kennedy most solemnly Protests against the Passage of the order. The Protest is not against the act of

majority of the Board but against the motives of the und
one of the members of the Board, of the Protest in relation
fact that an unjust claim had been allowed & if it w
true that the order was Passed without any demand ha
been made upon the Board. then a Protest against the a
the Board would have been Proper, but untill Some off
act which is wrong in itself is established against the w

The next Charge contained in th
Protest is as follows that is to Say "That at the last Sessi
meeting of this Board Willard Carpenter a member of th
Board Proposed to lease to the County a Piece of Land
Granville for the use of the Poor and the undersigned
to it and David L Grimes formed it and after the und
had made Several motions to adjourn which were lo
Said Carpenter Said he would not be defeated on his
by my objections, and would vote for the lease himself
the question being put the Said Grimes and Carpenter voted
that the Board Should lease from Said Carpenter 20 acres
his land for five years at $250 rent per annum & the Said
erecting thereon buildings to the Value of $500

The undersigned Pursuant the above
to be untrue in many very Particulars. The facts relative
lease are Simply these, At the regular March Session of the
the undersigned Suggested to the Board the Propriety of
Purchasing or renting a Piece of land Some where in the
hood of Granville and erecting thereon a Poor House for
accomodation of the Paupers of the County and after the
had been Considerable conversation on the Subject. the
H.L. Grattenny Suggested to the Board that the undersigned
owned a Piece of Land adjoining the Land of Mr Bell
and upon this Suggestion being made the other members of the
Board both Proposed to the undersigned that he Should lease
twenty acres of Said Land to the County and wished to know
what sum per annum the undersigned would take for the
same, Whereupon the undersigned told the Board that he did
not wish to lease the land if they could get a suitable lease
from any other Person and at the same time informed them that
if he did rent twenty acres of it and erect a house on it worth
$500 he Could not take less than $300 per annum Payable

County as day, this transpired in the forenoon of the day and when the Board adjourned at noon the undersigned proposed that each of the members should make enquiry whether there was any other land near to the Town which could be rented on more favorable terms for that purpose, In the afternoon of the same day the Board again met and Mr Kennedy himself then proposed to take the land for five years for $225 per annum payable in County orders the undersigned to erect a house and other improvements thereon of the value of $500 to this proposition the undersigned told them he could not accede and at the same time informed the Board that they might have the Land for $250 per annum and the undersigned requested the other members of the Board to let him know that evening what conclusion they came to as he was about to start for Princeton and if they rented the Land the undersigned intended to have an Order before he started for lumber to build the Poor house, On the evening of the same day the Auditor informed the undersigned on Mr Grimes Instance that the Board had agreed to lease the land and requested said Auditor that he should inform the undersigned that he might proceed to order the lumber for the house, The undersigned the same evening ordered the lumber, and started for Princeton and when he returned was informed by the Auditor that Mr Kennedy the next morning after the undersigned had ordered the lumber and started for Princeton told the Auditor he could not agree to the lease and that he should not enter into the contract on the record, At the suggestion of the undersigned a Special meeting of the Board was Called again to consider the matter, and the undersigned at that meeting again informed his Colleagues that although he had given an Order for lumber State he did not wish them to rent his Land but that he was anxious that there should be a Public house of employment for the Paupers of the County as the expence of keeping them could thereby be greatly reduced The undersigned and Mr Kennedy then waited upon Mr Sherwood to ascertain whether he would sell or rent a piece of his land near Damascus Cty. Mr Sherwood agreed to sell Ninetien Acres for $1600.25 and the undersigned was in favor of purchasing it at that Price but the other members of the board were opposed to the Purchase because Mr Sherwood would not agree to build a house on the land by being paid. for building the same, the undersigned in the presence of Mr Kennedy told him Said Sherwood if he would do so, he the undersigned would furnish the lumber for the house at the Cash market Price and take his Pay in County Orders at Par but Mr Sherwood would not agree to the Proposition, The other members of the Board then again proposed to lease the said piece of land from the undersigned and after Considerable
