On motion the following Rules of the County Board of Health, Governing the Pest House, and Quarantines during Epedemics was adopted by the Board and ordered spread of Record in full.

Duties of the Secretary of the County Board of Health.

1. The Secretary of the County Board of Health upon

receipt of notice from the Secretary of any local Board of Health or of any Physician in Vanderburgh County of a case of small pox in Vanderburgh County, may at once order the Superintendent of the Pest House to remove such person to the County Pest House; or the Secretary of the County Board of Health may if he deems it advisable, appoint a physician to examine the person suspected. If after such examination the physician reports the person suspected to be suffering with small pox and his location is such as to endanger public health, the Secretary of the County Board of Health shall at once order the superintendent to move such person to the County Pest House. However, if after the examination of the person suspected, the physician reports such person to be suffering from small pox but his location not such as to endanger public health, and if the location of such person be in Vanderburgh County and not within the corporate limits of any city or town therein, and his financial condition is such as to enable him to obtain medical assistance and the necessaries of life, the secretary shall not order such person removed to the pest house but shall establish a quarantine.

2. The physician employed under the preceding section by the Secretary of the County Board of Health shall receive a compensation for his services the sum of Three Dollars ($3.00) for each examination made.

3. During the time that patients are confined in the pest house the Secretary of the County Board of Health shall visit such institution at least once a week.

4. During the existence of an epidemic of smallpox in the County, the Secretary of the County Board of Health shall upon the first day of each month render a written report to the County Board of Health of the number of quarantines maintained by him during the preceding month; the names of the persons employed as guards, with the actual days or nights of service rendered by each person. Such report shall also contain the name of each patient removed to the pest house and the date of such removal.

Board of Commissioners, Vanderburgh County, Indiana, Sept. 6th 1900.

Quarantines:

1. In all cases where there has been an exposure or a suspected exposure to small pox, of any person residing either temporarily or permanently in Vanderburgh County and not within the corporate limits of any city or town therein, it shall be the duty of the Secretary of the County Board of Health to quarantine for fourteen days such person as may be exposed or suspected of having been exposed to small pox, and to advise a vaccination or revaccination of all persons who may have been thus exposed.

2. If the Secretary of the County Board of Health upon investigation finds that the location of any person suffering from small pox who resides either temporarily or permanently in Vanderburgh County and not within the corporate limits of any city or town therein, is such as not to endanger the public health, and that such person is able financially to obtain medical attention and the necessaries of life, the said Secretary shall establish and maintain a quarantine of such person, and all other persons suspected of having been exposed for a period of fourteen days after the termination of the contagious stage of said disease.

3. In order to maintain such quarantines the Secretary of the County Board of Health is empowered to appoint two persons to guard the premises quarantined, one for the day and the other for the night. The guard when so appointed shall be under the direction and control of the Secretary of the County Board of Health and shall receive as compensation for his services the sum of One dollar and seventy five cents ($1.75) for each day or night of actual service rendered, it being understood that all guards shall board themselves.

Duties of Physicians in charge of County Pest House.

1. After the appearance of an epidemic of small-pox and the admission of a patient to the pest-house, the physician in charge shall make daily visits to the pest house or oftener if the condition

of the patients require it. such visits to be continued until all of the patients are discharged.
2. Said physician shall have entire control of the medical treatment of the patients, and general direction of the management of the sick wards, subject to such rules and regulations as the County Board of Health may from time to time impose.
3. He shall have control of the nursing of patients and shall promptly report to the Secretary of the County Board of Health any neglect or ill treatment of patients, or irregularity committed by the superintendent or anyone else connected with the institution.
4. He shall record the name of every patient with the date of admission, age, sex, color, nativity, occupation, disease, and the date of discharge or death, and such other matters as he or the Secretary of the County Board of Health may consider important or necessary.
5. He shall on Saturday of each week render a report to the Secretary of the County Board of Health stating the number and dates of visits he has made, the number of patients admitted or discharged or that have died since last report, with the date of such admission, discharge or death, giving the name, sex, color, and disease, with such other information as the Secretary of the County Board of Health may think necessary.
6. He shall also on the first day of each month render a report to the County Board of Health of all patients that were admitted, discharged, or that died during the preceding month, with the date of such admission, discharge or death. This report is intended to contain a summary of the weekly reports rendered the Secretary of the County Board of Health
7. Such physician shall furnish all medicines necessary in the treatment of patients confined in the pest house.
8. As compensation for medicines furnished and service rendered, such physician shall receive the sum of ($5.00) five dollars for each day he visits patients in such institution.

Board of Commissioners, Vanderburgh County, Indiana, Sept. 6th 1900

Rules Governing the Superintendent of the Pest House.

1. The buildings, grounds and property of the pest house shall be under the general charge of the superintendent, subject to such rules and regulations as the County Board of Health may from time to time adopt.
2. He shall see that the pest house be kept scrupulously clean; that all garbage and excreta be destroyed by fire or buried at a distance of not less than a hundred yards from any stream or well, and that all cast off clothing, rags, and bandages be destroyed by fire; that the clothing and bedding of patients be frequently changed, and that thorough ventilation be maintained.
3. All clothing, beds and bedding, ect., shall from time to time be disinfected, and after the termination of an epidemic the ward occupied by patients shall be disinfected and afterwards whitewashed.
4. He shall enforce the rule that every patient immediately before leaving the pesthouse must take a bath and be supplied with non-infected clothing.
5. Upon receipt of notice from the Secretary of the County Board of Health that any person in Vanderburgh County should be removed to the pest house, such superintendent shall at once remove such person.
6. On each side of the pest house ambulance shall be painted in large letters the word "Smallpox". Such ambulance shall be used for no other purpose than the conveying of patients to the pest house and the removal of the bodies of deceased patients to the place of interment and when on the public highways such ambulance shall at all times be kept closed.
7. The superintendent shall supply the patients with wholesome food of sufficient variety and quantity, and shall serve the same at regular stated hours. And in case the physician shall prescribe a certain diet for a patient, such diet shall be supplied as prescribed.
8. Such superintendent shall furnish all nurses necessary for the proper care of the patients.

9. In case of the death of a patient, it shall be the duty of such superintendent to prepare the body for burial and convey the same to the cemetery and superintend the interment
10. Such superintendent shall upon the 1st and 15th day of each month render a report to the County Board of Health covering the preceding period, in which report he shall give the dates on which the attending physician visited the pest house, the name and date of admission, discharge, or death of any patient occurring within the period covered by such report.
11. Such Superintendent shall receive as compensation for the performance of these duties the use of the pest house farm, and a fixed salary of Twenty five Dollars ($25.00) per month. He shall also receive:
For hauling a patient to the pest house. $1.50
For board and nursing of patient the sum of $1.25 per day for each patient from the date of their admission to the date of their discharge or death.
For preparing and superintending a burial the sum of $5.00

The foregoing Rules and Regulations shall also apply in case of an epidemic of yellow fever or cholera.

On motion the Board adjourned to meet on Friday Morning September 7th 1900 at ten o'clock.

Comes now Louis W. Legler Auditor and presents the following petition which was filed in his office on the 1st. day of October 1900, towit:

State of Indiana
Vanderburgh County } Commissioners Court
September Term 1900.

To the Honorable, the Board of Commissioners
of Vanderburgh County;
The Undersigned, Freeholders of said County, respectfully petition for the location of a public ditch in Knight Township of said County, that the con-

struction of said ditch will not only be conducive of public health, convenience and welfare, but the same will be of public benefit and utility, and that such drainage can not be obtained without entering upon and passing through the lands adjoining, the owners of a portion of which are unwilling to engage in the enterprise of improvement. That the following persons, whose names are hereunto subscribed to this petition, own lands liable to be affected by or assessed for the expense of the construction of said ditch, to-wit; Rollin S Viets, Timothy Floyd and Barney D. Royston.

We therefore ask your honorable body to cause to be constructed a ditch, as provided by law, upon the following route, to-wit; Commencing at a point (8) eight chains South east of the north west corner of the south east quarter of the north east quarter of section twentyseven (27) township six, south, range (10) ten west, thence west by north to the south east corner of the north west quarter of the north west quarter of said section (27) twenty seven, thence west along the southern line of the last named quarter, quarter section to the western boundary of said section (27) twentyseven thence South along said western boundary of section (27) twentyseven, to a point where the same would intersect the Weaver Ditch as now established. All of said ditch to be established, being in Knight Township, Vanderburgh County Indiana

Rollin S Viets
Barney D Royston
Jacob Leuvert
Timothy Lloyd.
R. D. Royston.

And said petitioners also file their bond to the satisfaction of the County Auditor.

And the Board having duly considered said petition and being satisfied that the same is in conformity with law, On motion it was ordered that Albert Kamp, John A Gleichman and John Hirsch, resident householders and freeholders of said County, and not of Kin to any of the parties

interested therein, and in no way interested in said ditch, be and they are now appointed viewers of said ditch that they meet at the office of the County Surveyor on Tuesday the 9th day of October 1900 at 9 o'clock a.m. and having duly qualified, proceed to view said ditch as required by law, and make their written report, and file the same with the Auditor, and it is further ordered that the Auditor certify a copy of this order to said Viewers.

Saturday Morning October 27th 1900.

The Board of Commissioners of the County of Vanderburgh met in their room this day pursuant to adjournment when present William Elliott. Jacob Detray and Mark Grant members composing said Board.

The minutes were read and approved.

In the matter of the Extension of the Raccoon Slough Ditch in Knight Twp. } Viewers Report; Ditch Established

Now comes the Auditor and presents to the Board the Report of the Viewers in said matter which report was filed in his office Oct. 2, 1900. and is in the words and figures following, to-wit:

To the Honorable Board of Commissioners of Vanderburgh County Indiana.

We, the undersigned, appointed by this Court at its September Term 1900. to view a ditch described in the certified copy of a petition and order of Court for a ditch by Frank Pickas and others, handed us by the Auditor, would represent that according to said order, we, on the day named therein, to-wit: the 24th day of Sept. 1900. in company with C. C. Genung a civil engineer, made an accurate survey of the line of said proposed ditch from its source to its outlet. We caused stakes to be set along said line, each one hundred feet, numbering down stream. The route of the proposed ditch is described as follows:- Commencing at the south side of the culvert on the Green River Road which is 957 feet west of the center of Section 2. Town. 7 South. Range 10 West. at Station "0" running thence S. 15° 30' E. forty feet, Thence S. 28° E Sixty feet Thence S 23° 30' E. Seventy feet. Thence S. 20° E, two hundred and sixty five feet. Thence S. 8° 40' E. one hundred and ninety three feet. Thence S. 43° 20' E. one hundred and two feet, and thence S 3° W forty two feet to the Eagle Slough Ditch, a total distance of Seven hundred and sixty seven feet. and which is the terminus of the pro-

posed Extension.

The line as above described, passes through the lands and along the lines of Frank Fickas.

We have made a careful examination of the premises liable to be benefitted by the construction of said proposed ditch, We also apportioned and set apart to each parcel of land, a share of said work, in proportion to the benefits received, and also of damages sustained, all of which will fully appear by a tabular statement in this report

We find that the proposed work will be of great public benefit and utility: afford drainage for public highways, and improve the general health in that neighborhood, and that the cost of construction of same will be less than the benefits to be derived thereby

We submit a map of the line of the proposed ditch, marked "Exhibit A." and a profile showing depth of cut, width at top and base, and number of cubic yards in each one hundred feet marked "Exhib B." which are made a part of this report.

The following apportionment shows who are benefitted, Price thereof per cubic yard and total estimated cost of each share.

In the matter of the Extension of the Weaver Ditch Knight Township } Viewers Report. Ditch Established.

Now comes Louis H. Legler County Auditor and presents to the Board the report of the Viewers in said matter which report was filed in his office October 15, 1900. and is in the words and figures following. towit:

To the Honorable Board of Commissioners
of Vanderburgh County Indiana.

We the undersigned, appointed by this Court for a ditch by Rollin S. Viets and others. handed us by the Auditor. would represent that according to said order, we. on the day named therein, toewit: the 9th day of Oct. 1900. in company with C. C. Deming a civil engineer. made an accurate survey of the line of said proposed ditch. from its source to its outlet. We caused stakes to be set along said line, each one hundred feet. numbering down stream. The route of the proposed ditch is described as follows. Commencing at a point S 30' 15' E. and 548 feet from the North West corner of the South East quarter of the North East

quarter of Section 27. 26. S. R 10. W. at Station "O", Running thence West nineteen hundred feet, thence N. 75° 30 W. five hundred feet. thence N. 51°45' W. six hundred feet., thence west along the south side of the North West quarter of the North West quarter of said Section 27. fifteen hundred and seventynine feet to the west side of the road between Sections 27 and 28., and thence south along said road seven hundred and eighty three feet to the end wall of the Weaver Ditch a total distance of 5062 feet.

The line as above described, passes through the lands and along the lines of the following persons and corporations: W. R. Vann O G & O P Ruston, J & E. Lloyd. R. S. Viets J. M. Terry. Rachel Royston B & E. Royston. J Leuvert Jno Behagg. A M Kelsay E. Arnold. Joel Harper. J. E. Lant. F. W. Gableman. S. E. Hollingsworth and F. Endress.

We have made a careful examination of the premises liable to be benefitted by the construction of said proposed ditch. We also apportioned and set apart to each parcel of land, a share of said work, in the proportion to the benefits received, and also of damages sustained, all of which will fully appear by a tabular statement in this report.

We find that the proposed work will be of great public benefit and utility: afford drainage for public highways and improve the general health in that neighborhood, and that the cost of construction of same will be less than the benefits to be derived thereby.

We submit a map of the line of the proposed ditch marked "Exhibit A." and a profile showing depth of cut, width at top and base, and number of cubic yards in each one hundred feet marked "Exhibit B." which are made a part of this report.

All material excavated must be placed at least two (2) feet from the banks of the ditch, and openings to be left through such material, not more than two hundred (200) feet apart.

All stumps, trees and brush must be removed at least five (5) feet from the edge of the ditch.

We estimate the cost of construction of the proposed ditch as follows:

Board of Commissioners, Vanderburgh County, Indiana, November 8, 1900

Earth Excavation 3709 cu. yds @ 13 cts per yd.	482.17.
Clearing and Grubbing	23.00.
Road Crossing Brick Culvert	125.00.
Engineer Advertising and Viewing	200.00
Total	830.17.

The following apportionment shows who are benefitted, Price thereof per cubic yards, and total estimated cost of each share.

Samuel Adcock
vs.
John A Neale } Contest of Election; Union Township Trustee.

Now here come the Board of Commissioners in session and also comes the plaintiff, Contestor Samuel Adcock in person and by Posey and Chappel and Samuel Crumpbaker his attorneys, and also comes John A Neale, Contestee defendant in person and by Spencer & Brill and Robert D. Richardson his attorneys, And Defendant files his answer in two paragraphs to Plaintiffs complaint, and this cause being at issue and coming on for trial and the Court having heard the evidence, argument of Counsel, and being sufficiently advised finds for the Defendant the contestee John A Neale. It is therefore considered that the defendant contestee John A Neale recover his costs herein expended against the plaintiff contestor Samuel Adcock, and that said plaintiff contestor pay the costs of this action.

In the matter of Proposed Enlarging of Cypress Dale and Schenck Ditches Union Twp } Petition filed; Viewers appointed.

Comes now Louis K. Logler Auditor and presents the following petition which was filed in his office on the 11th day of December 1900. towit;

State of Indiana
Vanderburgh County } ss:

Commissioners Court
Dec. Term 1900.

Board of Commissioners, Vanderburgh County, Indiana, December 13. 1900.

To the Honorable the Board of
Commissioners of Vanderburgh County:
The undersigned Freeholders of said County respectfully petition for the enlargement of a part of the Cypress dale and Schenck ditches by widening and deepening as may be found necessary and extending the Schenck Ditch to obtain a better out let.

The construction of this work will not only be conducive to public health convenience and welfare, but the same will be of public benefit and utility, and that such improved drainage can not be obtained without entering upon and passing through the lands adjoining, the owners of a portion of which are unwilling to engage in the enterprise and improvement. That this enlargement and lengthening of the above named Ditches if granted will require a reallotment of the present Cypress Dale Ditch and should be known hereafter as the Cypress Dale ditch from its present source to the proposed outlet. and reallotted accordingly.

That the following persons whose names are hereunto subscribed to this petition own lands liable to be affected by or assessed for the expenses of the construction of said ditch towit:
Henry Kahn. B. A. Kamp. Philip Freund. John P. Roth
Minnie Wheeler Mike Zahner Adolph Barnett.
Adam Schuster. Fred Gerlach Andrew Hoppe.
We therefore ask your Honorable Body to cause to be constructed this ditch as provided by law upon the following route towit:
Commencing at a point in the north half of Section Twenty one (21) Town Seven (7) South. Range eleven (11) West. where the Maddox ditch empties into the Cypress Dale Ditch. thence down in the Cypress Dale Ditch as at present located to its outlet in the Schenck Ditch. and thence down the Schenck as at present located to its present outlet. and thence to an outlet in Bayou Creek near the south line of Section Eighteen (18) Town seven (7) South. Range eleven (11) west.

Henry Kahn B. A. Kamp. Philip Freund.

Board of Commissioners, Vanderburgh County, Indiana, December 1st 1900

John P Roth. Minnie Wheeler Mike Zohner
Adolph Barnett Adam Schüsler Fred Gerlach
I here seign my name to have all three ditches deeper one foot.
Andrew Kappe.

And said petitioners also file their Bond to the satisfaction of the County Auditor

And the Board having duly considered said petition and being satisfied that the same is in conformity with law. On motion it was ordered that R B. Bixler, Fred Mann and John Coudret. resident householders and freeholders of said County, and not of kin to any of the parties interested therein, and in no way interested in said ditch. be and they are now appointed Viewers of said ditch, that they meet at the office of the County Surveyor on Thursday the 20th day of December 1900. at 9 o'clock a m. and having duly qualified, proceed to view said ditch as required by law, and make their written report, and file the same in the Auditors office, and it is further ordered that the Auditor certify a copy of this order to said Viewers.

Comes now Mrs M. L. Nexsen Superintendent of the County Orphan Asylum and submits to the Board her report as such Superintendent for the Quarter ending November 30th 1900, which report is in substance as follows. to wit:

In the matter of the Investment of Sinking Fund for the payment of Bonds of the County of Vanderburgh, State of Indiana, Due January 2. 1907.

Whereas, there is now in the treasury of Vanderburgh County $2459.85. levied and collected for the purpose of buying the Bonds of said County due January 2. 1907,
And Whereas: In accordance with Section 5753 of Horner's Revised Statutes of Indiana of 1896. the said sinking fund is to be invested in said bonds, or any other State or County securities,
And Whereas, said Board has not been able to purchase any of said bonds of Vanderburgh County and have received a proposition as follows for the sale of the bonds of the County of Scott, State of Indiana

Board of Commissioners, Vanderburgh County, Indiana, December 18. 1900

Evansville Ind. Dec 13. 1900.

To The Board of Commissioners of Vanderburgh County:

I offer to sell to the County for sinking fund purposes the following county obligations:

Gravel road bonds issued by Scott County. Lexington Township. dated May 15. 1900. interest payable semi-annually May 15. and November 15. principal. and interest payable at the Banking office of Campbell, Wild & Co. Indianapolis Indiana. as follows.:

$716.50 due Nov 15. 1905.
$716.50. due May 15. 1906.
$716.50. due Nov. 15. 1906.

The earnings of these bonds will be as follows:

On the Bonds due Nov. 15. 1905.	$177.33
On the Bonds due May. 15. 1906.	193 45.
On the Bonds due Nov. 15. 1906.	209.57.
To which add principal of bonds.	2149.50.
Making a total of,	2729. 85.
I offer to sell these bonds to the County for the lump sum of	2459.85.
Which will make profit to the County	270.00.

I transmit herewith for your information a sample copy of the Bonds. also the opinion of Messrs. Miller. Elam & Fesler of Indianapolis. as to the legality of issue and the binding obligation of these bonds on Scott County

Very respectfully Yours
Wm Eichel.

And Whereas: the County Attorney, N. J. Peckinpaugh, after an investigation of said bonds, and the financial condetion of said county, reports that the bonds are issued legally and that said County is in good condition financially, the said report being as follows.

Evansville Ind. Dec 15. 1900.

To the Board of Commissioners
of Vanderburgh County.

Board of Commissioners, Vanderburgh County, Indiana, December 18th 1900.

Gentlemen:

As per request I have investigated the legality of a certain issue of bonds of Scott County Indiana issued upon May 15. 1900. to obtain funds with which to construct gravel roads in Lexington Township. of said County.

From a sample of bond filed with the bid and the opinion of W. H. H. Miller thereto attached, I would say that all the necessary proceedings of the Board of Commissioners have been properly performed prior to said issue. I have also made inquiry as to the financial rating of this county and find that their total valuation for taxation is $2.750.000.00; and that their outstanding indebtedness including this issue, is only $38.000.00. which brings it well within the constitutional limitation of two per cent.

I would therefore advise that these bonds are legal binding obligations upon said County of Scott, to be paid out of the special fund provided by statute for that purpose

Very truly yours
H. J. Peckinpaugh-

It is Therefore ordered, that the County of Vanderburgh accept the said proposition of William Eichel to sell the bonds of the County of Scott, State of Indiana, and the Auditor of the County of Vanderburgh. upon the delivery of the bonds as set forth in the proposition of William Eichel shall issue a warrant upon the treasurer of Vanderburgh County in favor of said William Eichel for the sum of $2459.85.

On motion it was ordered that the sum of One hundred forty ^00/100 Dollars ($140^00) be advanced to Marshall Kesner Trustee of Center Township for relief of the poor of said Township.

Comes now the Clerk of the Circuit Court and files with the Board a copy of the Grand Jury Report of the December Term of the Vanderburgh Circuit Court. which is in the words and figures following, to-wit:

To the Honorable Hamilton A Mattison
Judge Vanderburgh Circuit Court.

Your Grand Jurors for the December Term 1900. respectfully present this our final report and ask for its approval and our discharge. We have fully investigated the matters against the prisoners confined in the County Jail awaiting the action of the Grand Jurors and also those upon bond. We have endeavored to faithfully present to the Court all crimes of which we could obtain evidence, and presented bills accordingly.

County Infirmary.

We have visited the County Infirmary and find that the management of the place by the present Superintendent is good. We would recommend that the low land on the north side of the farm be tilled as it is useless in its present condition. We also recommend that a new building be erected for a bakery and that a cellar be placed under same and that the present wash room be enlarged. Would suggest that immediate steps ought to be taken to provide the main building with fire escapes and that the dwelling occupied by superintendent

and family be heated by steam. We find that the Superintendent is in need of at least one more servant and would ask that she be given this at the earliest opportunity.

County Jail.

On our visit to the County Jail we found the same clean and comfortable, We would recommend that the stairway leading to the Woman's department be changed, so that they may be able to reach their cells without passing through the men's department. Would also recommend that a Woman's Matron be provided to look after and take care of the woman's department in jail,

We further recommend that the sky light of the prison and the windows on the sides be protected with strong, steel screens, and that an arc-light be placed on the south corner of the jail building so as to light up the passageway in the rear and south east side of the building.

Orphans Home (White)

We find the White Orphans' Home badly in need of repairs, viz: the papering of the rooms has fallen off in numerous places, the paint on the floors of the porches has almost entirely scaled off, and the wash house is in bad condition, needing especially a new roof. which, if not attended to soon, will necessitate the construction of an entire new building, We find that the grounds are poorly provided with shade trees and that in Summer time a great many rooms are almost unbearable owing to the fact that the sun has constant play upon them, We would recommend that at a suitable time, the proper number and kind of trees be planted to remedy this.

Orphans Home (Colored)

The Colored Orphans Home property seems to be in first class condition but is badly in need of some modern, civilized improvements, We would recommend that the home be given at once a telephone, and that there be erected somewhere near the bed-rooms of the children suitable

bath-tubs. We find that all they have to wash the
children in at this time is a foot tub. But the
urgent improvement we find the colored home in
need of is proper heat. There is no way of heating
this home except by small shallow grates and
one or two old stoves. Humanity if nothing else
demands that the building be heated either by steam
or hot water, especially, that the play and bed rooms
of the children have some kind of heat during the
winter.

We cannot speak too highly as regards the management
of all the County Institutions. and it is the opinion
of this Grand Jury that the managers and employees
are deserving of credit for the faithful performance
of their duties. We would call the Court's attention
to the fact that former Grand Juries have made
recommendations similar in many instances
to those we have recommended above. and no
attention has been given the matter. In conclusion
we wish to say that what we have suggested and
recommended in our opinion is absolutely necessary
for the betterment and preservation of the County
property and for the preservation of the health and
life of the inmates of our County Institutions
We sincerely trust that this matter will receive
prompt attention by the proper parties. who were
chosen by the people and are paid by the
people for attending to this County's business

To the Honorable Board of Commissioners
of Vanderburgh County, Indiana:

We, the undersigned Viewers, who were appointed by your Honorable body at your regular January Term 1901. to view a proposed highway, as petitioned for by Lottie B. Ewing et al, have discharged the duty assigned us, and submit to you the following report, to-wit:

We met as directed in the order hereunto attached and made a part hereof, and after being duly qualified as appears therein, proceeded to view such proposed highway in the manner as by law prescribed which by routes and bounds and course and distance is as follows to-wit: The said proposed highway to be 30 feet in width and commences on the line dividing Section 4. from Section 9. in Township 7. South, Range 10 West. at the point where said line is crossed at right angles by the half section line which divides said section into east and west half sections, said point being the southern Extremity of the highway known as the Woods' Road which extends from said point due north, commencing at said point said proposed highway shall run due south along the half section line, which divides the west half of said Section 9. from the east half thereof for a distance of 80 rods, and shall have for its termination the south west corner of the North West quarter of the North east quarter

of said Section 9.
And we are of the opinion that said highway would be of public utility.

Respectfully Submitted.

In the matter of the
Extension of Cypress Dale
Ditch. Union Township } Viewers Report: Ditch Established.

Now comes the Auditor and presents to the Board the report of the Viewers in said matter which said report was filed in his office on the 7th day of January 1901. and is in the words and figures following, towit:

To the Honorable Board of Commissioners
of Vanderburgh County Indiana
We, the undersigned, appointed by this Court at its December Term 1900. to view a ditch described in the certified copy of a petition and order of Court for a ditch by Henry Hahn and others. handed us by the Auditor, would represent that according to said order, we on the day named therein, towit; the 20th day of December 1900 in company with C. D. Henning a civil engineer, made an ac-

curate survey of the line of said proposed ditch from its source to its outlet. We caused stakes to be set along said line, each one hundred feet numbering down stream. The route of the proposed ditch is described as follows:. Commencing at a point in the present Cypress Dale Ditch Two thousand two hundred feet westwardly from its commencement at the Hoppe Road in the South east quarter of the South east quarter of Section 16. Town 7 South Range 11 West. the point of commencement so fixed being in the north half of the North east quarter of Section 21. Town. 7. South. Range 11. West. and thence following the old bed of Cypress Dale Ditch to its outlet in the Schenck ditch. thence following the bed of the Schenck ditch to its outlet in Section 18. Town. 7. South. Range 11. West. and thence following the Cypress Creek to its outlet in Bayou Creek in the North east quarter of the North West quarter of Section 19. Town 7. South. Range eleven west. at Station 146+80 being a distance of 14.680. lineal feet

The line as above described, passes through the lands and along the lines of the following persons and corporations: Eliza Lindenschmidt. Eliza Stumpf. D. A. Kamp. H Hahn. I Barnet. A Schuessler. Augusta Hufnagle F. Gerlach. Elizabeth Zehner. J. P. Roth Elizabeth Langelsen. Caroline Grosseman John Deitz and T. Hanschild.

We have made a careful examination of the premises liable to be benefitted by the construction of said proposed ditch. We also apportioned and set apart to each parcel of land, a share of said work, in proportion to the benefits received, and also of damages sustained, all of which will fully appear by a tabular statement in this report.

We find that the proposed work will be of great public benefit and utility; afford drainage for public highways, and improve the general health in that neighborhood, and that the cost of construction of same will be less than the benefits to be derived thereby.

We submit a map of the line of the proposed ditch marked

Board of Commissioners, Vanderburgh County, Indiana, Feby 7 1901

Board of Commissioners, Vanderburgh County, Indiana, March 4 1901

In the Matter of the Petition of The Evansville Electric Railway for Right of Way over and along certain Highways in the County of Vanderburgh, State of Indiana.

Now comes the Evansville Electric Railway and files its said petition in the words and figures as follows. towit:

To the Honorable Board of Commissioners
of Vanderburgh County, Indiana.

The Evansville Electric Railway respectfully petition your honorable body to grant to said Railway the right of way for the laying of its tracks and the operation of its road upon the following public highways in the County of Vanderburgh, State of Indiana, to wit:

First:

Beginning on the Green River Road at a point where the same is intersected by Second Street in the City of Evansville, thence east over and along the south half of said Green River Road to a point where the same is intersected by Kentucky Avenue, thence north along the east half of said Kentucky Avenue to a point where the same is intersected by a continuation of Taylor Avenue of the City of Evansville, being that part of the Green River Road and Kentucky Avenue over which the Board of Commissioners have control.

Second:

Beginning on St Joseph Avenue at the corporate limits of the City of Evansville, thence north over and along said St. Joseph Avenue to the Little Cynthiana or Delwood Road thence over and along said Little Cynthiana Road or Delwood Road to a point in the center of the same opposite the south east corner of St. Joseph Cemetery in Vanderburgh County Indiana.

Third.

Beginning on the Evansville and Mt. Vernon Road at the corporate limits of the City of Evansville thence over and along the said Evansville and Mt. Vernon Road to a point where the same is intersected by the Evansville

Board of Commissioners, Vanderburgh County, Indiana, March 4, 1901.

and New Harmony Road, thence over and along said Evansville and New Harmony Road to a point in the center of the same 13-41/100 chains South and 8-85/100 chains east of the northwest quarter of the south west quarter of the south west quarter of Section Fourteen (14) Town. Six (6) South Range Eleven (11) west. (opposite Kochs Grove)

Fourth.

Beginning on the extension of Franklin Street at a point where the same is intersected by the western corporate boundary of the City of Evansville, thence West over and along said extension of Franklin Street to a point where the same intersects Barker Avenue, thence south over and along said Barker Avenue to a point where the same is intersected by the northern boundary of the Town of Howell, County of Vanderburgh, State of Indiana.

The above grants of such rights of way to be made upon such terms and conditions as may be agreed upon by your honorable body and said Evansville Electric Railway.

It is the intention of the Electric Railway to construct not more than two tracks with the necessary turnouts and switches on the above described highways and the said Railway agrees to place its poles along the side of the highways in such a way as not to obstruct the drainage thereof or interfere with the travel thereon. Said Railway asks that this grant over and along the above described highways be for a term of fifty (50) years from this date and agrees as one of the conditions of said grant to Keep the highways in repairs between its rails and tracks and for the space of eighteen (18) inches on each side thereof and if at any time said highway shall be ordered improved said Railway shall at the same time and in the same manner improves the same between its rails and tracks.

Respectfully submitted.
Evansville Electric Railway
by
James O Parker
President.

And the Board of Commissioners having duly considered the same. hereby grant to the Evansville Electric Railway, its successors. or assigns. for a period of fifty (50) years. from this date the rights of way set forth in said petition upon the terms and conditions herein set out That said Evansville Electric Railway shall in all places where it constructs a single track place the same in the center of the highway and in all places where it constructs a double track. said tracks shall not be more than seven nor less than five feet apart and the center of the space between the tracks shall be the center of the highways. The poles for the support of the trolley wire to be used by said Railway shall be placed on the side of the highways in such position as not to obstruct the drainage thereof or interfere with public travel. It being understood and agreed that the said Railway shall not be compelled to change the location of its poles or track upon the extension of Franklin Street and Barker Avenue line until said Railway shall construct a double track over said line.

That said Railway shall have the right to construct along the line of any single track it may establish upon any of the above named highways, such switches and turn outs as may be necessary for the successful operation of said road. it being understood that said switches and turn outs shall be so constructed as not to interfere with public travel. It being further agreed that whenever the said Railway shall change its line from a single to a double track that all turn outs shall be removed.

That said Railway in constructing its road over and along the above described highways shall lay its track or tracks to a grade to be furnished by the County Surveyor at the expense of the said Railway.

Said Railway shall at all times keep that part of the said highways occupied by it in good repair for the whole space between the rails of its track or tracks and between its tracks and for a distance of eighteen inches on the outside of said track or tracks so as to keep the ties at all times covered.

and so that the top of said rails shall at all times be flush and even with the surface of the roadway and should either the City of Evansville, the Town of Howell or the County of Vanderburgh hereafter during the continuance of this grant improve said highways or any part thereof then said Railway shall at the same time improve the space between its rails and eighteen (18) inches on the outside of the tracks in like manner.

Said Railway shall under this grant have the right to use any motive power except steam.

Said Railway shall at no time charge for fare on its road on the above described highways any sum in excess of five (5) cents for each passenger for one continuous passage (including one transfer) to any point in the City of Evansville touched by the lines of said Railway.

Said Railway, in consideration of this grant, agrees to obtain an assignment and surrender the same to the County of Vanderburgh, State of Indiana, all the rights of the Evansville Street Railroad Company over and along that part of the extension of Franklin Street and Barker Avenue covered by this grant.

This grant shall not be operative or invest said Railway with any rights thereunder until the said Railway shall obtain a right of way over and along the streets of the City of Evansville that connect with the public highways covered in this grant.

That said Railway shall within eighteen (18) months after the date of this grant and the obtaining of a franchise from the City of Evansville for a period of fifty (50) years over and along the streets connecting with the public highways covered by this grant, construct its tracks according to the conditions herein set out, unless prevented by injunction or other legal proceedings.

That the Board of Commissioners may after ninety (90) days notice in writing to said Railway of its failure to comply with any of the conditions herein specified, terminate said grant. Said notice shall state generally the conditions with which the Railway has failed to comply, and the

Railway shall be given an opportunity to comply with said requirements within ninety (90) days after said notices. Provided however, that in case the Railway shall in good faith contend that the conditions contained in the notice were not the conditions provided for in this grant, or that they were already complying with the conditions set forth in this grant, and shall without delay bring any action in any Court of Competant Jurisdiction to have the matters complained of adjudicated and in case the decision of said Court is adverse to said Railway, said Railway shall then have ninety (90) days from the date of such decision to comply with the provisions of this grant as set forth by the notice from the Board of Commissioners of Vanderburgh County.

We hereby accept the above grant and Contract upon the terms and conditions set out.

Evansville Electric Railway.

Vanderburgh County } ss:

William V. Haberer being duly sworn says: That he is one of the claimants herein, and that he and his sister, Mary L. Wade, are the owners in fee simple, as tenants in common, of the real estate above described, That the facts set out in the foregoing claim are true and correct;

That the claimants have been damaged by reason of the facts above set forth in the sum of $800⁰⁰. That he believes they are entitled to recover the full amount of said claim

Wm V. Haberer

Subscribed and sworn to before me this 12th day of April 1901.

(Seal)

James T. Cutter Notary Public
My Commission expires Dec 19, 1902.

After due consideration on motion the said claim was rejected by the Board for the following reasons: viz.
First: The amount claimed is excessive.
Second: There is no appropriation for said purpose.

Comes now Louis A. Legler County Auditor and presents to the Board an application for the admission of Nellie A. Zeller to the Indiana State Asylum for Feeble Minded Children made by George Zeller her father And the Board having carefully considered said matter do now find and determine that the said Nellie A. Zeller has for one year prior to the making of the aforesaid application been a bona fide resident of the State of Indiana, and that she is a feebleminded child now residing in Vanderburgh County, and is a proper subject for admission into said Asylum and that the applicant is unable to pay for the support or any part thereof of said child at said School, and the Auditor is directed to make the proper certificate in the premises.

On motion it was ordered by the Board that the following named persons be allowed the sums set opposite their names respectively for the account stated viz:

Board of Commissioners

Board of Commissioners, Vanderburgh County, Indiana, July 5th 1901

In the matter of the petition of George A Trapp. for establishment of highway

James S. McDonald respectfully shows to the Court that the proposed road herein will pass over lands owned by him; that the same will take an appropriate one acre of his land worth $75.00.

Second; That it will necessitate the removal of 100 rods of picket fence worth $50.00.

Third, That the establishment of said road will damage of his land $50.00.

Fourth; That there is no public utility for the establishment of said road.

Wherefore, he asks for the appointment of reviewers to ascertain the facts in the premises and upon final hearing, he prays for all proper relief.

James S. McDonald.
By Ireland & Reister Attorneys

Subscribed and sworn to before me by James S. McDonald, this day of July 1901.

And the Board having examined said Remonstrance finds the same to be in form as required by law It is therefore ordered that Albert Kamp. John F Edmond of Union Township and Henry Grimm Sr. of German Township be and they are now appointed Reviewers of said proposed highway for the purpose of passing upon the utility of said proposed highway and also of assessing the damages if any that would be sustained by the opening of the same And it is further ordered that said Reviewers meet at the office of some Justice of the Peace in said County on Thursday Morning July 25. 1901. at 9 o'clock and after being duly qualified proceed to make such review, and report the result thereof at the next regular term of this Board until which time this cause is continued.

Board of Commissioners:

Board of Commissioners, Vanderburgh County, Indiana, Aug. 8th 1901

In the matter of the
petition for establishment of
road by George A Trapp.

Comes now Gertrude Martin, Andrew Martin, Kate Sauer, Mary Sauer, Joseph Martin, Elizabeth Martin, Adam Martin Maggie Martin, Frances Martin, Rosa Martin, John Martin. who say that their are the surviving widow and only children and heirs at law of John Martin deceased and as such are the owners in fee simple of forty acres of land over and along which the proposed road herein will pass, and they therefore remonstrate against the establishment of said road for the following reasons, towit

1. Because there is no public utility for the establishment of said road.

2. Because the establishment of said road would take and appropriate two acres of their said real estate, the value of $200.00.

3. Because the establishment of said road would necessitate the removal on re-setting of barb wire fence of the value of $50.00.

4. Because the establishment of said road would take appropriate and destroy tiling on said real estate of the value of $40.00.

Wherefore: They ask for the appointment of reviewers to ascertain the facts in the premises and upon final hearing they pray for all proper relief.

Leland & Reister
Attys for Remonstrants.

And the Board having examined said remonstrance find the same to be in form as required by law. It is therefore ordered that Louis Winternheimer Charles Wiggers and A.L Kieth all of Knight Township be and they are now appointed Reviewers of said proposed highway for the purpose of passing upon the public utility of said proposed highway and also of assessing the damages if any that would be sustained by the opening of the same. And it is further ordered that said Reviewers meet at the office of some Justice of the Peace in said County on Thursday Morning August 29th 1901. at 9.00 o'clock

Board of Commissioners, Vanderburgh County, Indiana, Aug. 9th 1901

Board of Commissioners, Vanderburgh County, Indiana, Aug. 19th 1901

Monday Morning August 19. 1901.

The Board of Commissioners of the County of Vanderburgh met in their room this day pursuant to adjournment when present Jacob Detroy. Mark Grant and Henry Wallenmeyer members composing said Board.

The minutes were read and approved.

The Board examined the Register of orders drawn by the County Auditor during the month of July 1901. and compared the same with the allowances made by the proper authorities and the Board having found said orders to be correct in all respects do now on motion approve the same.

The Board examined and cancelled orders paid and redeemed by the County Treasurer during the month of July which orders have been filed and registered in the office of the County Auditor, And the Board find that Philip J. Euler County Treasurer is entitled to a credit of $214.481.18 for County orders redeemed and to a further credit of $6.12 for Gravel road orders redeemed.

Now comes James T. Walker Treasurer of the School Board of the City of Evansville, and presents his report of the receipts and expenditures of said Board for the year ending July 31. 1901. which said report is in brief as follows, to-wit:

Tuition Fund.

Balance on hand at date of last report.	$9676.40	
Receipts since.	137925.98	$147,602.38

Commissioners Court
September Term 1901.

To the Honorable the Board of Commissioners
of Vanderburgh County.

The Undersigned, Freeholders of said County, respectfully petition for the location of a Public Ditch in Union Township of said County. That the construction of said ditch will not only be conducive of public health convenience and welfare, but the same will be of public utility and benefit, and that such drainage can not be obtained without entering upon and passing through the lands adjoining, the owners of a portion of which are unwilling to engage in the enterprise of improvement. That the following persons, whose names are hereunto subscribed to this petition, own lands liable to be affected by or assessed for the expense of the construction of said ditch towit:

James W. Anthony and R. J. Stroud.

We therefore ask your honorable body to cause to be constructed a ditch, as provided by law, upon the following route, towit: Commencing near the south west corner of the North east Quarter of Section 7. Town. 8. South, Range 11. West & east of the Road running north and south through the center of said Section and running thence in a South westerly direction to the head of the Stroud branch of the Logsdon Ditch. Also a branch of this ditch Commencing in the N.W. of S.E. 2-8-11 & near the east side of the above named North & South Road.

Board of Commissioners, Vanderburgh County, Indiana, Sept. 7 1901

running in a S. W. direction to a junction of the main ditch near the head of the Stroud B. of R. D. Your petitioners ask that if practicable Tiling of sufficient dimensions to properly drain the lands affected be laid in both the Ditch & its Branch their entire length.

James W. Anthony by,
R. B. Larsen Attorney.
R. J. Stroud.

And said petitioners also file their bond to the satisfaction of the County Auditor.

And the Board having duly considered said petition and being satisfied that the same is in conformity with law. On motion it was ordered that John Bumb. Andrew Schmidt and Christoph Stumpf. resident householders and freeholders of said County, and not of Kin to any of the parties interested therein, and in no way interested in said ditch, be and they are now appointed viewers of said ditch that they meet at the office of the County Surveyor on Tuesday the 24th day of September 1901. at 9 o'clock a m and having duly qualified, proceed to view said ditch as required by law. and make their written report and file the same in the Auditors office, and it is further ordered that the Auditor certify a copy of this order to said Viewers.

To the Honorable Board of Commissioners
of Vanderburgh County. Indiana.

We. the undersigned Viewers, who were appointed by your Honorable body at your regular September Sess 1901. to view a proposed highway, as petitioned for by Jeff Lenn et al: have discharged the duty assigned us and submit to you the following report. towit:

We met as directed in the order hereunto attached and made a part hereof, and, after being duly qualified as appears therein, proceeded to view such proposed highway in the manner as by law prescribed, which by routes and bounds and course and distance is as follows, towit; The said proposed highway to be 35. feet in width and commences in the middle of Washington Ave. Road. at the North East Corner of the North West quarter of Section 35. Town. 6. S. Range 10. W. and running thence south to

the low water mark of the Ohio River.
And we are of the opinion that said highway would not be of public utility

And the Board after carefully examining said report on motion approve the same and the petition is now here dismissed.

In the matter of the 1st petition for the Lenn Road in Knight Twp. } Names withdrawn. Petition Dismissed.

Come now Jeff Lenn, Bertha B. Lenn, Louis N. Legler, Harry Stinson and A C. Dreier. five of the petitioners herein and withdraw their names from said petition leaving only eleven names on said petition, And the Board finding that the proposed road would pass through an enclosure of more than one year, and the owner thereof objects to the said proposed road and the Viewers in their report, do not report that they are unable to avoid said enclosure. On motion the petition and the report of the Viewers was dismissed.

In the matter of the Hirsch Ditch in Knight Twp. } Viewers Report. Ditch Established.

This being the time set for the hearing in the matter of the Hirsch Ditch in Knight Township. now comes the Auditor and presents the report of the Viewers in said matter. which report was filed in his office on the 21st day of September 1901. and is in the words and figures following. towit;

To the Honorable Board of Commissioners
of Vanderburgh County Indiana.
We the undersigned, appointed by this Court at its September Term 1901. to view a ditch described in the

certified copy of a petition and order of Court for a ditch by Leonard Hirsch and others handed us by the Auditor: would represent that according to said order, we, on the day named therein towit: the 11th day of September 1901. in company with C. C. Fenning County Surveyor and civil engineer; made an accurate survey of the line of said proposed ditch from its source to its outlet. We caused stakes to be set along said line, each one hundred feet, numbering down stream. The route of the proposed ditch is described as follows. Commencing at a point in the bed of the old Wabash and Erie Canal six hundred and forty six feet north of the south east corner of the South west quarter of Section 13. Town 6. South. Range 10. West: running thence South 70° 50' west along and in the bed of the above named Canal a distance of 4963 feet. Thence with a five degree to the left. a distance of 497 feet. thence north 60° west for 110 feet, and thence South 75° west a distance of 70 feet at a highway bridge on the west line of Section 24. being a total distance of 5640 feet.

The line as above described, passes through the lands and along the lines of the following persons and corporations John Weinsheimer. John Hirsch. Jacob Hirsch. Catharine Hahn. Thomas E. Smyth. Amory Goddard. and the Southern Railway Company.

We have made a careful examination of the premises liable to be benefited by the construction of said proposed ditch. We also apportioned and set apart to each parcel of land, a share of said work. in proportion to the benefits received, and also of damages sustained. all of which will fully appear by a tabular statement in this report.

We find that the proposed work will be of great public benefit and utility: afford drainage for public highways, and improve the general health in that neighborhood, and that the cost of construction of same will be less than the benefits to be derived thereby.

We submit a map of the line of the proposed ditch marked "Exhibit A." and a profile showing depth of cut, width at top and base, and

number of cubic yards in each one hundred feet marked "Exhibit B." which are made a part of this report.

The following apportionment shows who are benefitted. Price thereof per cubic yard and total estimated cost of each share.

In the matter of Cleaning and Repairing Pond Flat Ditch, a five Mile Ditch } Surveyors Report. Order for Hearing.

Comes now C. C. Fenning County Surveyor and submits to the Board his report in the matter herein, which report is as follows. towit:

Evansville Ind. Oct. 12. 1901.

To the Honorable Board of Commissioners
Vanderburgh County.
Gentlemen:

Complying with your instructions, I have made a careful survey of Pond Flat Ditch, and find it

Board of Commissioners, Vanderburgh County, Indiana, Oct. 14 1901

in very bad condetion It has filled up in many places from twelve to eighteen inches and badly grown up in brier~~s~~ and weeds.

The cost of cleaning out and clearing the ditch and banks of vegetable growth to the width of five feet on each side, I estimate at $859.44. This will put the ditch for over three and one half miles from its commencement in as good shape as originally constructed.

The remaining distance will be much improved over its present condition but for some distance below its outlet. Big Creek has filled so much that it will be impossible to get the outlet down to its original grade until an extension of the ditch is made entirely through the County.

Respectfully

In the matter of the Anthony Ditch in Union Township. } Viewers Report. Ditch Established.

This being the time to which the hearing of the Anthony was postponed now comes Louis H. Legler Auditor and presents to the Board the report of the Viewers in said matter, which report was filed in his office on October 9. 1901. and is in the words and figures following, to-wit:

Board of Commissioners, Vanderburgh County, Indiana, Nov. 7. 1901.

To the Honorable Board of Commissioners
of Vanderburgh County, Indiana.

We, the undersigned, appointed by this Court at its September Term 1901. to view a ditch described in the certified copy of a petition and order of Court for a ditch by J. W. Anthony and others, handed us by the Auditor would represent that according to said order, we, on the day named therein, to-wit the 24th day of Sept. 1901. in company with C. C. Genung a civil engineer, made an accurate survey of the line of said proposed ditch from its source to its outlet. We caused stakes to be set along said line, each one hundred feet, numbering down stream. The route of the proposed ditch is described as follows:- Commencing on the main ditch. Twenty three hundred and thirteen feet north of the South west corner of the South east quarter of Section 2. Town 8 South; Range 11 west. and fifteen east, on the east side of the road running to Rahms Station, running thence South. 88° 10' W. 217 feet, thence S. 62° 30' W. 102 feet. thence S 59° 30' W. 454 feet. Thence 64° 30' W. 272 feet. Thence S. 65° W. 408 feet. Thence S 71° W. 511 feet. Thence S 85° W 76. feet. Thence S 71° 30' W. 112 feet. Thence N. 69° W. 62 feet. Thence N. 55° 30' W. 66 feet. Thence N 87° 30' W. 37 feet. Thence S 76° W. 173 feet. Thence S. 72° W. 104 feet. Thence S 75° W. 127 feet. Thence S. 80° W. 176 feet to the head of the Stroud Branch of the Logsdon Ditch.

On the Branch ditch. Commencing 348 feet north of the South East corner of the north west quarter of Section 2. Town 8 South Range 11. W. and fifteen feet east. on the east side of the road running to Rahms Station. running thence S. 65° W. 311 feet. Thence S. 73° 30' W 146 feet. Thence S. 64° W. 125 feet. Thence S. 56° 30' W. 325. feet. Thence S. 62° 15' W. 193 feet. Thence S. 65° 10' W. 224 feet. Thence S 56° W. 205. feet. Thence S. 70° 15' W. 142 feet. Thence S 53° W. 126 feet. Thence S. 81° W. 80 feet. Thence S. 66° 15' W. 117 feet. Thence S 72° 40' W. 120 feet. Thence S. 80° 30' W. 342 feet. Thence 73° 40' W. 160 feet. Thence S. 50° 30' W. 105. feet and thence S 26° W. 257 feet to a junction with the main line.

The line as above described. passes through the lands

and along the lines of the following persons and corporations J W. Anthony. Mrs. M.A. Fruit. Mrs. A. King. and Mrs. M. Harris.

We have made a careful examination of the premises liable to be benefitted by the construction of said proposed ditch. We also apportioned and set apart to each parcel of land a share of said work. in proportion to the benefits received and also of damages sustained, all of which will fully appear by a tabular statement in this report.

We find that the proposed work will be of great public benefit and utility: afford drainage for public highways and improve the general health in that neighborhood, and that the cost of construction of same will be less than the benefits to be derived thereby.

We submit a map of the line of the proposed ditch. marked "Exhibit A." and a profile showing depth of cut, width at top and base, and the number of cubic yards in each one hundred feet marked "Exhibit B." which are made a part of this report.

We recommend that both the main ditch and the branch marked on the Exhibits as the X line be laid with eight inch drain tile, and we have estimated the total cost of the tile, Excavation for laying the same, and the refilling of the ditch complete, as shown above. The tile must be first class and laid to a grade to be given by the County Surveyor. The material and work will subject to his approval.

And the Board having examined said report and being advised by the County Attorney find that the same is made in accordance with the provisions of law that the notice of hearing of said petition has been published as required by law, and no remonstrance being presented the Board do now approve said report, and it is now ordered that the said ditch be and the same is now established as described in said report of the Viewers, and it is further ordered that said Viewers meet at the office of the County Surveyor on Tuesday Morning November 19th 1901 at 10 o'clock and make a final report, as required by law, and file their report with the Auditor after having sworn to and subscribed to the same.

On motion the following Resolution was adopted by the Board.

A Resolution by the Board of Commissioners of Vanderburgh County in the State of Indiana, Granting to the Evansville and Princeton Traction Company, its Successors and Assigns, a Right of Way over along and upon certain Public Highways of said County for the purpose of constructing, maintaining and operating a Railway, to be operated by Electricity or other motive power, except Steam and to Erect and Maintain thereon Poles, Wires and other necessary appliances, for the purpose of carrying Passengers, Baggage, Express matter Mail and Freight;

Be it resolved by the Board of Commissioners of Vanderburgh County in the State of Indiana, that the right and privilege is hereby granted to the Evansville & Princeton Traction Company, a corporation, its successors and assigns to construct, maintain and operate a railway line with all the necessary and convenient switches, turnouts, loops and side tracks to be operated by electricity or other motive power, steam excepted for the purpose of carrying passengers, baggage express matter, mail and freight, and to erect and maintain poles and to string and maintain the necessary wires thereon over, and along and upon the following described public highways and lands of said County, to-wit:

Beginning at the corporate limits of the City of Evansville at the south end of the public highway known as the Wedeking Road, which road is a continuation of Heidelbach Avenue in the City of Evansville; running thence north along said Wedeking Road the entire length thereof to a point in the north west quarter of the north west quarter of Section seventeen (17) township six (6) South, range ten (10) west,

Also beginning on the Evansville and Princeton State Road, sometimes called the Stringtown Road, at the north-east corner of the land owned by the Country Club; running thence along said State Road to its intersection with the Petersburgh Road; thence along said Petersburgh Road to its intersection with the road leading to the County Infirmary; thence along said County Infirmary road to the line of the County Infirmary farm; thence across said County Infirmary farm on a direct and practical line hereafter to be designated by the Board of Commissioners of said County to the Petersburgh Road, thence along said Petersburgh Road to its intersection with the Browning Road in Section twentytwo (22) township five (5) South, range ten (10) west. thence along said Browning Road throughout its entire length to its intersection with the State Road, and thence along said State Road to the County line.

The rights and privileges above granted are upon the following conditions towit:

First: The rails to be used in the construction of said road shall be T rails and shall not be lighter than sixty (60) pounds to the yard. Along said Wedeking Road said track shall be laid as nearly as may be in the center thereof; along said State Road, said track shall be laid so that the inside rail shall be at least twelve (12) feet from the center of said road; along said Petersburgh Road, said Browning Road and said Road leading to the County Infirmary said track shall be laid so that the inside rail shall not be nearer than eight (8) feet from the center of said roads. Said track shall be so laid as to conform to the general grade of said roads and so that the top of the rails shall be flush with the surface of the roadway unless the consent of the Board of County Commissioners be had to lay it otherwise. Nothing contained in this section shall be so construed as to prevent said company from occupying so much of said highways as shall be necessary to enable it properly to construct and maintain its necessary turnouts and switches, nor to

prevent it from laying its said track across or along the center of said highways where the same becomes necessary in order to enable it to cross with its track from one side of said highway to the other, nor to prevent it from following the necessary turns in said highways.

It is further understood that where on account of the width or grade of said highways it is impossible or impracticable to construct and maintain said track according to the provisions of this section the location thereof may be changed or varied in order to meet such necessity by and with the consent of the Board of Commissioners.

The Board also reserves the right to require said track to be laid in the center of said State Road instead of on one side thereof, but such right must be exercised before work is actually commenced on said road by said company.

Second: The pole line shall be a single line of poles provided that a double line of poles may be used at turnouts, sidings and corners and at turns in the road, and also where said track is laid in the center of the road. Where a single line of poles is used the same shall be placed on the outside of the track, and a sufficient distance therefrom not to interfere with the use or drainage thereof. Where a double line of poles is used the same shall be placed on either side of the road, and a sufficient distance from the road bed not to interfere either with the use or drainage of such highway. Said poles shall be so located as to interfere as little as possible with the use of said highways, and so as not to obstruct any intersecting road whether public or private. The trolley wires shall not be nearer the tops of the rails than eighteen (18) feet.

Third: The drainage of said highways and of any and all cross and intersecting roads, lanes and private drive-ways shall not be interfered with more than is necessary for the construction of said railway; and any public highway or private

lane or driveway affected by any of the operations of said railway or the construction thereof shall be immediately restored by and at the expense of said company its successors and assigns.

Fourth: The said grantee. its successors and assigns shall save said county harmless from any loss. damage or liability by reason of any of the operations of said railway and the construction thereof and by reason of the negligence of any of the agents, servants or employees of said company, its successors and assigns.

Fifth: The rate of fare to be charged on said line of railway shall not exceed two (2) cents per mile for one passenger for one continuous trip, provided that the said company, its successors and assigns shall not be required to accept any fare less than five (5) cents for one continuous trip:

Sixth: The said railway shall be commenced within eighteen months after the adoption of this resolution, and shall be completed to the City of Princeton in the State of Indiana within thirty (30) months from said date. On failure of said company to commence the construction of said railway and complete the same to said City of Princeton within the times herein limited the rights and privileges hereby granted shall be forfeited unless said time is extended by the Board of Commissioners.

Provided that if said company is delayed in the commencement or completion of said road by injunction or other legal proceedings, the period of such delay shall be added to the time within which it is required to commence and complete the same by the terms hereof. Provided the time herein limited for the commencement and completion of said road shall not in any event be extended by any such injunction or other legal proceedings more than fifteen months.

Seventh: The power to be used to operate said railway, shall be electricity or other motive power, except steam: provided, however, that in the construction of said railway, steam

and animal power may be used as a motive power.
Eighth: The said Company, its successors and assigns shall keep all weeds cut from the side of the road on which its said track shall be located.
Said Company further agrees that it will keep the space between its said tracks and also on the outside thereof to the end of its crossties in good repair, and flush and even with the tops of its said rails.
When said track is completed the said company shall restore the said space between the rails and to the end of the crossties on either side thereof, to as good a condition of repair, as the same was in before the construction of said track
Should said company after receiving ten (10) days notice in writing requesting it so to do, fail to make any of the repairs, or do any of the work herein required to be done by it, in restoring said highways it shall be lawful for the Board of Commissioners, or other proper county or township authority, to make such repairs, or perform such work or to cause the same to be done by an independent contractor, and said company shall be liable either to said County, or other proper authority or to said contractor, as the case may be, for the reasonable cost of such repairs and work and the same may be recovered against it in an action brought in any court of competant Jurisdiction. At all highway intersections and wherever said tracks cross the said highways, the space between the rails and to the end of the crossties on either side thereof shall be securely and properly planked, so that the surface of said planking shall be flush and even with the surface of said highways. It is further agreed that within three years from the completion of said road, said company shall fill in the space between its rails where the same occupy said highways and to the end of its crossties on either side thereof with broken stone or screenings so that the same shall be flush

and even with the surface of the highway, and shall maintain the same thereafter in said condition. but nothing herein contained shall be so construed as to relieve the Company from the duty of maintaining the surface of the roadway flush and even with the surface of said highways at all times.

Ninth: The further right and privilege is hereby granted and given to the said grantee, its successors and assigns to furnish light. heat and power to any or all of the residents of said Vanderburgh County, upon such reasonable terms as may be agreed to between said grantee, its successors and assigns and said residents, Provided that the prices to be charged for such light heat and power shall be uniform under like circumstances.

Tenth: This franchise and the right and privileges herein granted shall be in force and effect for a period of fifty years from and after the adoption of this resolution by said Board of County Commissioners and the acceptance, in writing of the same by the grantee herein through its president.

Eleventh: Whenever any part of the highways embraced in this grant is taken into the City of Evansville, it is understood that the part so taken in, shall at once become subject to all the provisions of such contract as shall hereinafter be made by the Department of Public Works of said city, and said company granting to it the right to lay its tracks and maintain its poles and wires over the streets of said City.

Twelfth: The said Company while constructing its track shall at its own expense construct and thereafter maintain a private siding or switch on the Infirmary Farm, for the use of the County, at a point to be designated by the Board of Commissioners.

Commissioners Grant and Detroy voted Aye and Commissioner Wallenmeyer voted No. on the above Resolution.

In the matter of the proposed highway along the line between Posey County and Vanderburgh County, connecting the Upper and Middle Mt Vernon Roads.

Fred Schutte respectfully remonstrates against the opening and construction of said highway, for the following reasons to-wit:

1. That he is the owner of two tracts of land. one in Vanderburgh County Indiana, being 40 acres in the southwest quarter of the south west quarter of Section 31. township 6 South, Range 11, West. the other in Posey County Indiana, being the east half of the north east quarter of the south east quarter of section 25. township 6 South range 12 West, and that his lands are not benefited by the opening of said highway.

2. That the proposed highway will take from the land belonging to him in Vanderburgh County one third of an acre of land, which he values at thirty five ($35) dollars, and from the lands in Posey County one-half an acre which he values at fifty dollars ($50.).

3. That it will require the moving and rebuilding of fences in Posey County which he estimates at eighty rods, at a cost of forty dollars ($40) and the moving and rebuilding of fences in Vanderburgh County of fifty rods, which he estimates at thirty dollars ($30.)

4. That he has a mew barn sixty two feet long, thirty-four feet wide, and thirty feet high. which would have to be moved if the road is put upon the line proposed, and the cost of removal in

his opinion would be two hundred dollars ($200.00)
And he asks that if the road be opened and established that he be allowed damages in the sum of three hundred and fiftyfive dollars ($355).

To the Honorable Board of Commissioners
of Vanderburgh County, Indiana.

We the undersigned reviewers, who were appointed by your honorable body at your regular November Term 1901. to review a proposed highway, as petitioned for by Anton Humpert et al. for the purpose of assessing the damage if any, that would be sustained by opening the same through the lands of Fred Schutte, Fred Kirchoff. Nic. Litzelman, John Steinier, Chas Steinier, and Louis F Kappelman have discharged the duty assigned us, and submit to you the following report, towit; Five days notice having been given us by said remonstrators herein, we met as directed in the order hereunto attached and made a part hereof, and after being duly qualified as appears therein, proceeded to make such review, and find that Fred Schutte is entitled to damage to the amount of Two hundred Dollars ($200.00) and Fred Kirchoff to Thirty dollars (30.00)

Nic Litzelman to Twenty five dollars	25.00
John Steinier to Thirty dollars	30.00
Chas. Steinier to Forty dollars	40.00
Louis F Kappermann to Ten dollars	10.00

We respectfully recommend that where said road crosses the land of Fred Schutte, said road be moved west 15 feet and avoid the expense of moving the barn on said property.

On motion it was ordered by the Board that the County Auditor employ suitable persons to prepare for each Assessor of Vanderburgh County a transcript of all the owners of Real Estate in their respective Townships with the description and valuation of all the Real Estate and improvements held by each, made out in the proper Assessor Return Books in the usual form for the year 1902. and whereas the Auditor is not required by law to do this work in years in which Real Estate is not assessed. It is therefore hereby ordered that he be allowed a reasonable compensation for having said work done, but not to exceed the amount appropriated by the County Council for that work. the Board deeming it advisable and a necessity that the said work be done under the supervision of the County Auditor.

Comes now Louis A Legler County Auditor and presents to the Board. an application for the admission of Everitt Beardsley. to the Indiana State Asylum for Feeble Minded Children made by Mrs. Davenport matron of the Orphan Asylum.
And the Board having carefully considered said matter do now find and determine that the said Everett Beardsley. has for one year prior to the making of the aforesaid application been a bonifide resident of the State of Indiana. and that he is a feebleminded child now residing in Vanderburgh County, and is a proper subject for admission into said Asylum. and that the applicant is unable to pay for the

support or any part thereof of said pupil at said school, and the Auditor is directed to make the proper certificate in the premises.
